Lions of 13 OH 2

It's Great to be a Lion It's Fun to be a Lion. It's hard to believe how fast my first month as Governor has gone!! It is confirmed that our district convention speaker will be Pat Vannett, a newly elected International Director from North Dakota. She is a very accomplished Lion and a good speaker. I'm very happy with this selection. We met her during the International parade in Chicago. She and her husband, who is also a PDG are very nice people.

In July, clubs visited were Bloomville, Avon, North Fairfield, Castalia, Port Clinton, Lindsay, La-Grange and Attica. In August, I get to see Bascom Aug 3, Elryia Aug 7, Gibsonburg Aug 15, Fostoria Aug 17, Tiffin Aug 21, Milan Aug 22, Upper Sandusky Aug 23, Elmore Aug 24, Republic Aug 28, and Fremont Aug 29

Once again, I want to mention our districts 2020 goal of being 20/20 by 2020:

Part 1 Increasing the number of our clubs doing OR helping with vision screenings to 50% we are currently about 25%. Contact either Sonny Barker (Sight and Hearing chairman) or myself and we are happy to give you more information

Part 2 Increasing membership to 2020 by 2020. This goal boils down to asking our clubs to be plus 1 for 3 years. There is not a club in our district that cannot accomplish this!!! Some clubs may need our help but that's why we have GMT and GLT. It will take a concentrated effort but we are asking everyone to get behind this effort!!! My wife and I are donating a sign board with membership applications and flyers to each club to help with those efforts. I am distributing them as I do my club visits with the balance to be given out at the first round of Zone meetings. I Urge that each club use these at all public functions.

Realistically we will also need to charter at least 2 clubs over the next 3 years, this year's targets are a University Club in Ashland, Put in Bay and Mansfield. If anyone knows Ashland students or prospective members in these areas please share that info with me. YES, relatives are prospective members. REMEMBER, your club can win a Jim Coffey award to be presented to the person of your club's choice in our membership contest., this award will be presented BY Jim Coffey at our district convention. YES, any club can win this award and its weighted to be fair to all clubs regardless of size.

Please consider signing up for our districts STEPS race/walk to benefit pediatric cancer. You can sign up at getmeregisteredstepsoliolionswalkash You can register to be a virtual runner if you wish or just make a donation. There is still time to sign up for the district golf outing Aug 27th. Contact Hayesville Lion Bill Harner or myself if you are interested.

Thank you to all Lions reading this for the service that you do in our communities. NOW is the time to set your goals and plans to make this year great, set them high and let's reach them together. Don't be afraid to try new things and STAY POSITIVE

Yours in service DG Greg

Henry Ford once said "Whether you think you can or whether you think you can't, you're right". We are all aware that attitude is a major factor in success or failure throughout our lives. It plays a part in how other people respond to us in our social, family, and business endeavors. Most people will attempt to avoid those who choose to have a negative attitude. I say "choose" because our attitude is a choice, I am not saying it is easy to have a positive attitude or even possible to have it all the time, but we do make the decision. A positive attitude requires a daily effort on our part to maintain. There are many options for helping maintain a positive attitude such as books, tapes, and pod casts to name a couple.

Our attitude can have a dramatic effect on the success and viability of our Lions Clubs. A single negative person can cause a club to become non-functional, new members and even established ones can be turned off to participating in activities if the negativity is high. People who have their ideas shot down out of hand are likely to not continue their efforts for long. Often times a negative person does not even realize that they are having a detrimental effect on those people that they interact with and often they may not perceive themselves as even being negative. It is important, for our own good, that we take time occasionally to analyze our own attitude with an open mind and take corrective action if necessary.

