Lion Pride

Ohio Lions District 13-B

VOLUME I ISSUE 2

AUGUST 2014

Invite 35 and Strengthen the Pride!

On the day of this report our district is a +1 in membership. As we all understand membership growth is our first priority as Lions. I sincerely believe that we can and should finish this year with a substantial plus in membership. To facilitate such growth we are instituting our new District 13-B:

Invite 35 Membership Program.

We are asking every club to invite 35 prospective members to become Lions. Of course, we know that all 35 will not join, but we also know that about 12% of those who are asked to become Lions do actually join our clubs. If you do the math:

55 Clubs X 35 prospective members = 1925 prospective members asked

1925 prospective members X 12% = 231 new Lions

Couple this total with one new club of 25 members, and we have 256 new members for 2014 – 2015. If we keep our drops around 150 members (which is a reasonable and historically proved goal), we should see a substantial year of growth.

I rely on every Lions Club and Lion Member to assist with this program by seeing that your own club does *Invite 35*. Of course the easiest way to accomplish this is to hold one or two New Member Nights using **The Ohio Plan**.

Your District Officers and Zone Chairpersons have pledged individually to *Invite 35* by themselves individually. With the three officers and eight zone chairs that will be and additional 385 prospects with a potential for another 34 new members asked.

I am happy to report to you that as of the date of this report that I have invited eight potential members, and have received two applications for membership.

The DG Jeff's "Invite 35" Scorecard

The Lions Centennial Service Challenge

You Can Help Reach 100 Million People

For nearly 100 years, Lions have served their communities with dedication and contributed to the development and well being of millions of people around the world. As we look toward our centennial celebration in 2017, Lions are encouraged to help reach the Centennial Service Challenge goal of serving 100 million people by December 2017 through participation in the [Global Service Action Campaigns](#).

August – Engaging our Youth

October – Sharing the Vision

December/January – Relieving the Hunger

April – Protecting our Environment

You can help spread the word! Encourage your Lions club officers to report service activities through MyLCI, the online membership and activity reporting system. For more information, [visit MyLCI](#) and review our [Frequently Asked Questions](#) about service activity reporting.

Lions clubs that participate and report activities through My LCI's online service activity report will be awarded a special banner patch in recognition of their contribution to service.

Guidance on Number of People Served When It's Not So Clear

For some service activities, like cleaning up a stream bank, it might be difficult to estimate the number served. There is no right or wrong answer. To help your club list a reasonable number of people served in these cases -- the clean up of a stream bank or road side can be based on the number of people who visit every year, and projects of more permanent types (such as the construction of a park, playground or an ongoing community recycling program) can benefit the entire community, so list the population of the town.

There is no incorrect answer, but these guidelines can hopefully explain to the public just how much good Lions clubs provide.

To learn more about the Centennial Service Challenge and participate in this exciting initiative, read our [Centennial Service Challenge FAQs](#) or email us at programs@lionsclubs.org.

Reprinted from Lions Clubs International Website

Ist VDG Carolyn

It is hard for me to believe how fast this past year has gone. I enjoyed visiting the clubs in Region I and meeting Lions who provide services for their communities.

My goal for this year is to help Governor Jeff increase membership by holding membership events and retaining the members they have.

It is important to have meetings that help keep the interest of our members. Each member should be assigned to one or more committees. When they participate in club activities, they will feel needed.

I will be starting this year's club visitations at the end of August. I am looking forward to meeting our Lions in Region II and learning from them.

Ist VDG Carolyn Brook

Toronto Tale by Lion Joy

Lions International Convention—Toronto, 2014
Observations from District Governor Jeff's spouse: Joy Hillis

Jeff and I arrived at the Sheraton Hotel in downtown Toronto on Monday, June 30th for the district governor's training. We were some of the first Lions members to get there and when Jeff registered at the hotel desk, he told the clerk we were there for the Lions Club Convention. The clerk asked, "Oh, how many Lions are there?" Jeff answered, "About 1.35 million." The clerk swallowed hard and said, "They're not all coming to Toronto are they?" Jeff answered, "No, only about 28,000 of them. But about 1500 of them will be checking in here today for district governor training."

It was so amazing to have all the incoming district governors from all over the world in the same hotel. It was like an international airport except ever so much more because everyone was interacting with each other. Toronto is home to at least 200 different languages and that would be about the same for the lobby of the hotel when all the district governors arrived.

