The Accounting

Ohio Lions District 13-B

VOLUME 1 ISSUE 12

JUNE 2013

Simplify your Lions Club Life

Every day we live, we encounter annoyances. There are people who annoy us, there are those "Happy Newscasters", reality television, waiters, clerks, email, barking dogs, screaming children, and most annoying of all writers who make lists.

Even our Lions Clubs can be annoying at times; the member who treats some issue like a dog with a bone, those meetings that never end, green beans, and the dreaded harangue about membership growth.

Let me make a suggestion on how you can avoid the latter.

Download the Ohio Plan for Membership Growth from **www.OhioLions.org** then read it, follow the directions, and hold a membership event. If you will do this faithfully year to year, your club will grow, and your club can say good-bye to membership woes.

Talk to the Global Membership Team, they will help. It works. Give it a try!

First Vice Governor-Elect Jeff

LOCAL LIONS CLUBS RECEIVE GRANT FROM LIONS CLUBS INTERNATIONAL

The Ohio Lions District 13-B has been awarded a \$75,000 grant from the Lions Clubs International Foundation, the philanthropic arm of Lions Clubs International, to equip a new Vision Clinic at Lorain County Health & Dentistry's new facility in downtown Lorain. This is the largest allowable grant under the guidelines of the foundation.

This project represents a collaboration between Lions and Lorain County Health & Dentistry (LCH&D). Once the equipment is in place in September, 2013, LCH&D will staff and operate the full-time Vision Clinic. LCH&D also covered the build-out costs of the 1,000 square foot clinical area which will be located on the first floor of the Health Center's new facility at 1205 Broadway in Lorain. LCH&D is the largest safety-net provider of primary medical and dental care to insured and uninsured persons of all ages in Lorain County. Fees are discounted for uninsured patients who qualify. In the new facility, in addition to vision/eye care, LCH&D will offer pediatrics, OB/women's health, adult/family medicine, dentistry and asthma/allergy care. LCH&D serves those from within Lorain County and well beyond; there is no residency requirement to receive health care at LCH&D.

Upon hearing the news that the Vision Clinic would be receiving the grant, District 13-B 2nd Vice District Governor Jeff Hillis said “I am very glad to see LCIF recognizing the value of our project in providing vision care for the economically disadvantaged in North Central Ohio.” District 13-B comprises ten counties, including Ashland, Crawford, Erie, Huron, Lorain, Ottawa, Richland, Sandusky, Seneca, and Wyandot in north central Ohio.

“This project has received broad support from Lions Clubs in our district,” Lorain Lions Club Past President and Vision Clinic Committee Chairman Ken Cromer stated. “A project of this nature requires the help of many people and we have had a very hard-working committee of 30 Lions from around north central Ohio involved.” Currently, Lions clubs are working together to raise \$254,000 to purchase the clinical equipment needed for the Vision Clinic at LCH&D. Dr. John R. Smith, OD, a Lorain Lions Club member and co-chair of the Vision Clinic Committee, notes that, “I know many optometrists who struggle to find a place to refer patients with no ability to pay for ongoing eye care needs. This clinic will be able to help so many people with their vision and medical eye conditions. It is important for every person and business that can help, to help in some way.”

“This project is one of many that exemplify the motto of Lions ‘We Serve.’ When the clinic becomes a reality, the uninsured and underinsured residents of the District will have a clinic that can care for them when the need arises,” said John Donley, District 13-B LCIF Chairman.

“The Lions-Lorain County Health & Dentistry collaboration is a win-win for our organizations and the broader community,” said Stephanie Wiersma, LCH&D President & CEO. “While the project isn’t completed just yet, we know that very soon it will be, and, as a result, very soon we will be extending our reach into the community offering a new health service to the most vulnerable in north central Ohio. It has been a true honor and pleasure to work with Lorain and District 13B Lions over the past two years to plan the Vision Clinic and make it a reality. I can’t think of a better, more effective or more rewarding collaboration,” Wiersma noted.

In addition to the LCIF grant, the project has received financial support from Lions around the District, local businesses, and individual community members. Other grants have also been received from local foundations, including a \$25,000 general grant and a \$25,000 matching grant from the Nord Family Foundation. “It has been energizing to see the support of so many individuals and organizations to the project,” Cromer said. “The Nord Family Foundation grant has been especially positive in getting more people involved.”

Persons who wish to help District 13B Lions reach their fundraising goal and establish the Vision Clinic can make a fully tax deductible donation easily and conveniently anytime on the project's website, www.lionsvisionclinic.com by using the secure PayPal link. Checks can also be made out to "District 13B Philanthropic Fund" (include "Lions Vision Clinic" in the check memo line) and mailed to: District 13B Philanthropic Fund, 922 Hale Avenue, Ashland, OH, 44805.