"YOUR ATTITUDE, NOT YOUR APATHY, WILL DETERMINE YOUR ALTITUDE." ZIG ZIGLAR

Another attitude that I believe is having a great effect on some of our Clubs, is one of apathy, an overall lack of enthusiasm and energy is draining our Clubs of the opportunity for success. I believe the cause of this apathy varies between clubs but is very detrimental no matter the cause. In some cases, negativity has drained the desire of members to remain involved. Often it is not even true negativity, but a lack of willingness to change on the part of some that causes other individuals to become disenchanted. This is no longer 1950, or 1975 or even 2000; ideas, views and family environments have

changed greatly in even the last couple of decades.

We must remember to maintain an open mindedness as we work with newer members to layout the programs of our clubs if we are to be successful in the future. Don't let past successes or failures cloud our vision of what is working now. Sometimes what worked or didn't work in the past may no longer holds true in today's environment, and we must be willing to accept that.

Apathy can also be caused simply by a lack of energy. Many of our members have for years worked hard to establish the activities that are now the basis for our club's programs. It is understandable that after cooking pancakes every month for the last twenty years someone may desire not to participate anymore or maybe with age it has become difficult to participate in some activities as they once did. What is important is that these individuals don't just step back, but make sure there is a replacement for themselves. The future success of the club is a part of their own legacy. Older members have a responsibility not only to the club but also themselves to ensure they leave their club with adequate support so that the the programs they spent so much time establishing are able to continue. Years of establishing and maintaining a local Lions park will not mean much if the club dissolves and it becomes the Kiwanis park. If you don't help ensure the future of your club who will continue the work you found important enough to dedicate so many years to. Also important when stepping back in your roles within your club, is that you do not hinder those who are carrying on the effort. Be sure to give them any support you can.

There is an increasing need in our communities. Our communities increasingly need Lions. Our attitude can have a major effect on our clubs success and the impact it has on our communities. The ability to say "We Serve" depends greatly on our attitude. Let us make the effort to bring a positive attitude to our clubs so that we can bring a positive change to those who need it.

kennyschuck@gmail.com

I enjoy being part of Lions Clubs and hope you can say the same. We have made so many great friends, memories and stories from our Lions Years. We can only hope that the tradition carries on to our children and grandchildren for generations to come.

Eugene and Virginia Hess Hess (Greg's Grandpa and Grandma) were very involved in their little town of Powell, Ohio. Grandpa was a Constable, Business Owner, and on City Council. Grandma was the secretary for City Council for many years. They raised their son, went to church and made their life in Powell, Ohio.

Grandpa was a member of the Powell, Ohio Odd Fellows Lodge and held many offices. Grandma was a Rebekah, (the ladies version of Odd Fellows) and if memory serves me, she was their secretary for 20+ years. The Powell Odd Fellows Lodge was in downtown Powell. They were very involved in the community and service projects much like Lions Clubs. Grandma told me stories of her activities and talked about her fellow Rebekah's like they were family. She would give me a Rebekah cook book each year. That was their biggest fundraiser.

We lost Grandpa in 1987. Grandma stayed in the Rebekah's until her death in 1996. She had been worried about her club for years, telling me that if they didn't get some new or younger members into the club they would have to fold like the Powell Odd Fellows lodge had shortly after Grandpa died. Her fellow members had a service for her at her funeral, there were 4 ladies there, the remaining two members were in nursing homes.

We were responsible for Grandma's memories. All the antiques, photos, family heirlooms, stories to be passed down, along with a box of Odd Fellows/Rebekah items. None of the other ladies were interested in these items, and there wasn't an Odd Fellows lodge in Powell to take any of it. Now this box sits in my basement as a reminder.

A reminder to put our club's interest first. A reminder to try and stay positive and represent Lions clubs in the best light, and

to try and stay positive and represent Lions clubs in the best light, and a reminder that, without growth, and acceptance, my memories and memorabilia will end up in a box in someone's basement.

My research shows only 56 Odd Fellows lodges are left in Ohio and only a few Rebekah's. That's about how many Lions Clubs there are in each Ohio District today.

It's time to get out there and show our communities what we are about. Invite someone to attend a meeting and most of all, HAVE SOME FUN!!