We didn't have any trouble finding the other nine governors from Ohio the next day and arranged to go out to dinner that evening. When we told the waiter what we were in Toronto for, he asked where else the conventions had been, thinking of other North American cities. He was surprised when we answered that Germany, Korea and Thailand were a few of them.

Pretty soon it was time for the incoming governors to get down to work in their classes. Everything was in the hotel so that was really convenient. Jeff's classes included people from India, South Carolina, Indiana, Malaysia and the Sultanate of Brunei. At lunchtime he was assigned to a table with governors from Japan, Nepal, New Zealand and Oklahoma.

While they were doing that some of the spouses decided to ride the "hop on, hop off" bus tours. We had our picture taken in front of the CN tower and toured a building where various artists were working, including one blowing glass. The next day we decided to hit another highlight—the shoe museum!!! We saw shoes throughout history including ones you'd wear if you wanted to stomp chestnuts, ones that were to die for—actually they had dye in them that could adversely affect your health—and others that might explode if conditions were just right. We also saw shoes that had belonged to movie stars and famous athletes.

After the governors had their three days of training, it was time to celebrate with a black tie dinner. The ladies donned their long dresses and heels and we all climbed onto buses to go to the dinner. We were in line with a couple from Hungary. (Memo to ladies—if you have to go down three sets of escalators, don't wear spike heels and a dress with any kind of train.) We sat with the 4 governors from South Carolina—they now know all about Cedar Point, Ohio. Our group was at the table closest to the podium where incoming International President Joe Preston and his wife entertained us with music.

In the elevators where usually everyone is so quiet, people were all asking others where they were from. We were in the elevators with people from Italy, France, Scotland and all over the U.S. A couple from Nebraska asked where in Ohio I was from and when I said Bucyrus, the man said he went to Wynford School (just outside Bucyrus) and his mother still lived in Bucyrus.

Then all the other Lions arrived and it was time for the Parade of Nations through the streets of Toronto. It's just amazing to see everyone going down the street dressed in their country's native garb, the bands in full uniform and our own Ohio group in their red shirts. Two native Toronto young ladies came out of the subway while the parade was going on. The look in their eyes was like Alice falling into the rabbit hole only they had come out of their usual subway stop expecting to see a few cars and pedestrians and instead the street was full of people parading in every kind of costume and also on-lookers and videographers crowding the sidewalk.

I sat in Starbucks and talked to a lady from Norway (far north of Oslo). I talked to so many people from New Zealand and Australia—they were really hard to understand, though. Jeff and I were in line in front of a man from Guyana and he was surprised that we knew where that was. I sat on the bus to the convention center with a lady from Taiwan who knew the English words "hello" and "thank you." We exchanged pins. The pin I gave her is taking a trip to Taiwan. Jeff and I had our pictures taken with a couple from Thailand. Those pictures are going back to Thailand—maybe we'll be in a Lions newsletter there.

The entertainment was lively and the plenary sessions were too. The flag ceremony was as impressive as ever when young people carrying the flags of all the countries in Lions entered the venue. The seminars were packed with people even standing in the hall to hear them. In the exhibit area, the young peace poster winner was signing his work and the winning photos were displayed. Ohio was honored to host the Mid-West Breakfast this year and many candidates came to talk to the group. After handing out campaign literature, Jeff went to vote along with about 17,000 other delegates. There were celebrations when the newly elected officers were announced.

Pretty soon it was time to remove the "elect" ribbon from Jeff's district governor's badge and head for home. I'd had my fill of poutine (a French-Canadian dish), I'd eaten a hamburger with pineapple/mango sauce and I was adept at using the Canadian coins "loonies" and "twonies." It was time to return to the States.

For more pictures of the convention, go to facebook.com/LCIcon or lionsclubs.org

Redistricting FAQ's

PDG Dave Luttrell, Chairperson of the M.D. 13 Constitution & By-Laws Committee, provided the following list of FAQ's concerning redistricting. Since District 13-B will not change in boundaries most of this information will not concern the clubs of our District. However; so that you will be aware of what is going forward with Ohio Lions, please take a moment to look these over. If you have any questions, our Constitution & By-Laws Chairperson PDG Dana Zody will address them during the transition period.

Jeff Hillis, District Governor 13B
July 1, 2014

Redistricting Frequently Asked Questions (FAQ)

(Written June 2014)

1. What are the names of the new districts?

The delegates at the May 2014 state convention approved the language setting the districts names as OH-1 through OH-7.

