VOLUME I ISSUE I

JULY, 2015

Dignity, Harmony, Humanity

Our new Lions International President Dr. Jitsuhiro Yamada's theme is Dignity, Harmony, and Humanity. He is using the "Origami Crane" as a symbol of honor, harmony, peace and loyalty. The "Origami Crane" is very important in Japan. The Japanese people believe that a person who makes 1000 origami cranes will have a long life and good wishes. President Yamada's message to us is to spread dignity, harmony and humanity through Lionism.

We can give dignity to children who are ill, hungry, live in poverty, are homeless, or illiterate. We can support and brighten a child's day in a hospital, or addressing the needs of hunger, and support literacy by continuing and expanding the Reading Action Program.

We need to reach out to other cultures within our districts, multiple districts and the world with service projects. We need to understand others to promote peace and harmony.

When we continue to do service projects, such as helping those in need of eye exams, eyeglasses, food drives, taking a senior to the doctor, but Lions are well aware of all we do is humanity to all. We need to continue to support LCIF's programs so we may not only do great things here at home but in world. This is what humanity is all about.

President Yamada is continuing "Ask 1". He is asking all of us to share our commitment and enthusiasm for Lions to our friends, families' members and to wear our Lions pin wherever we go.

I am sure all of District 13-B can support his program and will work hard to promote Lionism.

DG Carolyn

DG Carolyn

Bill and I had a very good time at the Lions International Convention.

I met many wonderful Lions from all over the world and found out that we all have the same problems.

The class I was in was very good and I learn some new things to help me as governor.

My theme is "Share the Vision." Melvin Jones had a vision on what he wanted Lions to become and he shared his vision. I want our District to share the vision with 15 people and we will grow our clubs and district. When people know what we are all about they are interested in seeing what we do.

I congratulate PCC/PDG Jeff for the a very successful year. It was an honor to serve with him. I learned many things from PCC/PDG Jeff that will help me lead.

Remember the District is yours and only you can make it a success. You proved it last year by working hard. I am looking forward to working with all of our clubs and am sure we will have fun working together.

**"DISTRICT 13B
LIONS...GO FOR
LAUNCH!!!"**

Hello Lions from District 13B! It's been a wonderful year of Lions service throughout the District and I'm proud of each and every one that has served. The final numbers came in with a plus 60 in membership. Great job IPDG Jeff!!! We are currently at 1,923 members in District 13B. Let's work together this year and push for 2000!

You probably noticed my title for this writing. I wanted to reflect back on my launch days and get the District launched

into the new Lion year. The Club Officers are installed, The Zone chairs are in place, and the District Officers are ready to launch us into 2015-2016! Let's keep the great work all of you have been doing going forward this year. I know we can work together for another growing year.

It's nice to remember all the great times we had last year and the wonderful accomplishments your clubs achieved. The numerous awards given throughout the District with scholarships going to new graduates, Attendance awards and the Melvin Jones Fellowship awards is just some examples of what great Lions we have in this great State of Ohio! I applaud all of you!

It's time to close for now, but I will be out and about in the District. Look forward in reading and seeing all the great plans you have for this year. This is your First Vice District Governor...

"READY AND GO FOR LAUNCH!!!"

See you soon,
1st VDG Steve Cochie
Lions of District 13-B,

IPDG Jeff

Thank you very much for your efforts on behalf of Lions Clubs International this past year.

2014-2015 was an excellent year for District 13-B, as of this writing it appears that we will finish the year with a substantial plus in membership (around a +63), and we have formed one new club.

You have donated over 59,000 hours of your time, and served 660,000 people. Congratulations!

I especially wish to congratulate District Governor Carolyn Brook, and send to her my wish for an exciting and successful year ahead.

Let's all gear – up to make 2015-2016 the best year on record!

Yours in Lionism,

P.C.C. Jeff Hillis

Immediate Past District Governor

The Final DG "Invite 35"

Scorecard:

Members Asked to date - 35

Members joined to date - 3

Congratulations 13 B!