Lion Tresa Hess

District Women's and Family Specialist

August 2017 Newsletter

Convention Chair Darlene Schuck

When you think about attending this year's convention, Governor Greg is asking you to keep in mind that Castaway Bay is a water park. Don't be afraid to bring the kids or grandchildren and spend some time with them at the park. Lions are all about family and we want to include your family in Lions activities.

Remember, I will need your pictures for our slideshows, so let's see your members in action. Again, OH-2 District Convention will be April 13th-15th at Castaway Bay in Sandusky. Mark your calendars now so you don't miss the fun in April.

Past, Present and Future

PDG Ron Lutz would like to thank all those who said prayers, sent cards, phone calls, visits, flowers, and offers of assistance during his illness. After 28 days in Ohio Health Mansfield hospital followed by 13 days in Kingston Health Center in Ashland, Ron is now still recovering at home. All your support and good wishes continue to be greatly appreciated.

Ashland Evening

The July 6 meeting of the Ashland Evening Lions Club was called to order by Lion President Paul Goard. Lyme disease awareness was the topic of the meeting. Ohio is definitely a "hot spot." Crystal Stull, her mother and her daughter (our guests) have had lyme disease for several years. Stull handed out a lyme disease symptom checklist that had over 130 symptoms that lyme and tick-borne co-infections can mask. Not all cases are caused by a tick bite. You can also get lyme disease from mosquito and spider bites. And the "bull's eye" rash occurs in less than 50% of the cases. Since lyme disease tests are only 40% accurate, the majority of cases test "negative." That's why it is very difficult to diagnose and treat.

Our annual garage sale fundraiser to support local projects for the Evening Lions and Cat Sanctuary will be July 20, 21 and 22.

It's time again for our Dash for Food Fundraiser at Buehler's. Club members will be selling tickets at \$5 each. The drawing will be Thursday, August 10, 2017. The actual shopping spree will be Monday, August 14. The winner will have 90 seconds to fill a shopping cart with groceries.

Club members will be ringing bells at Miller-Hawkins for the Salvation Army during each Friday in July.

Ashland Noon

The Ashland Noon club continued its summer recess, but was still active. The

board approved president Cutright's appointment of Ken Milligan to complete the term of Dan Scott, who resigned. The nominating committee presented Dwight McElfresh for the other open board position vacated by Keith Boales. Membership will vote on approval at the first September meeting. Past president Mike Hutira reported he has retired and moved to Florida, and respectfully submitted his resignation. He was encouraged and indicated he planned to investigate Lions clubs there for possible transfer.

The membership committee has been meeting regularly and plans are in place for an active membership drive when meetings resume. A list of potential members has been assembled, a new club brochure has been prepared, and members will be assigned names to personally contact and invite to meetings as a guest to introduce them to the club.

The Rose Sale committee has also been busy, with eight members spending half a day at our vendors business assembling the delivery boxes to save the club \$500 in cost on the order. They are also soliciting area members to try to find a donated use of a 26 foot box truck to pick the roses up in November, to save another \$250 in truck rental. If you know of any that may be available, please let Tom Rohr know (tdrohr1@frontier.com).

Bascom

June 20th twenty-seven Lions and spouses attended the annual induction and installation of members into the Bascom Lions Club.

July 18th eighteen Lions and a guest enjoyed a BBQ patio outing at the home of Lion Tim and Lori Zoller. A member of the American Red Cross, Tiffin addressed the group and encouraged them to donate at the July 25th Bascom Lions Blood Drive.

Bellville

Our club does not officially meet in July or August but we try to stay connected with different activities. One separate event was Lion Jim Pickering attending the 100th

year celebration of Lions International over the July 4th weekend with his wife, Dottie.

Some major goals for Lion President Kevin will be getting Project Life Saver started in Sandusky County, setting up a vision screening and getting our broom/white cane days set for September.

