VOLUME I ISSUE I

JULY & AUGUST 2013

Embrace Change

There is a small family company that I have known, admire and done business with for 25 years. It seems that whatever the economic conditions may be, they just roll along. Recently, I had occasion to take a closer look at their success, and I think there are several “best practice” policies that are part of their methods that we Lions could copy in our own clubs.

1. *Be relevant* -- discard those things that no longer work. How often do we as Lions do things the same way at the same time even though their purpose has faded, or they may have diminishing effectiveness?
2. *Invest in yourself* -- build in funds for new equipment. If your Lions Club has a trailer you probably already do this. However; could your treasurer and secretary benefit from a club owned laptop computer and the software and training to use it? Would members benefit if you provided some basic computer training for the whole club?
3. *Be organized* -- organization breeds success. Do the members of your club understand their roles as officers and project chairman? Do they delegate and prepare their successors to be successful?
4. *Be innovative* -- always seek the best solution. Do you as a Lion just do, or do you seek to do better?
5. *Look outward* – do not exist on an island. Are you serving your community as it if was 1983 or as it is in 2013?
6. *We are all in this together* – have a common mission. Do your members have a sense of common mission?
7. *Embrace change* – change will happen. Does your club live in the past rather than the future?

Presidents: it's your club. It's your year.

1st VDG Jeff Hillis

DG Francis

As I begin my Lions year 2013-2014, I thank the Club Presidents and Secretaries of District 13-B for their effort in completing the PU 101s. The access to your completed PU 101 reports on the Lions Club International data base is a big help in providing the information needed to complete the district 13-B directory. All clubs in the district have completed PU 101 and are reported on the LCI data base. What a great accomplishment this is. Other District Governors wish their completion rates matched ours.

I would like each club to review their PU 101 for missing information such as no telephone number or e-mail address. The club president or secretary can make these corrections of the LCI data base as both have access. The club treasurer has read-only access to this data base. Both club presidents and secretaries should be able to log on to the system. Thanks for your time and effort in completing this task.

When I return from the Lions International Convention in Hamburg, Germany, I will be starting my term as Governor. I'm looking forward to visiting each club throughout the year.

DG Francis O. Hensel

Zone Chair Training

About 60 zone chairs, district officers and others attended the Ohio Lions Zone Chair Training in Ashland on July 27. Eight of the ten districts that make up Ohio Multiple District 13 were represented. Facilities Coordinator for the day was Lion Ann Miller, District 13B Global Leadership Team Coordinator.

PDG Fred Breyer who is the MD13 Global Leadership Coordinator and chair of the state GLT committee led the general sessions for the day. The attendees were separated into three groups and rotated through a session on Lions Resources conducted by PDG Jay Carey, a session on communications conducted by Lion Sue Diehm, and a session on planning for zone activities and especially zone advisory meetings conducted by Lion Ann.

The Perrysville Lions Club served lunch for the day. For the first time, attendees were furnished with a zip drive containing all training materials in place of a paper manual.

July 1, 2013

Dear fellow Lion,

As you may have heard the MD 13 Global Leadership Team applied for and was granted funding to help offset the cost of offering the first Regional Lions Leadership Institute held in Ohio.

The Lions Institutes are indeed the "Ivy League" of leadership training. The institute will be a three day immersion into developing and improving your leadership skills. This training will not only help you in your work with Lions, but also in your profession and your life.

This institute is designed solely to enhance your leadership skills. It will not be about fund raising, membership, or service projects. It will be held at Deer Creek State Park in Mt Sterling, Ohio October 11, 12, 13 - 2013. Attendance is required for all three days.

The cost to participants is \$95.00. Your only other expenses will be your breakfast and transportation to and from. Your hotel bill and 2 dinners and 3 lunches will be paid in full by MD 13 GLT.

The Institute will cover such topics as Servant Leadership, Public Speaking, Time Management, Motivation, working in Teams, and several other aspects of leadership.

With this letter you will find a list of the criteria and qualifications, and an application form. The form can be filled out and submitted on line at the GLT page of the Ohio State Lions Website. You can also fill out a hard copy and mail it to MDS Debbie Luttrell at The Ohio Lions Office, 4074 Hoover Road, Grove City, Ohio 43123.

We are proud to be able to offer this opportunity to the Lions of Ohio and look forward to receiving your application. If you have any questions feel free to contact anyone listed on the side column.

