## Ohio Lions District 13-B

VOLUME I ISSUE 5

NOVEMBER 2015

### Leadership

Leadership is very important for the continued success of our clubs. All leaders start out as Lion members of a club. Each club should have a Leadership Development Committee. This committee can set leadership goals, and a plan to complete the goals. I am encouraging the clubs in our District to set up a Leadership Development Committee. District 13 B has Global Leadership Team members who are willing to help clubs.

The dictionary defines leadership as “a person or thing that leads; guiding head.” I know that we have many Lions in our District that would be good leaders.

We should tell our prospective members that there are opportunities for them to become a leader in Lions as a member of the world's largest organization. LCI has many courses on leadership such as; Effective Teams, Member Motivation, Conflict Resolution, Managing Change, Setting Goals, and Public Speaking. These are a few of the courses Lions can take online.

Our District has a great Leadership Training in May each year that is well attended. And the past three years, there has been a Regional Lions Leadership Institute, which many of our members attended.

I am asking all members to think about becoming a leader in your club, your zone and in your district.

Governor Carolyn

## DG Carolyn

The month of October has been very busy for me. I have visited twelve clubs this month.

With great regret Nova Lions have closed. After I met with the Nova Lions they decided they wanted to close the club. Four of the five club members are in their late eighties and they did not want to try a membership event. This is not the outcome I was hoping for.

In November, I will be visiting the following clubs: Mohawk Lioness, North Ridgeville, Bellevue, Vermillion, and Bucyrus.

Lion Bill and I wish everyone a Happy Thanksgiving.

## 1st VDG Steve

Hello Lions of 13B! Well it's been a busy Month of October and the year is going by fast. The Tiffin Lions Club has kept me busy with a super service project for our local community. We have completed the Morrison House deck project and it has turned out to be better than the original design. The residents are excited to be able to use the back yard again and it's now safe for the children to occupy this area! A total of 7 Lions and one resident guest worked to accomplish this project before winter sets in. A total of 552 service hours went into finishing this project. A plaque will be attached at a later date to dedicate this project to the late Past President Lion Pastor Terry Jones.

Some might question what this has to do with the District, and I wanted to take this opportunity to say that I'm still a Lion at the Club level whenever I can support them. Service Projects are the most important part of being a Lion. It not only helps people who need it, but also shows the community we are active and happy to

give our time! Just maybe someone will see the message and want to join us!

I have traveled about the District with my visitations and all the Lions are working hard. I'm impressed with all the time you as Lions are giving to the Communities. Keep going and don't stop! See you soon!

Vice Governor Steve Cochie

## 2nd VDG Greg

Lions of 13B ITS FUN TO BE A LION! ITS GREAT TO BE A LION!

Visitations are going well I have now visited 16 clubs so far with Zone visits to 1,2,3 and 4 either just done or upcoming.

I go to the second round of Council of governors on November 7<sup>th</sup>. As a 2nd VDG, I'm not allowed to speak so those of you who know me know how easy that is for me!

So far this year has been a good education for me in regards to learning more about our clubs and meeting the wide spectrum of people dedicated to service in 13B. We have people from all backgrounds all working together towards the betterment of our villages, burgs, cities and communities blending into something OUTSTANDING. Keep up the good work 13B!!!

As some of you are aware, we are GOING to update our vision screening equipment from the Sure Shot to the Plus Optix machines. The biggest advantage of this switch is EASE OF USE 1) Not as touchy on distance 2) Much shorter read time 3) Does both eyes at once as well as several other advantages, less false positives etc.

We are asking each club to please consider a donation of \$250 or more, we also hope to have a matching grant with a goal to purchase four machines. Every club meeting the \$250 donation goal will get a Special Vision Patch---PERSONAL DONATIONS will also be accepted. I would love to see 100% participation on this project. If \$250 is too much, send what you can or at least pass the hat and send a few dollars, it all adds up! My

SION PROBLEMS by screening pre-school age children. We are knights of the blind !!! Let us accept the challenge.

Thank You for the opportunity to serve--  
GREG Hess

## Convention Request

Fellow Lions,

Although convention is several months away, April 15, 16, & 17 to be exact, I am already working with Governor Carolyn as we prepare to celebrate all the accomplishments you and your clubs will have had by then.

Part of our plans includes a Power Point slide show of your clubs activities during the banquet meals. I am asking all of you to keep this in mind as you go through the year and please take some pictures of your Lions in action. Later in the year I will ask you to send those pictures to me, preferably in a digital format.

We are planning an exciting convention and hope you will plan to attend. I will continue to provide more updates and information on what you will have the opportunity to participate in this coming April.