Congratulations District 13B (soon to be OH-2) Lions on a net growth in membership of 60 Lions! The vision provided by PCC/PDG Jeff Hillis to "Invite 35", coupled with IPP Joe Preston's "Ask 1" provided the nudge that Lions across the District needed to promote Lionism within their respective communities in recruiting new members to serve! Again, Lions all: thanks on a job well done!

Given that the LCI symbol portrays the image of two Lion heads: one looking back, the other looking forward - so too, must we look forward into the new club year of 2015-2016!

Lions at the local level are encouraged to develop a list of prospective members, make personal contact with those individuals and share the Lions story with them and how Lions Clubs positively impact not only the local community, but also the projects related to sight, eye research, disaster relief, and more. To that end, your club is encouraged to set a goal (s) in the area of membership for the year!

In addition, all clubs in the district are asked to conduct a membership event during this club year. As Global Membership Team coordinator, our team would be interested in the unique membership opportunities taking place in District 13B- feel free to share your experiences with us; your club Presidents and Secretaries have our contact information...let us know how we can further assist you in reaching your club's membership goal for the coming year.

Finally, all Lions have value and purpose in your local Lions Club as well as in our District 13B Lions Family. Retention of our existing Lions is essential for our organization to enjoy the fun and camaraderie of Lionism, to serve on local projects and to be proud to be known as Lions-the worlds largest service organization

Ashland Evening

As part of the Ashland Bicentennial Celebration, the Railroad Committee arranged for the Lincoln Funeral Train to visit Ashland on May 18-19, 2015. After detailed planning and a considerable amount of readjustment due to Federal RR Administration rules, the display of Engine 63 Leviathan and tender and the replica of the Lincoln Funeral Car were unloaded at the Ashland County Fairgrounds on Friday and Saturday May 15-16. A call for volunteers went out to all Lions Clubs in the area to assist in the display set-up and crowd control. Many Ashland Evening Lions answered the call. The call.

2nd VP Lion Bill Snyder played the role of Engineer Bill throughout the two-day affair, providing historical programs to over 500 Ashland students and 50-60 home schooled students. He also was on hand to answer questions for the thousands of visitors who toured the train and set up a display of railroad memorabilia from the period.

The Ashland Evening Lions Food Trailer Committee sold hot dogs, chips and liquid refreshments to those who visited the train display.

Avon

On June 6 at precisely 8:00 a.m., the 23rd annual Lions Fishing Derby began at Northgate Park in Avon. The sun was shining, but the wind was blowing and the temperature hovered around 55 degrees. Within two minutes of the first worm-

baited hook hitting the water, a 6-inch bluegill was landed and entered into the contest for largest fish caught.

The Avon Lions stocked the pond with perch, bluegill, catfish, crappie and bass the week before the tournament. The contest was to see who could catch the largest fish of each of the species. Molly Carty, of Avon, caught a 20 inch carp that won her the top prize in the category. Molly is 4 years old and the fish was almost bigger than her. Mia Holztragev caught a whopping 8.25" bluegill that won her top prize in that category.

The event started in 1993 and has been carried on for most those years by Lion John Aunspaw and his wife, Donna. Aunspaw does everything from ordering the fish, soliciting prizes, arranging for the coffee, donuts, breakfast pizza, and stuffing worms into individual containers for the kids.

Aunspaw and his fellow Lions are responsible for the creation of Northgate Park and the Lions building at it. In 1991, developers were looking to buy the land and put up houses on it. The Lions got local businesses to donate materials, and they erected the present Lions Community Center. The city dedicated the building to the Lions and decided to save the land adjoining it as a park. Aunspaw joined the park board and he and several other Lions were responsible for many of the city's parks.

The final horn went off at 9:45 a.m. to signal the end of the derby. The winners of the largest fish-caught categories were given specially designed trophies and a prize from the fishing table. A raffle followed the largest fish competition. The grand prize of the use of the Crusher's loge was won by Michelle Laporte.

