To the Lions of District 13 OH 2

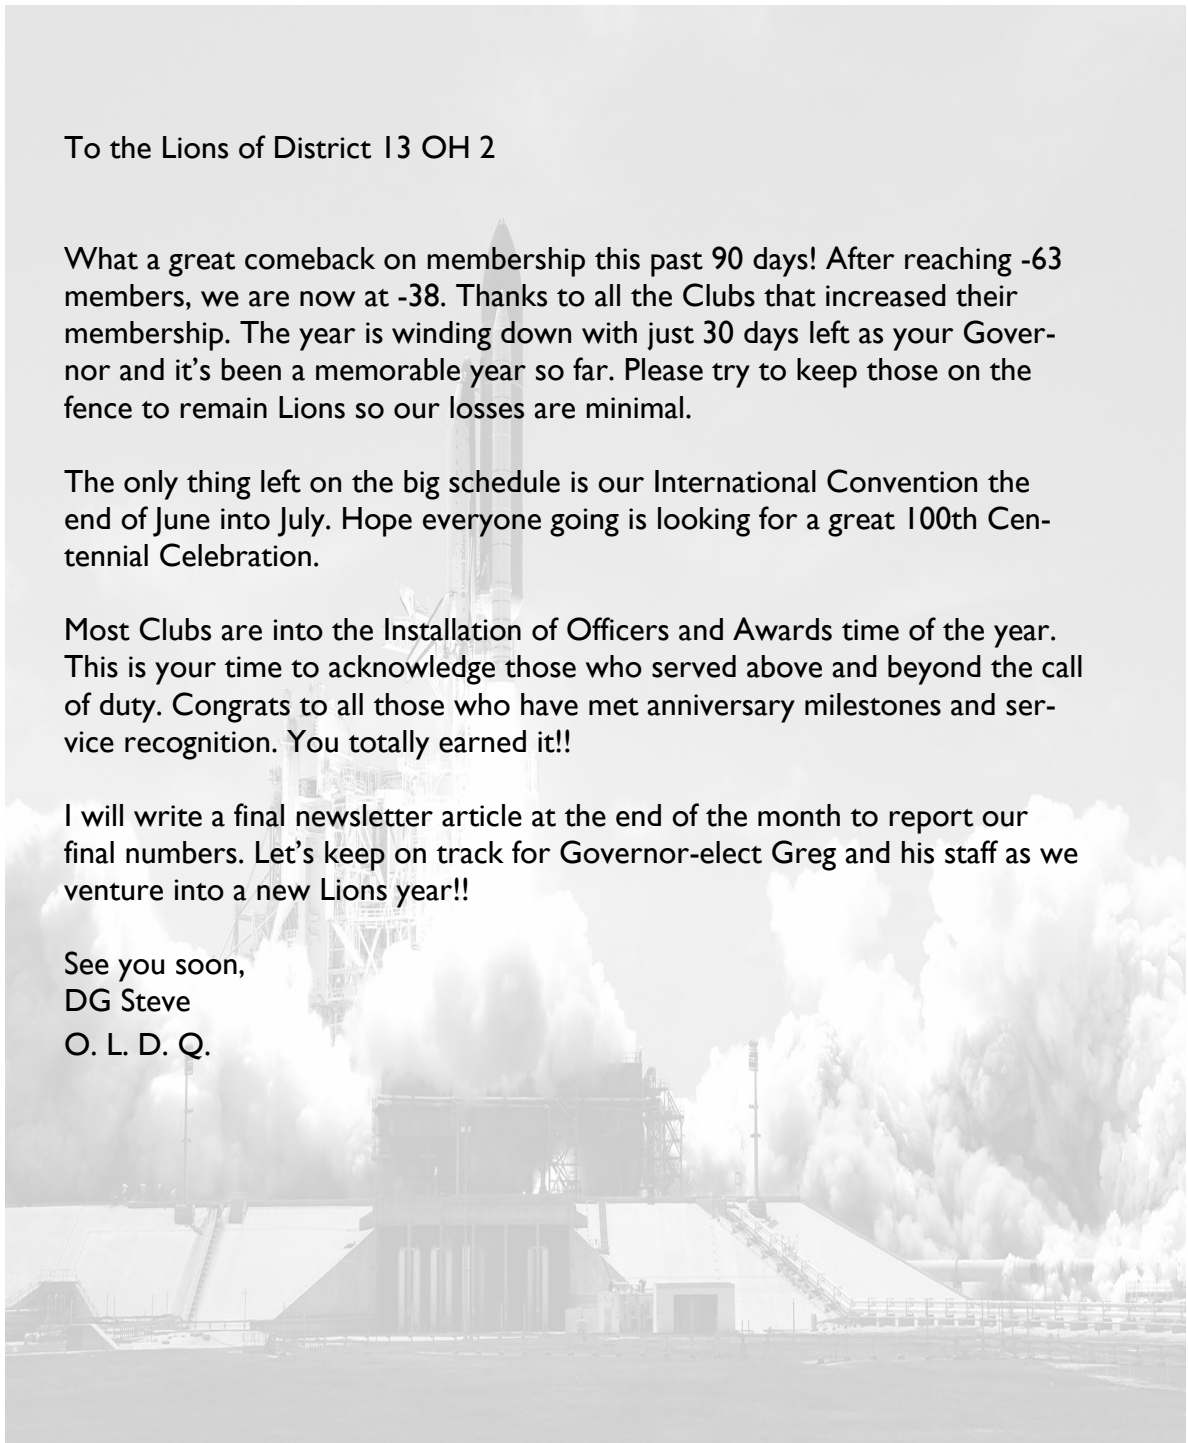

What a great comeback on membership this past 90 days! After reaching -63 members, we are now at -38. Thanks to all the Clubs that increased their membership. The year is winding down with just 30 days left as your Governor and it's been a memorable year so far. Please try to keep those on the fence to remain Lions so our losses are minimal.

The only thing left on the big schedule is our International Convention the end of June into July. Hope everyone going is looking for a great 100th Centennial Celebration.

Most Clubs are into the Installation of Officers and Awards time of the year. This is your time to acknowledge those who served above and beyond the call of duty. Congrats to all those who have met anniversary milestones and service recognition. You totally earned it!!

I will write a final newsletter article at the end of the month to report our final numbers. Let's keep on track for Governor-elect Greg and his staff as we venture into a new Lions year!!

See you soon,
DG Steve

It's GREAT to be a Lion it's FUN to be a Lion

It's truly amazing how fast time goes as another Lions Year is about to draw to a close. A few things to remember: First and foremost, this is a time of year to really work on retention.

As we get ready to go into our summer break, do you have any members you have not seen in awhile??

Do you have any new members who still are not sure "what Lions is about?"

NOW is the time to spend a few minutes having a conversation with those persons. Helping others thru service and the friends we make are a few of the best things about Lions. SHARE the joy.

My wife and I are currently working on our final plans for the International convention in Chicago.

We feel truly blessed that "our year" is in a place where we can have a large number of people from our district at International Convention. We look forward to spending quality time with members of our district as well as many other Ohio Lion friends we have made and some new friends I'm sure we will make while there.

In next month's newsletter we will detail more of what our goals are for the upcoming Lions year as well as how we hope to get there.

1st VDGE Keith

Greetings—welcome to June and gearing up for another terrific Lions Year! The State Convention held at Kalahari was well-attended and included memorable meetings and events, including, of course, the celebration of 100 years of Lionism! Helen Keller and Melvin Jones reenactments were excellent; congratulations to all participants and all attendees. Also, a big "thank you" to the State Convention Lions Committee and all Lions who made the event possible!

The District 13 OH2 Leadership Training held in Ashland at Trinity Lutheran Church May 6, 2017 proved successful and well-attended as well. We had a great turn-out and left with new ideas for our clubs. Thanks to the OH2 Lions Clubs for encouraging their members to be there. Thanks, too, to Lion Ann Miller and her team who again made the event a great success. Well done!

