Now that the club officers have been nominated for 2013-2014, President's it's time to start planning your year. You should plan your meetings for July 2013 – July 2014. This is how you are going to make things happen.

Questions that you need to ask yourself are

- What type of a meeting that it is, regular, board, work, planning, social or special meeting
- Where the meetings are taking place,
- What time are the meetings
- What type of arrangement are required.
- Is a program required for a particular meeting.
- What equipment is needed.
- Who needs to attend the meeting.

In your meeting plan, you should have at least one meeting on membership. The District has available the District GMT (Global Membership Team) that can help you. The District Coordinator is PDG Dana Zody.

You as President should have most of the planning done prior to attending the May 4, 2013 Leadership training presented by the GLT (Global Leadership Team) headed up by District Coordinator Ann Miller.

Why should this planning be done before the school?

- By doing the planning before the school you will be able to refine your plans based on what you learn.
- You will be able to ask questions on problems that you encountered while planning your year.

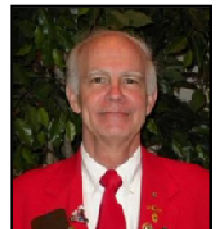

You need not remember the whole planning process presented in the training session, only what you need to change. By planning and attending the training you should have a great year as president. Thank you for your time and effort needed to completing this task.

Ohio Lions Eye Research Foundation

For over 50 years the Foundation has been supporting research on numerous eye diseases at a variety of Ohio Institutions.

Highlights of the History of the Foundation

- 1951** A Representative of the National Eye Research Foundation addresses the Lions at the State Convention. His remarks were turned over to the Blind Welfare Committee for study and report at the next year's convention.
- 1952** The committee's report was accepted and the Council voted to form an Eye Research Committee. Each of the 8 Governors was to appoint a committeeman from his district. The then Council chairman, W. R. Bryan appointed Everett Steece from the Columbus Downtown club to chair the committee.
- 1953** The committee raises \$3,600 and allocated \$1,200 to the Department of Ophthalmology University of Cincinnati, \$1,200 to Case Western Reserve University Cleveland, and \$1,200 to the Medical College at OSU. The \$1,200 allocated to OSU was used to purchase equipment to measure the amount of oxygen administered to prematurely born babies. It had been shown a high rate of blindness in "preemies," the cause: too much oxygen while incubated.
- 1953** The College of Optometry at OSU becomes a funded agency.
- 1957** Foundation status was granted to the committee and it was given 501 (c) (3) tax exempt status by the IRS.
- 1973** Medical College of Ohio Toledo added to funded agencies
- 1974** Children's Hospital, Columbus, added to list of funded agencies.
- 1978** Received a bequest from the estate of Clela Strong, Sandusky, of \$138,000, to be used for education and only the income from the money be used.
- 1979** Established the Fellowship fund and added that all future bequests and memorials be included in this fund with the same stipulations.
- 1980** Added Children's Hospital, Cincinnati, to funded agencies.
- 1987** Established Bryan fund for diabetes research
- 1992** OSU requests OLERF to buy and build an eye research lab at 420 West 12th Ave., Columbus. Cost \$500,000 to be paid over ten years.
- 1995** Added Wright State University to list of funded agencies.
- 2000** Started the OLERF web site at <http://www.ohiolionseyeresearch.com>
- 2002** Final payment to Eye Lab of \$55,000.
- 2009** Established Neiderhauser fund for Macular Degeneration

Past, Present and Future

Ashland Evening

Lion Ann Miller submits the following Ashland Evening club news report:

Recently the Ashland Evening Lions have gained 3 new members – former club member Brian Baughman sponsored by President Jim Hofer and former Lions Norbert Norbert and Barbara Peiker sponsored by PDG Ray and Lion Ann Miller.

We learned about the local Special Olympics program from Nancy Pauly. A \$500 donation was presented in support of this program.

The club finalized our slate of officers for the April 4 election. Members Wanda Kerr and Bobbie Higgins were awarded “B” pins for sponsoring new members during the last club year.