Bloomville

Come out and enjoy a wonderful meal as the Bloomville Lions Club is holding their 52nd annual Ox Roast on Sunday September 10th from 11 am to 1 pm at the Bloomville Fire Station. The menu features tender and juicy pit beef sandwiches, homemade macaroni or potato salad, applesauce, ice cream, and a drink. Patrons can dine in or go through a drive-through.

Proceeds will support eyeglasses and other community projects benefiting those in the local area. Along with the Lions International mission of promoting and protecting eyesight, some important local causes that the club has supported in the past year include the junior fair livestock sales at the Attica and Seneca County Fairs, the Seneca County Park District, several Red Cross Bloodmobiles, and providing support to some local families in need.

Bucyrus

The Bucyrus Lions continue to recycle batteries and printer cartridges. Four club members attended the District Zone Chairman's picnic and received information on Governor Greg's goals.

Christi Crall spoke to the Bucyrus Kiwanis Club to explain Crawford County Project Lifesaver and encouraged them to

Past, Present and Future

Bucyrus continued

support this project. Joy Hillis gave away several hand-held magnifiers and two wearable, adjustable magnifiers at her presentation on low vision devices at the Council on Aging. She also gave information to the social workers at the Council on Aging that will help the elderly who are seeking services due to reduced vision.

Linda Spiegel, Connie Sue Kaufman and Joy Hillis gave away 42 children's books at the Bucyrus summer lunch program at Aumiller Park, Lions Park and Harmon Park. They will be giving crayons and activity/coloring books to BORN and the Jericho Recovery House for use with children visiting there. Eight books were given to the Sycamore Recovery House for men.

PCC Jeff Hillis continues his work as secretary of the District PDG Association. He also received the final check from an estate benefiting the Ohio Lions Eye Research Foundation.

Castalia

The first meeting in July was our annual Pizza Night prepared by Lion Carl Krawetzki.

Lion Dennis and his group ran the food and beer booth for the 2017 Cold Creek Celebration.

The Erie County Fair is on the horizon, Lion Tim has the work schedule out and about 85% filled to date. Please be prepared to fill in the vacancies at the August 1 Meeting, we need everyone to step forward to make this project work. (August 8 - 13)

The Castalia Lions Family Picnic will be held August 15, bring your family and the grandkids for a fun filled evening. Lion Joe and his family will have games and gifts for the children. The meal of hamburgers, hotdogs, and corn will be enjoyed by all.

The Castalia Lions Chicken BBQ will be held August 20 at the Lions Center. Lions will be at your homes Monday morning installing signs to advertise this event.

Lion Dennis and his group are preparing for the Jimmy Bukkett's Project September 1-4, sign up to work this event at the next two meetings.

Lion Stan reported that Erie County Project Lifesaver has gained 26 new clients.

Lion District Governor Greg Hess and his wife made a visitation to our club July 18, magic and membership were the topics of the evening. He later endured our Erie County Fair Board training session.

The Castalia Lions Club donated \$200.00 to the Erie County Fair Board to help with the cost of the "Veterans Day at the Fair Dinner".

Coronel Crawford

Mary Fernandez mother of soon to be senior Kenneth Fernandez of CCHS ask me to send Lions Club this information. Kenneth is working of this for Eagle Scout Project as he wants to give back to the community. He is doing a food drive. Kenneth has 1,200 brown bags with flyers. . He needs volunteers to pass out bags one week and collect filled bags one week. attached our the flyers. All food goes to Crawford county pantry. She

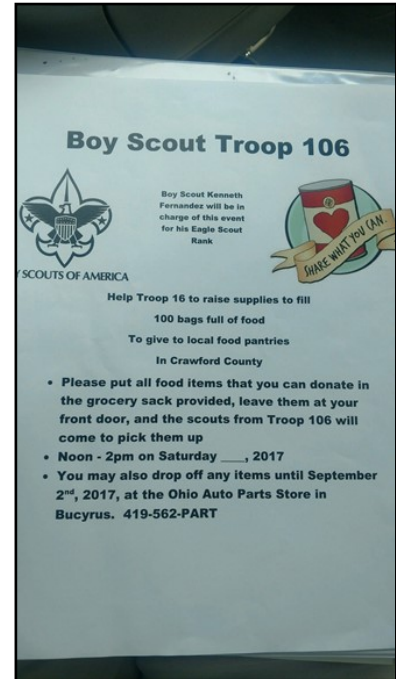

asked that lions club bring this up at the next meeting.