2. What is the impact to my club from redistricting?

Little or nothing must change for your club. Your club will do the same projects, support the same causes the club has chosen in the past, etc. as you have in the past. The club will now have many more opportunities to support more district and regional causes such as eye banks, camps, and so on. It is an exciting time to be a Lion!

3. What is the impact to me personally as a Lion from redistricting?

If your service focus is within your club and community, there are few or no changes anticipated for the individual Lion. District dues may change (possibly up, possibly down) as driven by the delegate's decisions on the new OH-x constitutions and bylaws.

4. How will any district money be handled in July 2016?

A proposal is being worked on by the MD13 Constitution and By-Laws Committee to prorate any district monies by each Lion. The prorated money would be transferred to the new OH-x districts.

5. Who gets elected for the new district structure starting July 2016?

In Spring 2016, a meeting will be held with Lions in each of the new districts. The delegates will elect a Governor, a First Vice Governor, a Second Vice Governor, a Building Trustee and a Finance and Long Range Planning Committee representative. In addition, depending on what the independent organizations (Ohio Lions Eye Research Foundation, Ohio Lions Foundation) do, there may be elections for representatives as well. Finally, the delegates will vote on a new OH-x constitution and bylaws

6. There will be 10 sitting First Vice Governors in 2015-2016 but only 7 Governor positions in 2016-2017. How will that be handled?

The Governors and Vice Governors of 13A, 13B, etc. will finish out their yearly term in these districts. For the new districts of OH-1, OH-2, etc., Lions will announce and run for these positions. In some cases, sitting 1st Vice Governors will run in a contested race for the Governor position of OH-x. In other cases, there will be voluntary orderings where one Lion will plan to defer and wait to run the next year. This may then cause contested races for the new OH-x First Vice Governor position or more voluntary deferrals. The same is true for the new OH-x Second Vice Governor position.

7. In Spring of 2017, we will have a sitting OH-x Governor, 1st Vice Governor, and 2nd Vice Governor. What will be the election procedure at that time?

For the 2017-2018 Lion year, the LCI Constitution and By-Laws and the district constitution in place at that time will direct who may and may not run. For example, if the 2016-2017 1st Vice Governor decides to run, he/she will run unopposed as directed by the LCI C&BL.

8. What happens for elections in the Spring of 2015 (for 2015-2016, the last year of the 10 districts)?

Elections will be held as normal. Lions running for 1st Vice Governor/2nd Vice Governor/state committee rep positions understand that there is no guarantee that they will be to return the following year without contested races or voluntary decisions to run in a future year.

9. Who develops the new district constitutions?

Governors are encouraged to put together ad Hoc "new district" transition committees to work out details, such as proposing district constitutions. In addition, the August 2014 Council of Governors will give consideration to a state-wide "transition resource committee".

10. What happens if LCI rejects the redistricting proposal?

The plan at this time is to have the MD13 (Ohio) redistricting plan on the October 2014 LCI Board agenda. This plan consists of the recently passed MD13 constitutional change, a membership plan, and a retention plan. We expect that this package will pass with no problems. If a problem were to occur, we would adjust our redistricting package for membership/retention for action by the LCI Board in October 2015.

11. What if the new OH-x district constitution doesn't pass at the Spring 2016 convention?

LCI provides each district with a constitution. If the newly proposed constitution and bylaws do not pass in Spring of 2016, the LCI provided constitution will take effect July 1 2016.

12. How do the new OH-x district cabinets get formed?

The incoming District Governor taking office in July 2016 will form his/her cabinet.

13. What about eye banks and other district/regional projects we support?

There are many opportunities to enhance support of eye banks as more Lions Clubs are in the district. Clearly, additional work will be needed in the upcoming months.

Past, Present and Future

Ashland Evening

The Ashland Evening Lions Club have enjoyed sponsoring a Tee Ball team this year. Their season ended on July 18. A number of club members were on hand to cheer the players on in their final game.

Afterwards they were treated to pizza and a drink. Each player was given a team picture. The Club also provided each player with a T-shirt with a large Lions' logo on the front and the Club name. Really not sure whether our members or the kids on the team had more fun!

Bascom

On June 17th, Bascom Lions inducted five new members: Daniel Brickner, Doug Meier, Gary Miller, Dexter Tiell, and Jason Walter. This brings the total of active members to thirty-eight.

