## Ohio Lions District 13-B

VOLUME I ISSUE 8

FEBRUARY 2013

### Why Become a Lion?

Many clubs have indicated to me that they are planning upcoming membership events now that we are in 2013. Clubs are planning to use the Ohio Plan, do Pride Nights and have Membership Contests. However; when setting up your membership event ask your club these three questions:

- 1) *Why should a prospective member join our club?*
- 2) *What is the benefit of being a member?*
- 3) *What will the prospective member gain by filling his or her free time with Lion's activity that cannot be found anywhere else?*

Can you and your club answer these questions clearly and definitely?

Are you prepared to discuss what Lions Clubs International does around the world, and relate our many sight-saving projects? Will you be able to show what your club does in the sight area? Most of all can you tell friends, neighbors or business associates why you think Lions are special people? (They really are, you know.)

Are you prepared to talk about your experiences as a Lion, and the value it brings to your life?

People need reasons to do things. People need to be shown the potential value in becoming a Lion. No one joins an organization unless they feel that it will benefit them, and Lions benefits its members in tangible and intangible ways.

Lions can provide a platform for civic projects near to the hearts of its members.

Lions provide an opportunity for making friends.

Lions provide the deep feeling of satisfaction that only can come from helping people.

Lions can help develop leadership and organizational skills.

Lions provide an opportunity to network with people all over the world.

Lions provide educational opportunities at conventions, forums and retreats that benefit both personal and professional development.

These are just a few of the reasons to become a Lion. Many more reasons are specific to your club, and I am sure that you have many personal experiences to relate. Just be proud, and tell your prospective members why. You will have a great membership event.

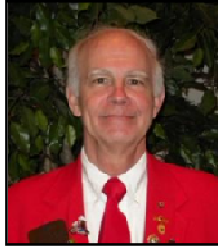

Much luck in your membership event!

**PCC/PDG Jeff Hillis**  
**Second Vice District Governor**

### District 13 B Lions

Club visitations are continuing and Monarch Chevrons are being distributed. Getting to know the Lions in the District and seeing all the great things that they accomplish are some of the best parts of being Governor.

We have brought in 79 new Lions this year. Congrats! We have lost 97 Lions... Twenty-one of those are through death. Secretaries make sure to get the Necrology report into IVDG Francis while all is fresh in your thoughts. There is a copy of the Necrology Report as part of this news letter. Several of the clubs have mentioned that they are going to have New Member nights during the next few months. If we keep remembering that "We Serve" and show that attitude to new people sure seems like we will end up ahead when all is said and done.

I have received the official confirmation from LCI that our International guest will be PID Dr Patti Hill and her husband Greg Holmes. PID Patti is from Edmonton, Alberta, Canada. She was an ID from 2007 – 2009. We will have her biographical information in the March news letter. I think you will all enjoy her time with us. Let's insure that she enjoys her time with us!!

We have started receiving reservations for the convention. The Convention Co-Chairs Glenn and Sue McClure are working diligently to put together an enjoyable time for all. Please keep the reservations coming!

Thanks to anyone who has participated in the District Poinsettia Sale. This has been and still is an important fund raiser for the district.

## 1st VDG Francis

All Lions Clubs need to provide leaders for Lions Clubs International to be successful. District 13B is looking for a club president of a Lions Club to step forward in Zone 1 and Zone 6 and become a Zone chairperson. Every Lions Club member should carry his or her fair share of the workload. Each and every Lions Club needs to provide the district with leaders. The District 13B Global Leadership Team (GLT) has the ability to provide the required training to enable Lions to serve at the club and district levels.

Every Lions Club should make sure their President, Secretary, Treasurer, Tail Twister and Membership Chairperson attend the Officers Training in Ashland on May 4, 2013. All clubs pay for this training whether they use it or not. When you attend this training for a club officer you will be rewarded with a certificate and a pin to show that you have attended the training. I want to thank in advance the Lions that step forward to serve their club and District 13B. If you would like to serve as a Zone chairperson or at the district level contact your current Zone chair or me, Lion Francis Hensel.

PDG Myron Amstutz  
Cabinet Secretary District 13-B  
827 Country Club Lane  
Ashland, OH 44805

Dear PDG Amstutz:

The Bucyrus Lions Club is proud to present Second Vice District Governor PCC Jeff Hillis as a candidate for the office of First Vice District Governor, District 13-B, for the term 2013-2014.

A Lion Since 1990, PCC Jeff has served every club office except treasurer and was a 100% President and Secretary. He is well known to our district having served as District Membership Chairman, Leo Chairman, Extension Chairman, Trustee and President of the Ohio Lions Eye Research Foundation, Deputy District Governor, Vice District Governor, and three times as District 13-B Cabinet Secretary. Additionally, he has served in many *ad hoc* positions over the years.