The club is again selling geraniums and other flower and vegetable plants. Lion Tim Leslie is in charge of the sale. Orders are now being taken for delivery on May 14.

Lion Dean Leiendecker reports that the recycling committee has added over \$8000 to our club funds so far this year and they are still going strong.

We are having a cash drawing on May 2 with Lion Betty Helmsin in charge.

Ramping up for the season are the following committees: Holiday Parade, Food Trailer, Garage Sale, and Tent Rentals.

Lion Glen and Sue McClure are serving as chairs of the upcoming District 13B Convention and indicate things are moving forward. They are still in need of donations for door prizes.

On April 4 some members will gather to cut wood to help a member whose husband is recovering from back surgery.

Our annual Lion/Daughter event will be April 18.

Avon

On March 28th at Tom's Country Place in Avon, the Avon Lions donated 25 new stuffed Lions to the Avon Police Department. The stuffed lions will be used by the police to help in situations involving young

children to help calm and to promote goodwill toward the officer. Avon Police Captain Larry Fischbach and Sgt. Robert Olds attended the Lions meeting and gave talks on the police department inner workings and services and a very helpful talk on crime prevention. The meeting included a question and answer period and the presentation of the stuffed animals.

The Lions next meet at Tom's in Avon on April 11th at 6:30 pm with a guest speaker from the Murray Ridge Center. The Avon Lions are based in Avon, but members are from several northeast Ohio communities and we welcome men and women over 18 to attend our twice monthly meetings. If interested in joining or for further info, please email jimangus59@aol.com.

Bascom

March 19th, 1963, 325 Lions, ladies, and guests met at Hopewell-Loudon School in Bascom, Ohio and issued a Lions Club charter to the newest club in Zone 2, District 13-B. Thirty-one Bascom Lions formed this new club. The Bascom Club

was impressed with the time and effort that the Old Fort and Tiffin Clubs put forth into the solicitation and formation of the Bascom Club.

The Bascom Lions thanks both of these clubs for having the faith and confidence in the Bascom “cubs” and sponsoring us.

Special thoughts go to Lions Eternal, namely Dan and Daryl Orwig, Tiffin, and PDG “Spiv” Gllimor, Old Fort.

We know the Club has been good for Bascom and the surrounding community. The Bascom members have enjoyed serving in this “new way”. Fifty consecutive years of living and working together by any company, couple, or organization is justification for celebrating.

We look forward to the future as we commence our second fifty years of serving!

Bellville

The club had five members attend the Butler Lioness Dinner and Auction on March 4. They had a wonderful meal and lots of fun.

Election of officers for the term of 2013-2014 was completed at the February 28 meeting. Congratulation to all.

Cleveland Eye Bank has asked to come to a meeting and speak to us about their program and what they do.

Well your secretary/Zone chairman has been very busy this month. She has traveled to Clyde, Ashland, Castalia, Jeromesville, Bucyrus so far and will be traveling to Old fort and Elyria by the end of March.

She has met many great Lions from all over the district. She is campaigning for second vice governor. She will need some members' to travel with her in the upcoming year.

District 13-B's convention is April 19th through 21st at the Holiday Inn in Westlake. This hoping several of you will attend to support Lion Carolyn for the

Past, Present and Future

Bellville continued

position of second vice governor and to have fun and maybe learn something new. The convention is where you can meet so many nice Lions.

Thanks to all of the Lions Club and Butler Lioness. We were able to collect \$600 to help Mrs. Stark get her much needed artificial eye. Mrs. Stark now has her eye and is very happy. When Lion Carolyn talked with her she was so excited and explained how nice it looked just like her other eye and that it moves with her other eye.

This is what Lions do! We help those who need us. Give yourself a pat on the back.

Castalia

The club voted to combine the Lions Halloween Parade and the Margaretta Homecoming Parade for 2013. The Margaretta High School Marching Band will lead the parade as usual, but Homecoming Floats will be the added attraction this year.

The Castalia Lions Student of the Month for March is Autumn Bodi.

The club donated \$500.00 to The Lorain Vision Clinic which is sponsored by Ohio Lions to provide eye exams and eyeglasses to needy persons.