Sincerely,

PDG Fred Breyer
MD 13 GLT Coordinator

July 1, 2013

QUALIFICATIONS FOR MD-13 LIONS REGIONAL LEADERSHIP INSTITUTE

1. Zone Chairs, club officers and all other Lions are eligible to enroll in the Leadership Institute
2. Lions who have served or are serving as District Governors, 1st Vice District Governors and 2nd Vice District Governors are not eligible to participate in the Leadership Institute
3. Lions who have attended previous Leadership Institutes are not eligible to participate
4. Basic degree of computer competency
5. Must attend all 3 days of the institute
6. Demonstrate a willingness to serve in a leadership role in the Lions organization

CRITERIA FOR MD-13 LIONS REGIONAL LEADERSHIP INSTITUTE

1. Member and club number available on membership card or from club secretary
2. **Do not** send money with application, if application is accepted, payment instructions will be sent with acceptance letter
3. Application package consisting of introductory letter, qualifications, criteria and application available on MD-13 Ohio Lions website www.ohiolions.org and select **GLOBAL LEADERSHIP TEAM**
4. Complete application on line and press **SUBMIT** when completed or send a hard copy by mail to MDS Debbie Luttrell, Ohio Lions Office at 4074 Hoover Road, Grove City, Ohio 43123.
5. All applications must be received at Ohio Lions State Office **NO LATER THAN SEPTEMBER 3, 2013** to be considered

Past, Present and Future

Avon

The Avon Lions Club has been busy the last several months. On Saturday, May 11th the Avon Lions Club hosted a "Night at the Races" fundraising event to benefit the new Lions North Central Ohio Vision Clinic in Lorain, Ohio. The 130 guests in attendance had a great time. The event raised \$5,000 for this great project (and this amount was matched). Many thanks to Lion Doug Wetzig for his leadership in organizing the event, the Vision Clinic Committee, Lions and Lions Clubs in 13B who came out and supported this event to make it a great success.

In June, the Avon Lions Club awarded two \$1,000 William Bommer/Avon Lion's Club scholarships to two lucky recipients, Emily Wetzig and Laurel Plzak. Congratulations, ladies!

On June 8th, the Avon Lions Club hosted its annual Fishing Derby at Northgate Park in Avon. The event drew about 200 children, and everyone in attendance had a great time. Thanks go out to Lion John Aunspaw for his organizing the event as he does every year and to all of the Avon Lions who volunteered for this event.

Finally, members of the Avon Lions Club participated in the Avon Duct Tape Parade on June 15th. Thanks go out to Lion Paul Johnson for allowing the Avon Lions to use his Ford Mustang and to Mike Trifiletti for being the lion in the parade.

Th2 second photo shows Avon Lion members Jim Harley (left), and Paul Johnson(right) giving a push to Paul's 1964 Ford Mustang to get it back into the pa-

rade after engine problems. The car was the Lions entry into the parade and was

able to finish the parade. Photo was taken by John Kaczmarek.

Bascom

Outgoing Zone 2 Chairman Greg Swartz, led Bascom's program in his last official visit to the Bascom Club. Lion President Jim Park felt that while Greg was coming to our meeting, let's make use of his talent and allow Greg the honors of inducting our two newest members and conducting the Installation of Officers for the coming 2013-2014 Lion year.

The two inductees were Jim Hutchins and Dexter Tiell. As Lion Greg completes a very successful year, we wish him the very best as he continues his trip in Lionsim as a Tiffin Club member.

The Bascom Lions Club now has ten Melvin Jones recipients: Don Bouillon, Jim Burns, Larry Cobb, Dallas Heck, Dennis Hohman, Duane King, Alvin Lang, Jim Park, Wayne Posey, and Len Watson.

For the 14th consecutive year the Bascom Lions have sponsored and handled the Hopewell-Loudon Senior Awards Night banquet. Four \$1000 scholarships were awarded this year. A local Lions Scholarship committee selected four seniors based on grade point average, community service, citizenship, leadership, and essays on personal and career goals. Congratulation to this year's recipients: David Beleny, Marissa Reinhart, Gabrielle Brandt, and Erin Gilbert.

Bellville

Lion Dean indicated that the Historical Society will not be having the Ice Cream Social any more on July 4. It was decided not to take this on. The social is a very big project and we do not have enough members to work it.

Lion Carolyn reported on the progress of the Mansfield Club. Mansfield Lions will be a branch club of our club until they have twenty members.

Lion Carolyn also stated that we will be conducting vision screening in October at the Clear Fork Pre-School in Butler. Carolyn will ask the Butler Lions Club to help with the screening.

The following pictures are of the Bellville Lions club. The first is of our new officers for 2013-2014, Lion Marv Gillson of the Butler Lions installed our new members, and Carolyn's granddaughter Sarah Brook. The golf cart belongs to Lion Dean.