Vision Clinic Committee member and Past District Governor Sharon Parker declared, "The Vision Clinic exemplifies meeting the challenge given to Lions in 1925 at Cedar Point by Helen Keller, who urged Lion to be 'Knights of the Blind.' The Vision Clinic at Lorain County Health & Dentistry will enable treatment for eye diseases and conditions and will provide routine eye exams and glasses. This collaboration between Lions and LCH&D strengthens the Lions motto 'We serve.'"

-30-

ENCLOSURES:

Vision Clinic Q&A Sheet

Leadership School

About 170 incoming club officers and district leaders from 42 District 13B clubs attended the May 4 Leadership School at Trinity Lutheran Church in Ashland. PCC/PDG Sharon Parker started the morning with information about and encouragement for clubs to make use of the Club Excellence Plan to make our clubs even better. She also explained the Guiding Lions Program and asked us either to consider becoming a Guiding Lion or to consider asking for help from the program if our club is struggling.

PCC/PDG/Ist VDG Elect and Zone 4 Chair Brent Parker facilitated the sessions for Presidents and Vice Presidents. PDG Myron Amstutz presented the basic secretary sessions while Lion Dave Zartman led the discussion for experienced secretaries. Lion Dave Omlor and Past 13B Treasurer Everett Shonkwiler were the presenters for the treasurer sessions. Lion Connie Cole shared information for the public relations group while the District Global Membership Team made the presentation for the membership group. Tail Twister Supreme Lottie LaRue was in charge of mayhem for that group.

New this year from the MD13 Leadership Team was a banner patch and rocker panel awarded to each club having present the incoming president, secretary, treasurer and membership chair. The eight District 13B Lions clubs receiving these are: Ashland Evening, Colonel Crawford, Crestline, Hayesville, Ontario, Plymouth, Polk, and Sandusky.

The Circle of Friends Sunday School class was again in charge of lunch, with proceeds going to Relay for Life and a youth project. Incoming Governor Francis Hensel shared some of his ideas; and current Governor Forrest Conrad reflected upon district accomplishments. Special thanks go out to members of the Ashland Evening Lions Club, a number of Past District Governors, our Zone Chairs and others who helped to make this school a success.

When we have compiled the evaluations, we will be forwarding the information to the group, along with the comments from the experienced secretaries collected by

Lion Becky Krock. As always, suggestions for next year's school are welcomed and encouraged.

Lion Ann Miller, 13B Global Leadership Team Coordinator, and team members Lion Mona DiCesare and Lion Julianne Zody

Zone 4 Social Night at the Crushers

Fellow Lions,

We are planning our Night at the Crushers for August 1st at 7:05 as our zone social. Money earned will be donated to the Lions Vision Clinic. I have contacted the Crushers and am holding the vouchers for 300 tickets. Once I get the number of tickets everybody wants, I will purchase the tickets to get us the best seats possible. However, once I purchase the tickets they are non-refundable.

In saying this I need to know by June 1st any requests of tickets. Each person will be responsible for paying for the requested amount. I will be collecting the money by July 1st. Anyone wanting extra tickets after the cut-off will be able to do so, but the tickets will probably not be in the same section as the rest of the Lions.

6

Remember this is a fundraiser for the Vision Clinic and we will be receiving \$3.00 per ticket sold and half of the 50/50 sold that night. This is assuming that we sell at least 250 tickets, which should be no problem. I have already had a club request 50 tickets.

On August 1st the Crushers promotion is Military Appreciation Night/\$1 Beers/\$1 Fountain Pepsi Products. So, I look forward to hearing from the clubs and having a great night at the ballpark again this year.

In Lionism, Brent Parker Zone 4 Chairmen

Lake Erie Crushers vs Washington Wild

Crushers Stadium – Avon, Oh
Cost of Tickets - \$9.00
Game Time – 7:05 pm

Past, Present and Future

Ashland Evening

The Ashland Evening Lions President Jim Hofer presented a check for \$2,000 to EMS Captain Ken Gardner, Ashland City Fire Department. The money will be used for Community First Aid and CPR.

On May 19 the Ashland Evening Club clowns provided entertainment at the Ashland High School for a large group of Kids, their parents and teachers.

The annual club fund-raising sale is June 21 and 22 at the Miller Playhouse.