The Castalia Lions Easter Egg Hunt was held March 23 on the grounds of Bogart School. The weather was cold but the kids came out in force for the fastest event that we sponsor - 3000 eggs were collected in about two minutes. Thanks again to Lion Joe and his family for the prep work and Lion Stan and his bunnies for the ground work.

Lion Dave reported that our club has performed the Ohio Road Pickup Project for 19 years.

Fremont

Our second meeting at the Eagles was a success. The meal choices were great and everyone enjoyed the food.

Caroline Darr, was the Student of the Month from SJCC. The other student could not attend due to illness. Caroline is an accomplished student, athlete and academic. She will be attending Cleveland State after graduation.

As there is not going to be another Business Mtg. until April we started making plans for a Pancake Breakfast to be held on **June 23rd** at the Eagles. We were originally going to use the shelter in the rear of the building but the Eagles are allowing us to set up inside. Tickets need to be printed and letters to local businesses for sponsors requests will be mailed.

Jim Willey has been working to get some Classic Show Cars to cruise through along with the Bikers using the Trail. Greg Derodes will handle the food and Jim Willey the tickets. Bill Armstrong will be working on the letter to send out to businesses and the rest of us will be called on to volunteer when the time comes. We need to make this a GREAT moneymaker again.

We received a letter asking if we were again setting up a booth during the summer Farmer's Market. We just might have some new ideas concerning that venture.

At the **March 19th meeting** we welcomed speaker Rebecca Holland from the Health Dept. and Ross High School student Laura Duncan and her mother Rebecca. Chris Mollis won the 50/50 and gave the money back to the club. Student Laura is another accomplished young lady as a member of the NHS and a member of the Swim Club. She also raises Pygmy goats. Kenyon College is in her future where she will major in English along with Chemistry and Math.

Rebecca Holland showed a movie about CHIP (Complete Health Improvement Program), which is a plant-based diet. Obesity is now the #1 concern in the western world and now a top concern for children. It has been shown eating right can reverse life style diseases. They are planning to have an eighteen-session program but so far have not found a venue that is able to handle their needs for that

Sandusky

A BIG thank you to

- all the Lions who worked our Pancake Breakfast.
- all the members who donated baked goods for our Bake Sale.
- all the members who cleaned out their attics and donated to our Garage Sale.
- all the 'non-Lion' people who helped us make our Pancake Breakfast a success: Troop 8 Boy Scouts, the choral department of SHS, Rhanda Karniotis, and Lisa Hecht
- all the Lions who helped to celebrate Lion Bob Hughes's life at his memorial service.
- all the Lions, not only our club, but the other Lions Clubs of Erie County, for helping us begin Project Life Saver. It is a big task...but will be well worth it!

Thank you to all Lions who attended meetings during March.

We will again be sponsoring a girls softball team. The organization is now the Sandusky Fast Pitch Association. New Day Family Resource Center donated a new popcorn machine to our club.

Sandusky President Lion Carrie thanks the Lions who participated in our Project Life-saver meetings and helped to get the momentum going in Erie County to get this project off the ground. She is very excited about the chance to partner with the Erie County Sheriff's Office and the other Lions in the county to make Project Life-saver a reality. A special thanks to Lion Horst Herzog from the Port Clinton Lions for giving us lots of valuable information about the Project in Ottawa County and the role they play[ed].

Dick Bryan Award

Gene Yeater, right, received the Dick Bryan Award by Lions Gov. Forrest Conrad at the Feb. 21 meeting of Hayesville Lions Club. He received a pin and plaque. The award is given for significant research into causes and cures of diabetes. Ohio Lions Eye Research Foundation recognizes Yeater as a Dick Bryan Fellow. Yeater has been a member for 58 years and received perfect attendance most years. He was "Lion of the Year" for 1985-86 and was president for four years. In 1994, he received the Melvin Jones Award. Gene and his wife, Janice, have five children, 11 grandchildren and five great-grandchildren. He was superintendent of Hillsdale Schools and is a member of Stone Lutheran Church.

meeting. Attending with their families were Dustin Campbell, Hannah Shepherd and Scotty Tackett. All received a Lions Student of the Month shirt and a certificate. In addition to their school activities, each finds time to volunteer within the community.