The Installation of two 2014-2015 officers was conducted by PDG Sharon Parker

Bellville

The Board approved the "Flower Power Fund" raiser again. We sold plants and bulbs last year, earning fifty percent of all sales. This is an easy way to raise money for the club. If every member sold just \$20 of bulbs we would earn \$250.

The Bellville Lions Club is a great service organization with outstanding members. We're happy for the good times we have together and are proud of every member. The Bellville Lions certainly live up to the motto: "We Serve!"

Having a great club is the reason that the Board has endorsed a "membership goal" for the coming year. Simply stated, our goal is to add at least five new members by the end of June 2015. To accomplish this goal, we will have a membership drive and host a "New Member's Night." We can invite prospective members to see what we are all about. Lion Diana has graciously agreed to coordinate an effort to invite all businesses on Main Street to consider being involved.

On June 19 there was a cleaning party to clean the food trailer at Lions Bill and Carolyn Brook's home. The members did

a great job.

Three of the six students and their parents that were selected to receive the Good Program award attended our June meeting. The students were given a certificate, a gift card to McDonald and dinner with parents. Pictured are Jaylynn Freeman, Laiken Johnson and Aaron Farnsworth.

Clyde

The Clyde Lions met at Clyde Community Park for an August family picnic and evening of chat.

During the course of the evening we welcomed a new member, the mayor of the city, Scott Black.

The Zone Chairman, Jim Pickering, joined the group informing us of upcoming events and the recent International Convention of the Lions in Toronto.

As summer is winding down, thoughts are returning to various fund raisers and pro-

jects the Club is planning for the new year. Remember the Clyde Country Fair is September and Clyde Lions will be present at various times.

Colonel Crawford

The Colonel Crawford Club just celebrated their 42nd Charter Night, with forty-five members and guests attending.

1st VDG Carolyn Brook installed the new officers. Robert Moorman, from Tiro Lions Club then inducted four new members.

Projects for the year included :

- a check to aid to Bryson Cady family to assist in getting a leg brace for a child.
- a check to aid 14 yr old student with cancer at Col. Crawford.
- check to assist a needy family

Dr. Christine Fox also received a \$100 check to aid with the cost of her travels with other physicians as they screen people in third world countries.

Vision screening was conducted at the local Wm-Hannah Elementary school with fifty-eight students participating and six referrals. Sonny Barker and Joan Laughbaum from Crestline Lions Club assisted C.C in the screening process.

Don Striker & John Pfahler have collected and processed used eye glasses. So far this year 1100 pair have been collected and taken to Columbus.

The spring flower sales chaired by Dave Schwenning was a success. Crawford County has a "Let Me Grow" project. Margie and Carl Watt went shopping with a \$100 check for supplies for Crawford County's "Let Me Grow Project".

Vera Gwartz bought school supplies for C.C Elementary and took them to the teachers.

The Whetstone Alumni banquet was hosted by the C.C Lions at Wm-Hannah

Past, Present and Future

Colonel Crawford continued

Lions Dixie and Don Striker chairing the event.

This past week the Club members took tickets at the Crawford County Fair gates.

Don Arter, was presented the Melvin Jones Fellow Award for community service. He also received the Award for Lion of the Year.

A tree was planted at the Wm-Hannah school as a memorial for Dick Wilson. The Club continues to recognize a C.C Student of the month.

Lion Dixie Striker presented a \$395.00 check to Donna Leuthold for supplies for the Men's Homeless Shelter in Bucyrus.

The Bratwurst Festival will be the next big working project for the Col.Crawford Lions --see you in Bucyrus!

Elmore

The Elmore Lions are having another T J Willies Rib BBQ or Ole Zim's Chicken Dinner in Depot Park August 16th from 4:30 till sold out. We will have a drive thru for people that would rather eat at home. It will be at the Historical Barn in the Park We will be serving potato salad, drinks and dessert

We are planning to go on a two hour cruise on the Goodtime I out of Sandusky with Oak Harbor sometime in August. We have not set a date as yet.

At our latest meeting we had our installation of officers by Randy Kreager. Our new president will be Donald Bench.

Fremont

Fremont Lions will be hosting the District 13B Zone I Meeting on August 27th. It will be held at the Eagles. Social hour is at 6:00 and food will be served at 6:30.

We are parking cars at the Fair once again. A sign up sheet will be going

around soon. The is dates are Thursday, August. 21 to Sunday, August . 24.