Thanks-Mary number is 419-512-6749

Jake Bruner

Colonel Crawford High School Principal
Office Phone: 419-562-4666 Ext. 44503

Email: bruner.jake@cck12.org

Fostoria

The Fostoria Lions Club has hosted several Pre School Eye Screening in conjunction with the Kaubish Memorial Library Summer Reading Program. What a wonderful program to offer preschoolers.

We also assisted the Good Shepherd Home staff in manning the Lunch Stand at the Seneca County Fair. August looks to be a busy month for us.

Hayesville

August 27, District Golf Outing, Mohican Hills, 8 am,!! If you have not signed up for a position, contact Lion Harner. Help is still needed!

Sept. 5, Zone Meeting, at Hayesville UMC, 7pm, reservations due Aug. 17.

Past, Present and Future

Hayesville continued

Sept. 7, Business Meeting, 7 pm, Lion Carl and Linda Fulmers

Sept. 21, Dinner Meeting, 7 pm, Stone Lutheran

Sept. 24, Run, walk, or just contribute to Lion for Pediatric Cancer Research. District Gov. Lion Hess has adopted this as his project for the coming year. This event is taking place in Ashland. More info available at:

lionssteps.com or from Lion Greg

Old Fort

Please support Project Lifesaver. Take a test-drive and Ford Motor Company will donate \$20 per test-drive up to \$8,000 to Project Lifesaver. The event will take place on Wednesday August 16th from 3:00 to 7:30 pm at Tiffin's Reineke Ford Lincoln 2020 W. ST RT 18, Tiffin, OH.

You don't have to drive. You can ride along as a passenger and still make \$20 for the fundraiser. Each participant must have a different address. There is no need to speak with a salesperson. Drinks and hot dogs available for purchase.

Ontario

Happy August!! The Ontario Lion's Club had a busy July, with our food concession trailer at the Ontario 4th of July Festival, and also at Lowe's Home Improvement.

We also helped the City of Ontario, by selling food at their Concerts in the Park, which took place in Marshall Park in Ontario, with a great turn out to see The Red Ball Jets perform.

We had a great time hosting our annual family picnic at our Park on Snodgrass Road. In August and September we will still have our concession trailer at Lowe's Home Improvement.

We also finished helping Ontario Schools perform Safetytown, in which we helped set up our make shift town and ended with passing out diploma's to all the kids that graduated from Safetytown.

Plymouth

Plymouth Lions have had a busy July. We participated in the Shelby Bicycle Days parade and the Shiloh Ox Roast parade. Our "Christmas in July" bloodmobile was a success and we exceeded our quota. I'm sure our donors were amused by our Christmas attire and they REALLY enjoyed the Christmas cookies! With the help of eight PHS Student Council members we conducted a highway clean-up.

Donations for the month included \$100 to the Air Guard for their S.T.E.M. program. This stands for Science, Technology, Engineering and Math and is geared for grades 7 thru 12. We also donated \$250 to the Plymouth/Shiloh FFA Alumni Buyer's Club to purchase fair animals, and purchased one pair of glasses.

In August we will be working at our food booth at the Silver King Festival, conduct another highway clean-up and host our sponsoring Club, Ashland Evening Lions, for a picnic.

PHS Students at highway clean-up

Shelby Bicycle Days parade

Christmas in July Bloodmobile

Republic

President Jeremy O called the July 24, 2017 meeting of the Republic Lion's Club to order in the shelter at the Park, at 8:00 PM.