Past, Present and Future

President Brook presented Lion David Brook an award for outstanding work he did on the pavilion that our club built. He was at every work day until it was completed.

The other pictures are from the Liberty Parade in Bellville July 4th. Lion Dean Thomas, Lion Carolyn Brook

donate for the chance to collect prize money and electronics. Golfing was complete at noon with the Roger Perin Team taking first place and numerous hole prizes. The steak dinner was excellent and much enjoyed by all.

The Ohio Bike Week Beer Booth in Downtown Sandusky was a good project thanks to Lions Jack Coffman and Tim Riesterer, plus all the workers that attended to man the booth.

The Castalia Lions Scholarship winners for 2013 were Carrie Mapus and Beau Beechler of Margaretta High School.

Lion Stan collected and sent in 300 pair of eyeglasses for recycling during June.

The Club made our annual donations to Ohio Lions Eye Research and to Pilot Dogs.

Members will resume their monthly meeting in August to finalize plans for participation in the Clyde Country Fair in downtown Clyde on September 20 -23.

Colonel Crawford

The Colonel Crawford Lions club worked the fair gates at the Crawford County Fair on what had to be the hottest day of the year. Temperatures reached 95 degrees with a heat index of 104.

The club also delivered 838 pairs of used eye glasses to OSU in Columbus, the second delivery this year. The previous delivery was over 1300 pair.

The club was saddened by the death of one of their hardest working members. Lion Dick Wilson passed away suddenly on Saturday, July 20th after having serious health problems over the past five plus years. He and his partner in service, Loretta, were signed up to work at the club's food stand at the up-coming Bratwurst Festival

Clyde

On April 29th the Clyde Lions co-sponsored a 5 K Run in conjunction with Bubba's Battle Foundation to honor a local youth who recently succumbed to brain cancer. Over 160 participants including many walk ins' endured the cold rain that morning to successfully complete the first annual run along the Bike Trail. Many hours of volunteer work plus numerous sponsors teamed to make this an eventful day.

For the first time since the Clyde Lions was chartered, the President and Secretary attended the District 13 B Convention held in Westlake, Ohio. They took donations for the silent auction from local businesses in the Clyde area as well as several club members.

Yearly Officer training held at Ashland was attended by several returning officers.

On June 16th Father's Day, Clyde Lions held a Chicken BBQ at the Clyde Fire Department. Unsold dinners were donated to the Liberty Center in Fremont.

Plans are being made for the annual summer picnic which takes place on Sunday, August 25th. This is an evening of good food and fellowship after the big fund raiser, the food trailer at the Bucyrus Bratwurst Festival.

Fostoria

We are saddened by the passing of PDG Vinton (Vin) Swihart on June 4th, 2013 at Fostoria Community Hospital. Six Fostoria Lions served as pallbearers for the funeral service.

The club received a notice from Pro Medica Hospital regarding its annual Diabetes Walk. The Lions voted to pay for a sign for the walk in memory of Lion Swihart.

June 15th Club sold brooms and flag sets at the Farmers Market in Fostoria.

Cindy Swartz from Good Shepherd Home requested help at the home's food court at the Seneca County Fair on July 25. Sev-

Castalia

Thank you to the following

- Past District Governor Dana Zody for conducting the Installation of Officers at our recent banquet at Studio 101.
- All the members that attended to show their support for the outgoing officers and the new ones just starting their year.
- Past President John for his year of service to our club. The Castalia Lions first President to serve as president twice office
- All who worked or participated in the Golf Scramble. We had 29 teams and 53 sponsors participate this year. Hole #10 (Hole In One Challenge) had 89 golfers

Past, Present and Future

Fostoria continued

Several members volunteered to help.

The June 20th meeting took place at Jackson Park for a Walk Around and free hot-dogs, water and chips as an effort to attract new members to join Fostoria Lions.

The July 11th meeting was held at Waldo Peppers in Port Clinton, and the July 18th meeting was at Reservoir Two and Three for a Walk Around and free food.

July 18th we had a walk a round at the center street reservoir which has a walking path of two miles. The weather was HOT, HOT, HOT!! No one was walking so, nine lions had lot's of hot dogs and hamburger to eat!

July 19th & 20 we had a booth at the Fostoria Glass Heritage Festival selling brooms and raffle tickets on a 1995 Corvette. Once again hot and rain. Due to poor attendance, we did not sell any brooms and just a few raffle tickets.

July 20th we were at the Farmers Market in Fostoria. You guess it , rain, rain. People did come out around 11:00 A.M. We sold \$58 in brooms and a few raffle tickets on the Corvette.