Ashland Noon

On April 9th, PDG/PCC Stan Kopp installed new officers for Ashland Noon club for the coming year. President Fred Gottfried passed the gavel to incoming president Bruce Van Scoy. He will be the 94th consecutive first time president of the club, no repeat officers since 1919. Incoming Vice President Oliver Highman and 2nd VP Jason Gwinnup insure we will add at least two more years to the record!

We were very excited to win the governors award for clubs 45+ this year, presented at the District 13-B convention last month. Special thanks to our secretary, Tom Rohr, for his outstanding job completing the monthly reports in a timely manner.

Lion Rohr, for his efforts as secretary and for spear heading the park bridge project, was named Lion of the year in the club. He breaks a string of 39 consecutive first time Lion of the year awards in the club, having also won the award in the 2004-2005 year.

Bascom

Twenty-two Lions, spouses, and friends assisted with the set-up and serving of the banquet for Hopewell-Loudon Seniors and their families at the May 7th meeting.

This program included the awarding of four \$1000 scholarships. The awards were presented by the Scholarship Chairman, Al Crandall. The winners' names will be published in next month's newsletter. They were chosen based on grade point average, community service, citizenship, leadership, and an essay on personal and career goals. This is the 14th consecutive year that the Bascom Lions has sponsored and handled this program.

Congratulations to the Graduates of 2013!

Bascom Obituary

Remembering Oliver "Junior" King... After living a long and productive life, Oliver "Junior" King (91) passed away April 16, 2013.

When Junior joined the Lions Club thirty-two years ago (December 1981), he was known by some of the club members through his associations with many local organizations and various club members. When he died last month, he was well-known by all club members. Junior was our confidant, mentor, and dear friend.

He leaves his wife, Luella of 68 plus years, two married daughters, Karen and Marcia, son Curtis, and a saddened Hopewell-Loudon, Bascom, and Tiffin area of friends. Junior will be remembered by all of us, especially when you make a trip from Bascom to Tiffin, via SR 18. The King farm, always meticulously manicured is structured so the barn and farm house are divided by SR 18. When the Lions were in charge of highway clean-up along SR 18, we would kid Junior that he was getting a good yard cleaning. (Not that his yard ever needed it.)

We extend our sympathy to Luella and the King family and will always remember our friend, especially

when we travel toward Tiffin via SR 18. The scene will not be quite the same without seeing Junior in his garden or doing odd jobs in and around the house and barn yards.

Castalia

The Clubhouse received its annual cleanup prior to the May 7 meeting. Lion Tim expressed his "thanks" to all the members that worked this project.

The Castalia Lions Club made the following donations during the May Meetings; \$50.00 to the Margaretta High School Boys Golf Program, \$100.00 to the Newtown Lions Club, \$100.00 to the Erie County Agriculture Committee to support Veterans Day at the Fair, \$25.00 to the District 13B Golf Scramble, and \$50.00 to Project Lifesaver for startup cash. **Project Lifesaver** is a national organization that helps locate lost individuals who have Down's syndrome, dementia or Alzheimers, participants wear special wristbands that are outfitted with radio signal transmitters. When the person is reported missing, the wristbands help authorities track them down quickly. The Lions Clubs of Sandusky, Castalia, Huron, Milan, and Vermillion, along with the Erie County Sheriff's Office have partnered on this project.

Sandusky Bike Week activities will be held downtown Sandusky this year according to Lion Jack. The Bike Week schedule is as follows; Thursday, June 6th, 3:00 PM to close ; Friday, June 7th, noon to close ; Saturday, June 8th, 11:00 AM to close.

The 18th Annual Castalia Lions Club 4-Man Golf Scramble will be held at Sleepy Hollow Golf Course June 16, 2013 with a 7:30 AM Shotgun Start. To sign up for this golf outing please contact Lions John Cullen 419-656-0101, Steve Sessler 419-202-2341, or Bob Ransom 419-357-3572.

Castalia Lions Club Student of the Month Scholarship recipients and their parents will be at the June 4 meeting.

Past, Present and Future

Fremont

Our speaker was Marc Totty, the local Walgreen's manager. He brought along pharmacist Pam Jacobs who took blood pressures after the meeting. Marc gave a history of Walgreen's. Pharmacist Charles R. Walgreen in Chicago formed it in 1901. They started trading publicly in the 1920's. They were the first store in the 1980's to have a drive-thru. Currently there are now 8071 stores and in 2012 they merged with Boots in England this past year. Their mission is: get well, stay well and live well.

Two seniors from SJCC Adam Swint and Katie Blohm shared their school experiences with us. Coincidentally, Adam is going to UT to study to be a pharmacist.