As the Lions year 2017 nears an end, look ahead: to new membership, to club activities, to the Chicago International Convention, to the US/Canada Forum—the list goes on. Thanks again to out-going District Governor Steve Cochie and his officers for leadership and accomplishments for the year, and a big welcome to incoming District Governor Greg Hess and his officers as they begin their year July 1. For future reference, I will be attending the Super Weekend June 2-4 at Salt Fork State Park; in addition, I will be traveling parts of the rest of the summer. I hope you received a copy of my 2017-2018 Club Visitation Schedule. If you note changes I/we need to make, do not hesitate to contact me. My cell phone # is 419-685-1113; my email address is kaufmankeith151@yahoo.com. Stay in touch...it's great to be a Lion!!

putting on a successful convention, and they did a great job. This year, for the first time, my wife and I attended the entire weekend of the MD13 Convention. What an enjoyable time we had, not only with the special Saturday events at Cedar Point, but also meeting fellow Lions from around the state as well as from outside of Ohio. I would encourage any Lion that enjoys socializing with fellow Lions and gaining ideas that can be taken back to your own club, consider attending next year's state convention.

In May, I had the opportunity to assist in the district officer training school. During our discussion, we talked about some of the opportunities available for individuals to gain knowledge on motivation, teamwork, and leadership, three topics important not only in our Lions activities but also in our daily lives. One outstanding resource that we did not discuss, as we were out of time, is the LCI website. This site has many informative online learning opportunities for bettering ourselves and our clubs. Another newer web based training is lionsuniversity.org, this learning program is put together by the USA/Canada Leadership Forum. It has a lengthy list of potential course work and like the LCI website is a learn at your own pace program.

For any of you that truly wish to better your leadership and team working skills, this fall (not confirmed yet but I believe October 20-22) MD13 will again be holding a Regional Lions Leadership Institute. This is a classroom based program taught by outstanding individuals from around the state. There are three levels to this program and I have been fortunate to have attended two of them. Space is limited and the minimal cost is well worth it for what you gain in this weekend. If you are interested in attending RLLI please contact Lion Ann Miller or myself and we will get you more information, but please do not delay.

I look forward to this upcoming year of working with Governor Greg, 1st VDGE Keith, and with all of you to make this year an outstanding one for all the clubs and members in this district. The most vulnerable members of our society need someone to lend them a helping hand in the times of their greatest need. Our

2nd VDGE Kenny

I cannot believe there is still a month to go before I officially become 2nd VDGE, what an exciting couple of months since District Convention it has been. I first would like to congratulate Governor Steve on a fabulous year. He and his crew also did a wonderful job with Convention, I know all too well the challenging task of

Next month, things become clearer with 2020 VISION!

Another Successful OH-2 Leadership Training Day

The Global Leadership Team along with lots of help welcomed about 200 OH-2 Incoming Officers of district Lions and Lioness Clubs and other interested members to our annual leadership training day at Trinity Lutheran Church in Ashland on Saturday, May 6.

As something new, we offered a chance to do hands-on training using the new Plus Optix vision screening equipment. PDG Sonny Barker and Lion Sandy Best put this together. An added pressure for the day was an actual screening opportunity at the local fairgrounds. PDG Sonny did our keynote presentation and then spearheaded that event, while Lion Sandy handled the school session. Thank you to both for a job well done.

We also owe a big thank you to session presenters: Presidents/Vice Presidents by 2nd VDG Elect Ken Schuck and Zone 8 Chair JJ Biddinger; Secretaries by current CS PDG Myron Amstutz, Incoming CS Bill Harner and PDG Ron Lutz; Treasurers by current CT Dave Omlor and Incoming CT Mike Kelly; Membership Chairs by District GMT Kevin Reidy with help from IPDG Carolyn Brook; Public Relations and Social Media by Assistant Zone 2 Chair Connie Cole and Zone 4 Chair Kerry Parker; and Tail Twisters by perennial favorite Lion Lottie Larue.

The club has donated books to places where children might be waiting for their parents. Many books were donated to drug recovery homes for parents to share with their children when the children come to visit. More than 400 books are being distributed.

Hayesville

The Hayesville Lions Club met May 18 at the Hayesville United Methodist Church for dinner. Afterwards, the club went to the Vermillion Institute for a tour of the beautifully renovated building.

Steve McQuillin, owner, said the Vermillion Institute was built in 1843 and received the state charter in 1845. It was affiliated with the Presbyterian Church and originally was designed for a college. These plans were greatly impacted by the Civil War. The old building had a chapel and dormitories for men and women in a building with no plumbing. Records were sent to Wooster but a fire destroyed the records. Wooster gave the Institute back to Hayesville and it became the Hayesville High School until 1927. Photos were displayed showing what the original building looked like before it was restored.