July 21st golf fund raiser had five teams

and six hole sponsors signed up.

Fremont

Concerns about the Bicentennial Celebration parking were addressed along with the County Fair parking. We are committed to these events and this is also our year to collect gate receipts the first weekend in October for the Hayes Presi-

dential Reenactment. Hopefully it will not be quite so blustery this year

The Pancake Breakfast was held June 23. We had a great response to our letters asking area companies and businesses for donations.

Jeromesville

The Jeromesville Homecoming and Summer Festival was held July 27 from 11:30 a.m. to 8 p.m. at Lewis Memorial Park. Sponsored by the Jeromesville Lions Club, this is the 66th year for the event.

Activities for children included free balloons, games, clowns, Ashland County Park District demonstrations, and kiddie car rides around the park. Activities for everyone included a talent show contest for different age groups, the Blackfork Valley Boys playing folk and gospel acoustic instrumentals and vocals, and the Fashionably Late band, the Hillsdale High School Factor winners.

Lorain Harbor

The Lorain Harbor Lions celebrated their 25 years of service to the community at

Tom's Country Place on June 18 with an impressive re-dedication ceremony and installation of officers for 2013-14. Lorain Lion Dorothy McGuire, a charter member of the Harbor Lions, and Lion Ken Cromer attended the event. PCC/PDG Stan Kopf (above 3rd from left) gave a very inspirational speech, reflecting on how one small ray of light can inspire hope and change a person and eventually the world. He used the examples of Annie

Sullivan and Mother Teresa and showed how Lions can be that

same ray of hope. Great message PCC/PDG Stan!

Lorain

IPP Lion Doug Kayle, Lion Dr. John Smith and Lion Ken Cromer attended the dedication of the new Lorain County Health & Dentistry building on July 22nd. Stephanie Wiersma, President & CEO of LCH&D, spoke very positive remarks about District 13B Lions who have raised \$250,000 to equip the new vision clinic set to open in September or October this year.

Lion President Bruce Diso presents District 13B Governor Francis Hensel with a Lorain Lions Lighthouse pin. Governor Francis displayed his expertise and knowledge of Lions pins as he explained that there were five different versions of that pin produced by our club. Lion Hensel is a pin collector and owns several thousand! Lion Bruce announced that the Lorain Lions were going to be donating \$50.00 to the Vision Clinic Project in Governor Hensel's name in appreciation for his visit.

President Bruce been contacted by the Principal of Hawthorne school, Stephanie Johnson. She has invited the Lorain Lions to participate in the Outreach Program, Health Fair, on August 14th from 4:00 to 6:00 p.m. She would like the Lions to man an information booth on how to obtain assistance in eye care. This would be similar to the Health Fair that we participated in at the Health & Dentistry for the past few years. All that we would need is two Lions to work and applications to be filled out by Health & Dentistry.

Past, Present and Future

Mohawk Lioness

And how about those donuts!? We made many, many donuts and sold many dozens of them. Our club made donuts 5 times – 3 times in the fall and 2 times in the spring. We sold 969 dozen donuts at a profit of \$3,469.88. Last year we also made donuts 5 times, selling 1011 dozen donuts for total deposits of \$5,057. This year we had to buy our mix and last year it was donated.

Ontario

The Club presented \$500 scholarships to PHS seniors Hanna Shepherd, Courtney Burkett and Levi Myers. The Club also voted to sponsor a hole at the District Golf Tournament and donate \$150 towards the expense of two PHS students who are attending the FCCLA conference.

Officers for the coming year were installed by PDG Sonny Barker at our dinner meeting on June 26.

July activities include a bloodmobile, Shiloh Ox Roast Parade and getting our food booth ready for our own Silver King Festival July 31 thru Aug. 3. Come on over and have a Swiss steak sandwich.

Norwalk

The endowment fund for Norwalk City Schools thanked Norwalk Lions for the selection of scholarship recipients McKenzie Hall and Alex Smith. We responded to a request from the Norwalk High School Football Parents by donating funds to help with meals at practice this summer.

We invited a new member, Kim Smetzer, to join the Norwalk Lions. We had a good membership meeting at the race track.

The Esteli clinic in Nicaragua was robbed but the equipment was recovered and the clinic is back in operation.

Polk

Polk Lions President John Donley presents Lion Janet Hoffman with this year's Lion of the Year Award. The award voted on by club peers, is presented to a member in appreciation for dedicated and outstanding service to the community through the Lions.