The Easter Bunny and his helpers hosted 80+ kids at the annual Easter Egg Hunt at Mary-Fate Park. After all the eggs had been found, the children received a bag of candy and their choice of prizes. Twelve lucky children found the "money eggs" and were very happy with their cash prizes.

Norwalk

Lions Art Pember and Jon Christman along with Portsmouth Ohio Lion Dr. Robin LaValley returned from a week long trip to take eye care to people in Nicaragua. They spent March 19 holding a clinic in a church twenty miles from Esteli, Nicaragua. They assisted the Esteli Lions Club in providing eye care to 150 people. They exemplify the Lions motto "We Serve".

The race track schedule is ready for the many workers needed to carry this project forward. The track opens April 20th with the normally frigid Spring Warm Up and closes October 27th with the Halloween Classic. We hope to have another strong year of beer sales to support our many community projects.

Plymouth

Plymouth Lions are saddened by the passing of Lion Eldon Burkett. A 35-year member, Lion Eldon was our Tail-Twister for many years. He will be missed.

Twenty-eight units of blood were collected at our March bloodmobile. Members also assisted the high school with their bloodmobile. Four members attended the Zone meeting and nine members plan to attend the District Convention.

Polk

The 55th Annual Polk Lions Community Birthday Calendar Project is now. Our club usually prints between 300-325 calendars each year. This is something we reveal to potential ad customers so they know the amount of their exposure. It takes a total of 36 ads to fill up a calendar's ad space

Next planning meeting for Strawberry Festival was held February 18th.

The Board approved two new members.

Sycamore

Our club is planning a large garage/yard sale to be offered during the Sycamore Community annual yard sales held this year on May 10 and 11. Thank you to Ruth Ann for chairing this and to Jean and Juanita who offered to help. We have approval to use the Senior Center parking lot. More details will be shared as they are planned.

Upper Sandusky

The Upper Sandusky police department updated the club on the "breakfast with a cop" program. He said the program is aimed at Middle School students who have been in trouble. It is being used as a reward system for youth on probation to let them know someone is proud of them for making correct choices. He said the youth have been appreciative. He checks back with the youth to be sure they are on the right track.

Vermilion

For the month of March we had two students of the month, one for last month and one for this month. Our students were Laura Allen and Savannah Kuntz. Their parents were also present at our meeting. The students and parents were presented a certificate.

Our program was a presentation by students of the Vermilion Speech and Debate team. They have done very well in their State placings this school year. We enjoyed their presentations.

We helped with our monthly bingo at the two local nursing homes, Mill Manor and Kingston.

We had our annual Reverse Raffle on Saturday, March 16, at German's Villa in Vermilion. We had a big turnout and made a good profit. This was our 22nd year for doing this. All of the Vermilion Lions helped to make this such a successful project.

Money was collected from our members

at our first meeting of the month for the Vermilion Food Pantry. With our present economy the Food Pantry can use any help that they can get. We are proud to be helpful to them.

The District 13B Convention was brought up. It will soon be upon us, April 19-21. We do have some members who plan to attend.

On April 1 we will be helping the Red Cross with their Blood Drive at our Ritter Public Library from 1-6 PM here in Vermilion. We are hoping for many donors to participate.

Our 3 digit Raffle Tickets are being sold now at \$5 each for the month of May. The tickets can be purchased from any Vermilion Lion.

Vermilion Leos

Our Leo Club has been busy. They have helped us with our monthly bingo at our local nursing homes.

They also helped with the Special Olympics at Lorain County Community College and received a plaque of recognition.

The Leos just had a very successful food drive which was donated to our local Food Pantry.

They will have a Easter egg hunt for the children of Vermilion at the Vermilion Elementary School' playground.

The Leos are also making beautiful Easter place cards for the residents' tables at our two local nursing homes.