Convention Chair, Kenny Schuck

The District pricing to clubs and colors available are the same as last year: 6-1/2" poinsettias are \$8.50 and 8-1/2" poinsettias are \$16.50. Pinehaven Greenhouse is our supplier with pick ups available beginning November 30. Deliveries can be arranged for larger club orders. Club order forms and complete details will be sent out before the end of October and full information will be in the November newsletter.

Proceeds fund a number of district projects and we encourage clubs to be involved.

I am asking for your help in getting the message out to the Governors on your Council about the 2017 International Convention that will be held in Chicago, Illinois. I have attached our volunteer form that I am asking that you forward on to the Governors so they in turn can send it out to their districts.

I am Council Chairman Steve Anton from District I-A in Multiple District I, Illinois. I have been appointed the Volunteer Chairman for the 100th Lions Clubs International Convention. The host committee has already been hard at work for two years planning this convention and now is the time to start to recruit our volunteers.

With your help in sending out the attached flier I can add the volunteers name and position to our list. I will in turn begin contacting them with information about the convention and the part that they will play. Lions Clubs International is expecting in excess of 40,000 Lions in attendance. The committee feels that we will need somewhere close to 2,000 volunteers. As you can tell we need the help of every Lion that can give a few precious hours of their time. Won't you please be on the front line for me and send this flier to your council so that they in turn can send it to their district.

Thank you for your help with this task and I am looking forward to meeting you as Chicago and the World comes to "Celebrate 100 Years of Service".

## CENTENNIAL MEMBERSHIP AWARDS

LCI's three fiscal year (2015-16, 2016-17, 2017-18) Centennial Celebration includes special centennial membership awards for members and for clubs.

### CENTENNIAL MEMBERSHIP AWARDS FOR MEMBERS

**Sponsor** a new member. Be immediately recognized as a **Centennial Sponsor** and receive a *Limited Edition* pin and certificate. Your new Lion will receive a special Centennial member pin rather than the one usually given to new members.

Earn the **Silver Centennial Lion** award when your new member remains in good standing for 1 year and a day. Silver Centennial Lions will be recognized by a *Limited Edition* Silver Centennial pin and certificate, and by having your name featured on the LCI Centennial website.

It gets better! Earn the **Gold Centennial Lion** award once your new member remains in good standing for 2 years and a day. In addition to previous recognition, you will be recognized by a *Limited Edition* Gold Centennial pin and certificate, and with recognition at area forums and district conventions.

AND, when your new member remains active for 3 years and a day, you earn the **Diamond Centennial Lion** award. In addition to previous recognition, you will receive a *Limited Edition* Diamond Centennial pin and certificate, featured with fellow achievers in LION Magazine, photo on LCI Centennial website, and recognition at LCI's International Convention and area forums and district conventions.

The same award progression happens if you help to organize a new club.

### CENTENNIAL MEMBERSHIP AWARDS FOR CLUBS

Clubs can become **Premier Centennial Lions Clubs** either by:

- Inducting at least 3 new members during one of the 3 fiscal years of the Centennial Celebration and having those members remain active for 2 years and a day - OR
- Sponsoring a new Lions club during any one of the 3 fiscal years with that club remaining active and in good standing for 2 years and a day

Premier Centennial Lions Clubs will be recognized with:

- A *Limited Edition* banner patch
- Club name on the LCI Centennial website
- Recognition at International convention, area forums and district conventions

Should your club induct at least 3 new members in each of the 3 fiscal years of the Centennial Celebration with those new members remaining active throughout the Centennial Celebration,

-- AND -- Sponsor a new club during one of the 3 fiscal years with that club remaining active and in good standing for at least a year and a day, --THEN --your club becomes a **World Class Centennial Lions Club** and will be honored accordingly.

## ***District 13B Lions, Lioness & Leos***

## 2015 District 13-B Poinsettia Sale Information:

To receive Lion's pricing, ALL orders must be placed through a Lions, Lioness, or Leo Club. A club may place several orders designating different pick up dates. Forward orders either by mail or email to Lion Ann Miller. She will forward copies to Pinehaven Garden Center and to CT Dave Omlor. Place all orders by December 4 to allow Pinehaven to set aside sufficient flowers to fill all of our requests.

To prevent delivery mix-ups, Club must take an order copy when making the flower pick-up, or, the order cannot be filled until someone from the club emails one. Lion Ann Miller should also be able to forward information in an emergency.

No money is needed when flowers are picked up as no money is to be paid directly to Pinehaven who will bill the District for total sales. CT Dave will have a copy of all club orders. Club checks should be made out to DISTRICT 13B POINSETTIA SALE. Either forward check to Lion Ann when sending her your club order – or if paying after delivery, send check with a copy of the club order to CT Dave. Lion Ann will coordinate all club orders with Pinehaven and will forward all checks received to CT Dave.

Clubs are expected to forward to District 13B \$8.50 for each 6-1/2" poinsettia sold and \$16.50 for each 8-1/2" poinsettia sold. This money goes into the Poinsettia Sale Account from which a number of District projects and activities are funded.