Katie is taking an undecided college program to help her decide what to pursue for a career. The list of honors,

awards, clubs, organizations, and hobbies is extensive for both. These two students have very full schedules but obviously are managing to fit everything in.

Our two students from Ross High were seniors Olivia Miller and Matthew Egbert. Both are well rounded in academics, sports and community service. Olivia will be going to Xavier University majoring in Occupational Therapy, while Matthew will be attending Tiffin University and hoping to go into the CIA or the FBI.

Mohawk Lioness

Scholarship committee reported there are 4 eligible scholarships for club members' family members. The club voted to give

four \$200 scholarships this year. Congratulations to Sarah Lantz, Zach Riedel, Audrey Flood and Jessie Rae Babcock.

Rita reported on the district convention and the awards received there. Our club received first place for our scrapbook, the Governor's Award, the Service Award, and the Humanitarian Award. Larry and Rita had a very good time and were impressed by the Necrology service as well as other programs.

Our club voted to invite Linda Theis to become a member of Mohawk Lioness. Linda Theis is the owner of TNT's pizza in Sycamore. We welcome our new member and plan her installation at our June meeting.

The club will supply the sandwich spread for sandwiches for the Bloodmobile on May 16. Our club will also provide cookies for the July blood drive.

Our June 18 meeting will be at the McCutchenville Community Center at 6:30 with a catered meal. We will plan to award the scholarships and install new officers for next year at this meeting in addition to inducting our newest member.

Norwalk

We received a request from the Newtown, MA Lions to help fund a program of counseling for people affected by the shooting incident in the school.

Healthiest Loser committee reports we are progressing with dates and location set and work is ongoing.

We have a membership meeting at the racetrack 5-29 a Wednesday and request that every member try to bring a prospective new member to the meeting.

Nicaragua clinic reports for the week of 4/22 they saw thirty-seven patients and for the week of 4/29 they saw twenty patients but they also went to a church for a clinic and saw eighty patients. This totals 137 patients over the two weeks.

We are supporting the new golf outing for

the Salvation Army to help fund the Learning Zone after-school program.

Old Fort

On May 7th it was my extreme pleasure to induct seven new members. Greg and Rene Haubert, Denny Miller, Dan and Sue Schatzinger, Chuck Wilbert and Joe Wonder.

We welcome you all and hope you enjoy many years as members of the Old Fort Lions Club serving your community and the world. We plan to conduct an orientation session on the third Tuesday in September which will give you a better idea how Lions work.

We again had three outstanding and deserving candidates this year and the scholarship committee decided to give two awards for \$500 and one for \$200.

The \$500 winners this year were: Kristin Bender daughter of Dale and Carolyn. She will be attending Capital University where she will be pursuing a pre-med program with a degree in chemistry. She plans to become a physician or physician's assistant.

Tyler Bowes is the son of Dan and the late Deb Bowes. He will be attending Bowling Green and hopes to receive a degree in sports management. He has a primary goal of becoming an airline pilot but if that doesn't work out he would like to become an athletic director.

Our \$200 winner is Ashley West daughter of George and Kelly. She hopes to complete a master's degree in Communications Sciences and Disorders program at Bowling Green. She plans to get a job as a speech pathologist in either a hospital or a school.

Polk

Polk Lion Courtney Hartzler and her committee are highly encouraged by how well things are going during the planning process for this year's Strawberry Festival. The cost will be \$1.00 per child and no cost for adults. It will be on June 15th

Polk continued

from noon to 4:00 pm at the Polk Village Park. Our club will have a food tent again and will serve pie, strawberries, whipped cream, angel food cake, homemade ice cream, hotdogs, brats, curly fries, fried cheese sticks, BBQ chicken quarters, apple sauce and baggies with trail balogna and cheese. In addition, the Ashland Evenings Lions will bring their trailer of goodies and the Mapleton Sweethearts will have a bake sale.

Our next big event after the Strawberry Festival will be the Ice Cream Social in July. The committee decided to schedule it on a Sunday again this year. It will be held on July 14th from 4 pm to 7 pm (or until we run out of food) at the Polk Community Center. The menu has yet to be finalized, but it will be very similar to what we've served in the past along with a variety of flavors of our famous homemade ice cream.

Our club was well represented at the District 13 B Convention. The Polk Lions Club received the District's Humanitarian Award and Service Award. Our club was recognized for participating in the Peace Poster Contest and for bringing a club scrapbook. This year's scrapbook was excellent and was compiled by Lions Janet, Linda and Margaret. In addition, our club newsletter, Hear Us Roar, won 1st place for clubs with 45 members or less. Lion John Donley received the Council of Governors Award and he was also recognized for being on the cabinet as the LCIF Chairman.