Everyone was a winner at this event because every child received a goodie bag filled with prizes and food from local merchants. Mayor Bryan Jensen summed up the event by saying "Thanks to the Lions, this is a great event for the kids." Great community event with over 175 children in attendance!

More than twenty Lion volunteers worked the fishing derby with assignments ranging from directing traffic to helping kids get the hook out of the fish's mouth. "This kind of event is what makes our town special," said Lions' President-elect Paul Johnson.

Bascom

For the 16th consecutive year, the Bascom Lions Club sponsored and managed the H-L Senior Awards Night banquet.

Three 4-year \$1000 scholarships were awarded. A local Lions committee selected three seniors based on grade point average, community service, citizenship, leadership, and an essay written on personal and career goals. Thanks to Al Crandall and his committee. Congratulations to this year's recipients: Alex Beleny, Trenton Burns, and Bryce Gorrell.

With parade weather shining down on Bascom, our 50th Memorial Parade on June 7, 2015 was a big success. Thanks to Jerry Swander and his committee for building one of the best "looking" floats in the parade. Jerry says, "Thanks to one and all who helped in making the float."

A note of thanks was received from Len Watson for the club furnishing him with a Lions's shirt designating him as one of three remaining living charter members. Len relinquished his reserved seat on the float to the first Lion or spectator who

who needed a ride.

Thirty-three Lions and spouses attended the June 16 meeting. The installation of officers and directors for the 6th Lion year, commencing July 1, 2015, took place. The installation was conducted by Bascom Lion and Zone 2 Chairman, Bob Swartzmiller.

Bellville

The club has increased its membership by six new members, meeting President Bill's goal of plus one.

Another of President Bill's goals was to have a new project which was met by our "Honor Flight Benefit." We were able to send \$840 to the Honor Flight of Columbus.

Our food trailer will be at the Band Stand on July 4th to serve those that attend the parade. We will be serving hot dogs, chips and pop, water and coffee.

President Bill, Kris and second vice president Edward Brook attended the Clear Fork Foundation June 11th to present our scholarship to Clear Fork High School Senior, Callie Fry.

The Low Vision Support Group is having an outing in August and is in need of drivers. Our club has been asked to drive some of the members to their outing. The Group is going to Put-in Bay for the day. Our new member Lion Joseph and Lion Carolyn have volunteered to drive. Anyone else interested in helping please contact Lion Carolyn.

Bucyrus

During June the Bucyrus Lions met at Camp Michael for a potluck and installation of officers by DG Jeff Hillis.

At the meeting the club voted to donate money to Camp Michael for the purchase of fire extinguishers. They also voted to donate money to the interactive tree learning adventure at Lowe-Volk Park as

well as contributing so that a young visually impaired boy could attend a horseback riding camp for youth's with vision problems.

Earlier they agreed by e-mail to purchase smoke detectors for homes of new mothers involved with Grow With Me.

PDG Terry and Lion Linda Spiegel are attending the Lions International Convention in Hawaii.

Castalia

I wish to thank Past District Governor Horst Herzog for conducting the Installation of Officers at our recent banquet at Cold Creek Café.

Thanks to all that worked or participated in the Golf Scramble. We had 33 teams sign up this year. Hole #10 (Hole In One Challenge) saw 85 golfers donate a \$5.00 fee each for the chance to collect prize money and electronics. Golfing was complete shortly after noon with the Ed Culen Team taking first place at -12 under par. The steak dinner was excellent and much enjoyed by all.

The Ohio Bike Week Beer Booth in Downtown Sandusky was a good project thanks to Lions Jack Coffman and Tim Riesterer, along with all the workers that showed up to man the booth.

The Castalia Lions Scholarship winners for 2015 were Rebecca (Gabby) Keller and Tobias (Toby) Miller of Margaretta High School.

The board approved one eyeglass case.

July 17th -19th is the Cold Creek Celebration,

Clyde

Another club year is behind the Clyde Lions. We show an increase of five new members during the past club year.