In 2002-2003 Lion Jeff served as District 13-B Governor, and was elected Chairman of the Council of Governors 2003-2004.

PCC Jeff has been a presenter at many District and State Conventions in Ohio as well as The USA / Canada Forum in 2004.

PCC Jeff is a Progressive Melvin Jones Fellow, a Dick Bryan and Dick Neiderhauser Fellow of the Ohio Lions Eye Research Foundation. He is also a James T. Coffey Fellow of The Ohio Lions Foundation.

Included among Lion Jeff's many awards are: The International President's Award, The International Leadership Award, five International President's Certificates of Appreciation; two Extension Awards, and the Council Chairman's Award of Excellence.

We ask you to support PCC Jeff Hillis for the office of First Vice District Governor.

Yours in Lionism,

Cheryl Luidhardt, Secretary  
The Bucyrus Lions Club

## Lions of District 13B

Here is some information that I found on Internationals Website and thought it was worth passing on to the clubs. I would like for everyone to read and think about it.

### Recruiting Corner

Think about when you first joined Lions. How were you invited to join? Did a friend, relative, or co-worker invite you to attend a meeting or a Lions service project? Were you recruited at a membership drive? The more important question is WHY did you join Lions? What sparked your interest in giving back to your community? Now, how can you spark that same interest in prospective members to want to give back to those who are in need? As you reflect on your own experience as a Lion, ask yourself, "Who do I know that is community-minded and wants to make a difference? Who do I know that would make a good Lion?"

Once you have a few names, invite them to a Lions event such as a service project. Let prospective members see exactly what Lions do –  
*We Serve.*

### 5 Tips for Facing Rejection

**1. Don't take it personally** – Just because you are passionate about service and helping others, unfortunately does not mean that others are.

**2. Listen to the rejection carefully** – What is the prospective member telling you? Perhaps now is not a good time for them to join due to finances or busy schedules. When appropriate, keep them informed of upcoming club events, and continue to invite them to participate in select service projects until the time is right for them to join.

**3. Be confident** – Lions Clubs have accomplished so much over the last 95 years. Be proud to be a part of our wonderful organization. Share your enthusiasm with others.

**4. Know that everyone experiences rejection** – Don't worry, it is not just you.

Everyone experiences rejection and in many different circumstances. Smile and move on. Remember, during its first year of business, the Coca Cola Company sold only 400 bottles of soda – the company persisted.

**5. Try again** – The more "no's" you get, the closer you are to getting a "yes." I hope that everyone will get something out of this and go out and start asking people to join their Lions Club. Remember If you don't ask they won't join.

GMT Chairman

*PDG Dana Zody*

### The Global Leadership Team sends us this:

Now is the time of year that our Districts are planning their annual Officer Training Schools. A great deal of effort is expended to plan the curriculum, identify speakers, and find locations. Regardless of these efforts the success of the school will be judged by the number of leaders that take advantage of the opportunity to develop their leadership skills.

In an attempt to promote the District Schools the MD 13 GLT Committee will be awarding a Club Officer Training patch to each club in the state that has all four of their officers attend their District Leadership School.

To receive the award all **four of the officers who will appear on the 2013 - 2014 PU 101 must be in attendance. There can be no stand ins or substitutes.** District GLT Coordinators will have the Patches in time to award them at the conclusion of their District school. Behind every successful club is a successful officer team. Successful officer teams are those leaders who take every opportunity to improve their leadership skills.

The opportunity to improve leadership skills is coming to District 13 B on May

## Bascom

The December 11 Bloodmobile was another success. Thirty-eight units were collected. 2012 marks the Club's fourth consecutive successful drive. Speaking for all of the recipients of this priceless gift... THANKS to all of the donors and the helpers who helped to make this a success.

Bellville Lions member and Zone 6 Chairman Carolyn Brook has sent her Letter of Intent to run for Second Vice District Governor to Cabinet Secretary Myron Amstutz. The club is in full support of her.

Pictured above is President Marv, Lion Carolyn and new Lion Brian Foltz.

The Club voted to change our dinner meeting to the fourth Thursday of each month starting in January. We will meet at St. Paul Lutheran Church in their community room. Fast Eddie's will still provide our meals.

The meeting date was changed so that several of our members would be able to attend our meetings. Butler Lions will be joining us.

## Fremont

Our Students of the Month were Ross Seniors Sarah Gray and Josh Heard. Both young people have amazing, busy lives with both academic and extra curricular activities. Their parents have to be extremely proud.

