VOLUME 1 ISSUE 12

JUNE 2016

To the Lions of District 13B

This is your District Governor Elect Steve with the news from around the District! First I would like to extend our deepest get well wishes for Governor Carolyn in her illness. She currently is still in the Mansfield Hospital and should be released in a few days. Get well soon Governor and our thoughts and prayers go out to you and Lion Bill.

The District is in good shape and we have 30 Days to complete the 2015-2016 Lion Year! We currently have a total of 1890 members which reflects a -34 for the year. This is a great number and Governor Carolyn has done an excellent job in promoting Membership and Retention. It is with great pleasure to announce the Colonel Crawford Lions Club has the most net gain for the year so far with a +6. This also contributes to Zone 5 with the most net gain at +8. Congratulations to Zone 5 Chair Dave Schwenning and all the Clubs in Zone 5!

The State Convention is now behind us and what a great weekend in Dublin. All the Resolutions passed and once again we our supporting PID Steve Sherer for his bid as our next International Vice President. Good luck Steve! The on-line auction raised over \$4,000 Chaired by PDG Bill Christianson. Our own 2<sup>nd</sup> Vice District Governor Greg Hess received the President's Leadership Award. Congrats Lion Greg! The food, fun, and fellowship was shared by all and the next State Convention will be at Kalahari in Sandusky. You won't want to miss this Convention.

As I travel around the District, I've seen and heard so many great things that our Lions are doing! Keep doing what you do, invite your community to your projects and fundraisers, and keep looking for those new faces. I am so proud of all that the District Clubs have accomplished and look forward to another great year in the new District OH-2!

See all of you soon!  
DGE Steve Cochie

# North American Membership Initiative

International Director Ed Farrington spoke about the new Membership Initiative that is being rolled out by Lions Clubs International at our District Convention. This is a process that encourages clubs to integrate their membership activities with service, and sets goals for every new member. Please preview the description below. As you go about seeking new members and retaining the members you have, these guidelines will be helpful to your Lions Club. It is a description of common sense ideas that every club should consider adopting.

## TALKING POINTS - Growing to Greater Service

### ☐ Lead through Service

Note the pressing needs:

- Low Vision, Blindness and Children's Vision Screening
- Illiteracy and Reading Promotion
- Diabetes
- Youth Development needs
- Hunger and Anti-Poverty
- Environment (E-recycling)
- 100 million people served by 2018 through the Centennial Service Challenge

### ☐ Invite for Impact

- Help serve 50 people in need annually through each new member
- Host a Membership Growth Event every six months
- Involve new members in hands-on service as soon as possible

### ☐ Connect with the Community

## NORTH AMERICA CLUB AND DISTRICT GOALS FOR 2015-18

- Each Lion has the opportunity to serve hands-on 4 times per year
- Each Club ends the year with membership growth of +1
- Each District charters a new club of 20+ members into 1 new community annually

## FREQUENTLY ASKED QUESTIONS

### How can my club engage members in our meetings and service projects?

First, you must determine what interests each member. Use the "Your Club, Your Way!" guide to survey your club.

### What is a Membership Growth Event?

A Membership Growth Event is an organized membership campaign which engages each member in the process of identifying prospective members, and hosting an informational meeting.

### Who can help me form a new club?

Start by requesting a New Club Extension Kit. It includes a step-by-step guide to assist with chartering a new club. Reach out to your Global Membership Team to receive help forming a new club via the New Club Consultant Workshop.

If you have influence and contacts in the proposed community, consider serving as the Guiding Lion for the new club.

### My club is small and has limited resources.

#### How can we afford to do four projects per year?

Partner with local organizations to double your resources and focus on "Highly Visible, High Impact, and Low Cost" projects. Some ideas include:

- Partnering with your local library to provide books and read to children living in homeless shelters
- Organizing a series of talks on aging and health at a local nursing home in partnership with local health care providers
- Organizing a "Community Clean Up Day" in partnership with your local park service

**Lions of Ohio: A great opportunity to live out our motto, "WE SERVE" has come your way.**

From January 20-27, 2017, a group of Lions from Ohio in conjunction with the Clayland Lions and Imagine Missions will be making a trip to Des Piños, Haiti. While there, we will visit the Loyal Oaks Community Chapel Orphanage; spend time with the children; get to know these wonderful young men and women; work on some service projects or one large project in the community and/or at the orphanage; and with some luck, we will be able to meet up with the Lions Club in Cabaret, Haiti.

This opportunity is being offered to the first 16 individuals to commit by paying an initial \$200 deposit by August 1, 2016. Yes, for those of you wondering, spouses are welcome, and no they don't have to be Lions members.

While on this trip, lodging as well as three meals a day will be provided. We will be within walking distance of the orphanage and get to experience not only another culture, but learn of the daily life challenges which face the Northern Hemisphere's most impoverished country.

As a team, our goal will be to complete one large project. A list has been established based upon the needs of the orphanage and there are several project opportunities that can be done to help the community as well. Together, we can look over and discuss possible projects based on available funds from your own clubs, personal donations, and fundraising.

Currently, roundtrip Airfare is approximately \$800 per person with room and board costing \$40 per day or \$280 for the seven day trip. (Please keep in mind, based on booking times our price with the airlines may change.)

**From 1<sup>st</sup> VDG Greg Hess :**

As you know, for the better part of a year now we've been trying to get legislation passed to protect our Lions club's members with the Volunteer Organization Protection Act introduced by Senator Mark Kirk. The primary purpose of the bill is to amend the Volunteer Protection Act of 1997 by protecting volunteer organizations from being held vicariously liable when the organization had nothing to do with an event that caused harm.

Please send this petition to all of the clubs within your respective districts and urge them to sign and return the petition as soon as possible either by mail or fax to Senator Rob Portman directly. His address is: **The Honorable Rob Portman, U.S.S. 448 Russell Senate Office Building Washington, DC 20510**