Clubs may begin scheduling flower pick-ups beginning November 30. Bridget at Pinehaven will have a copy of your club order and your club needs to coordinate the pick-up time with her. If your club is making several pick-ups, you will need to have a completed order form for each pick-up. It is too confusing for everyone to attempt to pick up "split" orders.

Pinehaven is willing to schedule a delivery to your club if your order totals a minimum of \$250. Delivery cost is extra and this money IS the direct responsibility of the club to Pinehaven Garden Center and should be paid with the delivery.

If your club is also using this poinsettia sale as a fund raising activity, you may want to create your own order form using the pricing you have established.

## Ashland Noon

After an enjoyable October schedule of speakers, it's rose sale time for the Ashland Noon Club. As our only fund raiser, we rely on the proceeds to fund all of our projects this year.

We are offering a dozen long stem boxed roses delivered November 20th for \$19.00. Contact any Noon Lion member to order, or email [fgott@ashlandscales.com](mailto:fgott@ashlandscales.com) and a member will contact you.

November speaker topics include astronomy, the Shriner Hospital, and Ashland ACCESS. All Lions and guests are welcome to join us for lunch and fellowship Thursdays at noon.

## Ashland Evening

The final roadside clean-up for 2015 was held on October 6. Eight Lions picked up 13 bags of trash. Lion Ron Hofer found a \$5 bill along the road. The money was turned into the Club treasurer. Thanks to all the Lions who helped.

## Bascom

On October 6th twenty-two Lions and visitors enjoyed a "great" beef stew dinner. The ladies of the church had a challenge keeping the bowls filled.

Tim Heiserman, born and raised in the Bascom - Amsden area and now living in Tiffin was the speaker. Representing himself as an International maintenance consultant, his message centered on "Preventative Maintenance" - the how and why companies plan and schedule this important phase of their work day.

The speaker's job allows him to travel to many different countries around the world. He spoke briefly on some of the various places that his job has taken him to.

Lion President Duane King presented Immediate Past President Dave Dundore with a gift from the Lions International sent to all Immediate Past Presidents. Af-

ter much unwrapping, Dave was able to find his gift, a new pair of shoes. Lions

Lions International believes that Past Presidents had taken so many steps during their year as President that they wore out a pair of shoes. So they were sending all Past Presidents a new pair of shoes!

## Bucyrus

Tuesday, Nov. 17<sup>th</sup> is the date for the "Together Tuesdays" at Crossroads Candle Factory (gift shop) and Cooper's Mill Apple Butter and Jellies (also other food and OSU items). People presenting the coupon at the time of purchase will allow the club to make 10% on the sale. See coupon in newsletter for location of the stores.

The Bucyrus Lions have had a very busy fall season. It started off with the most successful quarter auction that they have had yet. Christi Crall was in charge of organizing and getting vendors for this event. Debbi Gifford was in charge of the food for the supper preceding the auction. Sean Leuthold was again the auctioneer. Most of the members were involved in getting donations from businesses and working on the night of the auction.

Linda Spiegel and Cheryl Luidhardt were in charge of the Bucyrus "Trick and See" station at the Linda Friend Memorial Spooktacular event which is named after a deceased member. This was held at Aumiller Park with children taking hayrides, decorating pumpkins and visiting candy stations. The Bucyrus Club held a drawing for a boy's bicycle and a girl's bicycle after giving out candy. PDG Terry

and Linda Spiegel and Joy Hillis manned the station.

PCC Jeff and Joy Hillis and PDG Terry and Linda Spiegel judged about 20 Peace Posters at Bucyrus Middle School, choosing 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place winners. On Oct. 27<sup>th</sup> there was a reception for participants, their parents and Bucyrus Lions Club members. Members Ray Fankhauser, Cheryl Luidhart, Linda Spiegel and Christina Fox attended. District Cultural Activities Chair Joy Hillis made the presentations.

Now the club is preparing for the upcoming chicken dinner drive-thru on Nov. 10<sup>th</sup>. Christi Crall prepared tickets and Debbi Gifford and Cheryl Luidhardt are making arrangements and all members are selling tickets and will be working the night of the event. Pre-sale tickets are available until Nov. 3<sup>rd</sup>.

## Castalia

The first meeting in October was the pig roast, which is very popular with the membership. We had one guest, Lion Dan Rohrbacher from the Lorain Lions Club.

The Castalia Lions Student of the Month for September was Kathy Bath and for October it was Jacob Lehrer as reported by Lion Gene.

The Castalia Lions Halloween Parade and Party was held October 28 for the kids of our community. The hayride portion of the event had to be cancelled due to threatening weather conditions. We had over 200 children show for the evening of costumes, candy, cider, and donuts. I'm sure the kids enjoyed the result of all your