Sycamore

Ruth Ann has received the gift of better sight thanks to cataract surgery. And we are all for that! Congratulations to Wayne and Jean Walton for receiving the 2013 Joined Hearts in Giving Award from the Ohio Department of Aging! They will receive the award on May 24th.

Juanita reported on the Community Calendar sales. There have been some increases, but no change so far in the price

we charge. We should be checking with our customers to confirm they still want the calendar and if there are any changes.

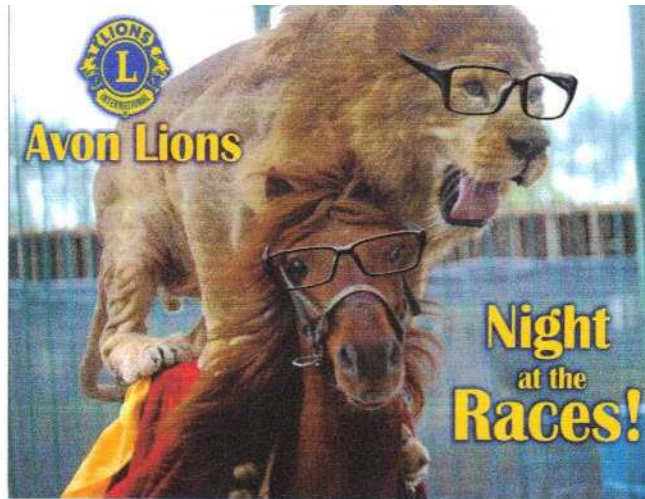

Larry reported on the joint vision screening with the Mohawk Lioness. 65 children were screened with several referrals made. Juanita and Norm Cassidy helped with the screening. Some of the preschoolers screened previously were noticed to be sporting new glasses. This is an important project for our young children so they can better see and learn.

Upper Sandusky

Lion Bill Mullen will deliver the new air conditioner to Senior Village. Any interested Lions should meet there for the presentation. The air conditioner was installed by their maintenance person.

The PDG Association sponsored their annual all-charity golf scramble on June 9th, 2013 at the Golf Club of Bucyrus. All proceeds benefit Ohio Lions Foundation.

Lion Allen Boes provided a list of possible upcoming projects. The roof on the covered bridge in Harrison Smith Park needs to be replaced. The cedar rail by the park pool needs to be repaired/replaced. The merry-go-round in the Lions Kiddie Park needs to be repaired. Wood benches need to be repaired. Following this brief meeting, the Lions traveled to the Wyandot County court house where a tour of the attic was given by County Commissioner Steve Seitz.

Lions Clubs of District 13B

Thank you for your generous support of the Avon Lions Club "Night at the Races" fundraiser. With your help we raised almost \$5,000 (\$4,914.00) for the new Lions "North Central Ohio Vision Clinic." And that amount should be matched bringing the total to just shy of **\$10,000**. And what was even better was we had a great time at this event!!!

The Avon Lions would like to extend a sincere thank you for the **generous** show of support by the following people and clubs:

District Governor Woody

PCC/PDG Sharon Parker

Zone 3 Chairman John Straziuso

Zone 4 Chairman Brent Parker

The Vision Committee – Lions Ed Baker, John Smith, Ken Cromer,

The following 13B Lions Clubs: Avon, Amherst, Elyria, LaGrange, Lorain, Lorain Harbor, North Ridgeville and Sandusky.

Thank you again,

Lion Doug Wetzig

Night at the Races Chairman

LORAIN HARBOR LIONS CLUB

25th Charter Night Anniversary Celebration

TO: District 13B Lions Club Officers and members:

The Lorain Harbor Lions Club is pleased to extend to you an invitation to join us on Tuesday, June 18th, 2013 as we celebrate the 25th Anniversary of the chartering of our club.

The event will be held at Tom's Country Place, 3442 Stoney Ridge Road, Avon Ohio. 44011 (Oak Room) A social hour will begin at 6:15pm, with dinner following at 7:00 pm. The program will start at 8:00 pm. Following the program will be dancing with DJ, "Jarhead" for your enjoyment. The cost of the dinner is \$20.00 per person. BYOB, wash and soda will be provided.

If you can join us, and we sincerely hope that many of you can; please send your name, club affiliation, current office held, along with the dinner payment to:
Secretary Lion Bev Husar, Lorain Harbor Lions, P.O. Box 853, Lorain OH 44052

We ask that reservations be completed by Monday, June 10th.

Hoping to see many Lions and friends there,
We are sincerely,

Lorain Harbor Lions Club.