Lion Denny B said that the fence has been taken down by the BBQ Pit. Most of the replacement fence should be in place by the end of the week. Lion Terry W rolled the area to make it easier to mow and put in the new fence.

We are to run the train and pedal pull for the Party in the Park. We need help to run them.

Republic continued

Lion Matt M informed the Club that the District Golf Scramble is August 27. He also informed us that Project Life Saver has gotten Rieneke Ford to have a test drive of certain Ford Products. Ford Corp. will donate \$20.00 for each driver, up to \$6,000.00. No salesman will call. The Gun Raffle Selection Committee is to meet.

Vermilion

2017-18 officers have been installed. A collection of members' money was taken for the local food pantry. We had a program on Canine Companions. Very interesting! We are also sending a donation to them.

On July 22, we participated in the "Mayhem on Main Street" with our delicious homemade french fries. Our profit went to the Salvation Army.

We shall be at home football games to sell homemade french fries. We split the profit with the Athletic Boosters.

Spouse's night will take place on August 15th. BBQ chicken and ribs will be on the menu.

August 19, we will be cooking sweet corn at the Market Place in the park in Vermilion.

Our Lions Pot Luck will take place on Saturday, August 26, at our property.

Upcoming Events will be our annual WOOLLYBEAR FESTIVAL, the largest one day festival in Ohio, September 24. We will be selling homemade french fries, hot dogs, pop, water, hot chocolate and coffee. Then on Monday, September 25, we will be helping the American Red Cross with their Blood Drive at Ritter Library from 1-6 PM.

DISTRICT 13 OH-2 GOLF OUTING

Host club – Hayesville Lions

March 22, 2017

Dear Lions Club President & Secretary,

On August 27, 2017, Hayesville will be hosting the District 13 OH-2 Golf outing. We are asking for your help. There are two ways for your club to help raise money for the worthy cause of Lions charities.

1. Encourage your club to enter one or more teams. The price is \$55.00 per man so that many Lions can participate in the golf, fun, and fellowship.

2. BE A HOLE SPONSOR. For only \$25.00 your Lions Club can show its pride in Lionism, and have your club's name added to the list of sponsors. We also hope that some of your members will consider having their businesses sponsor a hole.

The event is being held at Mohican Hills Golf Club, Jeromesville, Ohio.

We hope you will join us to have fun and do a lot of good. Thank you for your support and consideration.

Your is Lionism,

William Harner
Mike Kelly
Co-Chairpersons

PLEASE MAIL YOUR \$25.00 checks, payable to HAYESVILLE LIONS, to:

Hayesville Lions
William Harner, Sec.
849 County Road 1904
Ashland, Ohio 44805

Yes. We would like to be a hole sponsor for the District 13 OH-2 Golf outing. Enclosed is a check for \$25.00.

Club Name: _____ Phone: _____

STEPS

Lions for Pediatric Cancer Research

Supported by the following organizations:

MDIS - Ohio Lions

If your organization or company is willing to sponsor or host one of the events, please contact Lion Dave at 740-407-2403, or Lion Mike at 740-412-4692.

On September 24th, 2017 Lions Club members, friends, and family from across Ohio will be participating in a 5K run and 1M walk to raise money and awareness for pediatric cancer. Join the 12,000 Ohio Lions: bring family, friends, and anyone else to help Ohio Lions fight pediatric cancer, one small STEP at a time. Ashland Community Stadium 8am 5K, 9:30am 1 mile, or register to be a virtual runner/walker.

Millennial Legacy Project

100% of money raised will go the oncology research centers of the above institutions.

91,250 children lose their lives to cancer every year. 1/285 children in the U.S. will be diagnosed with cancer by the age of 20. It's the #1 Killer from disease in children 15 & younger.

Despite these facts, childhood cancer research is vastly and consistently underfunded.