Any help will be appreciated along with a really good attendance from our own members. We need an attendance of 50 .

Lorain

One of our recipients of glasses was a six month old baby, the youngest we have served.

The Elmwood Cemetery clean up went over well. Doug, Barry, Rich, and Mark along with a lady Rotarian and two volunteer city workers concentrated on the front. They fixed the two signs and the front wooded area by weeding, planting, mulching and painting the signs. Ken Kayle trimmed around the tombstones. Barry also goes back when needed to water the

plants.

Rich Foil cooked all the food for us on the grill.

Old Fort

The board voted to give up to a maximum of \$3,000 for Scholarships in the future

Lion Bill Biller has handed out calendar

materials and would like the workers to turn in their sheets and money to their captain by August 10th or earlier.

On August 5th Zone Chair Bob Swartzmiller is to induct new members Steve Anway and Pete Berry .

Ontario

The Ontario Lions participated in the Ontario 4th of July Festival by selling hotdogs and brats and building a float for the parade. The 501st Squadron made an ap-

pearance and walked the crowd to the delight of all Star Wars fans.

Please join us at the 2nd Annual Wal-Mart Car Show August 2nd and stop by our tent to buy a hotdog and say hello. The show starts at 10:00 am and will be in the Wal-Mart parking lot on Lexington Springmill Road in Ontario.

Plymouth

August is a busy month for the Plymouth

Lions. You will find us hard at work serving up Swiss steak sandwiches and corn on the cob at our food booth during the Silver King Festival.

Past, Present and Future

Plymouth continued

Members voted to make a donation to the Shelby Helpline for their building project, and to Echoing Hills to assist a local girl in attending camp.

Upcoming activities include participating in the Bratwurst Parade.

Republic

President Tom N called the July 28th meeting of the Republic Lions Club to order in the Town Hall at 8:00 p.m.

The club received a 2013-2014 Chevron from LCIF for our donation of \$1,000.00 to Lions Club International Foundation.

A thank you for the use of Club chairs was received from Dr. Miller.

Lion Scott M informed the Club that invoices for the Raffle tickets sponsors were mailed out.

Savannah

Savannah Lions will induct five new members into Lionism at the club's September 4 meeting. PCC/PDG Forest "Woody" Conrad will preside for the new member installation.

Savannah welcomes into the club, now in its 71st year, Kevin Hickey, Kris Hickey, John Motter, Heather Motter and Debbie Reidy.

For the third summer, Savannah Lions have provided a summer program for school aged children of the community. Lunches are provided and activities were scheduled. Chaired by Lion Judy Kocab and assisted by Lions Mary Edwards, Jim and Judy Bernhard, Kris Hickey, Bill Morgan and Dick Algeo, the Savannah Summer program has provided regular activities a couple of days each week in July.

Savannah Lions' Community Birthday Calendars were delivered to community members. A project now in its 56th year, the community calendars provide subscribers' birthdays, anniversaries, and local meeting times for residents. The project has been a fine way for members to get

out and visit with community members to share the work of Lionism both locally, in the area and worldwide.

Savannah Lions will be parking vehicles at the Ashland County Fair on September 14-20, 2014. This project is the club's largest venture, with members parking cars totaling over 600 man hours!

Savannah Lions traditional Pancake Breakfast's resume again this year. The first Saturday of each month, beginning in October, through April, Savannah Lions provide pancakes, sausage, biscuits and sausage gravy, French toast, and hot or cold drinks for a donation. Each breakfast is designated for a project; so bring your appetite, enjoy good food and fellowship as provided by the Savannah Lions Club!

Sycamore

Sycamore Lions and Mohawk Lioness will be manning the gates at the Seneca County Fair on July 27.

Sycamore Lions are looking forward to their picnic with the Mohawk Lioness on July 28 at Sycamore Park. Aug. 25 will be the next joint picnic with the Mohawk Lioness.

The Sycamore Lions will be discussing possible fundraisers at the picnics and planning for the new club year.

We will also be celebrating our 70th charter night in March 2015. Details will be worked out in the coming months.

Tiffin

Thirty-four Tiffin Lions manned the gates of the Seneca County fair on July 21st and working 158 man-hours.

Broom sales went well at the Farmers Market in downtown Tiffin.

2nd VDG Steve Cochie inducted our newest Lion Jodi Swanagan, sponsored by Lion Greg Swartz.

Lion Greg Swartz "pins" newest member