Arlene Scherf made a motion that our Fremont Lion's Club will change our meeting place to the Eagles Aerie at 2570 W. State Street. It was seconded by Gary Pollock. Vote taken, motion carried. **January 29<sup>th</sup>** was the very last meeting held at the VFW. They supported us for many years and we were sad to say goodbye.

Lion Jim Draeger introduced speaker Randy Fielding of the Christy Machine Company. Randy designs and makes custom engineered machinery to dispense dry materials, moist materials, cohesive materials, salt dispensers and extrusion coaters for companies. His machines are used by Mrs. Smith's Pies, Little Debbie, Pepperidge Farms, Arby's, Dr. Scholl's, Honey Baked Hams, Duracell, KFC and Bubblicious Bubble Gum to name a few. His company supplied 100 flour duster machines to Egypt in 1979. He has a machine that puts the super absorbent materials in diapers. Who knew that we had such a nationally/internationally known company in our town of Fremont? Randy now has 6 patents for his custom machinery. After the meeting he gave us an interesting tour of his building across the street from the VFW.

Colleen Carmack brought to our attention a request from Mr. Damschroeder. The 50<sup>th</sup> Anniversary of our airport will be celebrated on July 28<sup>th</sup> and he asked if we would be willing to set up for a breakfast.

Gretta Kissel winner of the Old Fort Peace Poster contest was also selected as the District Peace Poster winner. Congratulations Gretta on a great accomplishment!

### Ontario

The weather outside might have been cold but the frozen earth gave some of our members the opportunity to plant some trees at the Lions Community Park without tearing up the ground. In fact, they planted four 12 -15 foot Red Sunset Maple trees, each weighing around 1200 pounds. The trees were donated by Shafer Nursery and the heavy equipment that was needed was provided free-of-charge by Cardinal Rental and Sales. Once mature, the trees will provide much shade to the park's picnic pavilions.

Also during January, the club performed vision testing on 58 preschool children. Once completed, it was suggested that

## District 13-B Lions Convention April 19-21, 2013

Fellow Lions,

We are getting ready for this year's District 13-B Convention on April 19-21 at the Westlake Holiday Inn. Governor Forrest Conrad and his team have put together a great convention with a few changes and all the convention favorites. We will be continuing the traditional euchre tournament and corn hole tournament. The hospitality rooms are on the main floor this year with a different design. They will feature typical appetizers and desserts, ice cream, and room to gather with fellow lions. We will have live music on Friday evening. Saturday evening will feature the Kroc Center Big Band for your dancing and listening enjoyment. Club scrapbooks and boards will be on display, so bring something to show off your club's hard work for the past year. Registration for tournaments will be taken upon check-in Friday evening.

We are still working on the programs to ensure that every Lion that attends convention will find a seminar that he/she will find interesting and will help "recharge" those batteries for service.

The convention registration fee was raised by only \$3.00 to cover the extra cost of the meals from the Holiday Inn. The room rates went up to \$75 after being the same for a couple of years. We are encouraging families to bring children/grandchildren and have added a child price for meals. Any special needs for food, such as allergies, can be e-mailed directly to the convention committee at [L13B13C@zoominternet.net](mailto:L13B13C@zoominternet.net), or written on the registration form. The Holiday Inn takes great pride in being able to accommodate special circumstances.

We are asking each club to bring an item for the silent auction to help raise additional money to support Lions Club foundations and projects. We are also asking for raffle prize donations. Please bring any silent auction and/or raffle prizes to your next Zone meeting. DG Forrest Conrad and Co-Chairman Glen McClure will pick them up at that time. Any donations will be greatly appreciated. Call or e-mail us if you have any questions or need assistance with a donation.

Get your registration in as soon as possible and ensure that you will not miss this opportunity for education and fellowship with your fellow Lions of District 13-B, the best Ohio has to offer!!

In Lionism,

Glen and Sue McClure

## District 13-B Lions Convention April 19-21, 2013

Dear Lions, Lions Clubs and Area Businesses,

Thank you for your service and your support of District 13-B! We hope that you will consider supporting it again by placing an ad in the convention booklet. The ad may give you, your club, or your business the opportunity to share what you're doing, a chance to 'toot' your own horn, or to pass on good wishes or a thank you to the District Officers. To make it easier for you, we will be happy to help you design your ad. A list of the ad sizes and prices are below.

Please complete the convention advertising form below and mail it with your check:

1. By: March 11, 2013
2. To: Convention Co-Chair Lion Glen McClure  
PO Box 425  
Ashland, OH 44805

Make checks payable to: Ohio Lions District 13B

Any questions, or need assistance designing an ad? Please feel free to contact Convention Co-Chair Lion Glen McClure at Home (419)289-3874, Cell (419)606-7372, or e-mail at [L13B13C@zoominternet.net](mailto:L13B13C@zoominternet.net).