Old Fort

The Board

- Voted to extend invitation to membership to Roger Blue, Ray Lopez, Jay & Kara Pence and Holly Stacy.
- Voted to buy a laser engraved brick at the Pleasant Union Cemetery for \$100.
- Voted to pay up to \$250 for an eye case.
- Agreed to go to Toledo Raceway Park July 13th or 20th in place of July 16th meeting.

Plymouth Lions hosted a "Learn About the Lions" night in May and we are pleased to welcome two new members to our club, Laura Burk and John Echelberry.

A new member orientation session is planned for the third Tuesday in September to give a better idea of how the Lions organization works.

Service activities include sponsoring a bloodmobile, conducting a highway pick-up, and placing flags for Memorial Day and Flag Day.

Hoffman currently serves on the convention committee, youth committee, and the community service committee. She also serves as the club's public relations chairman. Hoffman joined the Polk Lions in 2009 and was sponsored by Candy Donley.

Sandusky

"We would like to express our deepest gratitude to you, our fellow Lions and friends, for bestowing upon us the Melvin Jones Fellowship. The award is certainly an honor for the two of us. Needless to say, you brought forth surprise, tears and

Past, Present and Future

Sandusky continued

silence. Your selection of us for the award was such a great and unexpected honor. We appreciate the opportunity to serve in a setting where people care about quality, service and commitment to others. Although, we do not feel deserving of the award, we are appreciative just the same. Our contributions have not been any greater than those of others, and, perhaps, there were others more qualified for this honor; but we will do our best to represent our organization according to the standards the Melvin Jones Fellowship represents. Thank you again for recognizing and rewarding our service. John and I are lucky to belong to such a great organization and work with such gracious people. We will repay this faith and will continue to provide wholehearted work in the future. As Helen Keller said, "Alone we can do so little; together we can do so much." Lions Pam and John Straziuso

This past year, the Sandusky Lions pur-

Huron, Castalia, Vermilion, and Milan) sale!! have come together in a collaborative partnership to bring PROJECT LIFESAVER to the residents of Erie County.

Project Lifesaver is a national program which provides equipment and training to local law enforcement agencies to assist with finding persons with disabilities such as Alzheimer's disease, autism, Down's syndrome and dementia who have wandered away from their caregivers. Clients wear a radio transmitter on a bracelet either around their wrist or ankle that they cannot remove and which emits a radio frequency unique to that client.

The local law enforcement agency's trained personnel has receiving equipment to track the radio frequency and find the client, usually within a very short period of time. This program will greatly assist law enforcement with searches and almost guarantees that a client will be found.

Project Lifesaver, on a national basis, is responsible for rescuing over 2,673 clients with no serious injuries or fatalities reported! The Lions Clubs of Erie County and the Erie County Sheriff's Office want to bring this security network to our residents living in the County and to out-of-town visitors who visit Erie County's many tourist destinations. Several local law enforcement agencies in the County have already been contacted by visitors who are traveling with a loved one who has a Project Lifesaver transmitter wristband from another jurisdiction to see if Erie County has the program. <http://www.projectlifesaver.org/>

chased a new entrance sign for Lions Park. With the help of a donation from Corso's Greenhouse, we were able to complete the landscaping.

The Erie County Sheriff's Office and the Lions Clubs of Erie County (Sandusky,

Wayne Walton and Terry Honaker reported on the vision screening of a local lady. She has been helped. This is why we do what we do! Doesn't it feel good to be able to help members of our community like this?

Herb Weininger reported that the Seneca County Fair gates are covered. Always something we look forward to. We can see neighbors and friends as we oversee the fair gates. This is another good project for our club. We appreciate our members who help with this project.

Upper Sandusky

We have two Lions work nights planned:

- July 1st after 4:30pm @ Harrison Smith Park, work on bridge.
- Wednesday, July 3rd after 4:30pm @ Harrison Smith Park, work in Kiddie Park.

Please mark your calendars - we really need your help on these projects. Contact Allen Boes for any and all questions.

Vermilion

The Vermilion Lions, have been very busy with many activities the past few months

- Candy Day and we did very well.
- furnished donuts, coffee, milk and orange juice for all of the workers on Vermilion's Pride Day. Afterwards we went to our property and did some sprucing up.
- presented two scholarships to two Vermilion High School seniors at their Senior Banquet
- worked our three day Fish Festival. With good weather and a nice crowd we did very well.
- had our Installation dinner at The Nest. VDG Jeff Hillis installed our new officers for 2013-14.

Sycamore

A big thank you to city council and especially to Chuck Clark. By allowing us to use a couple bays in the garage, we were protected from the rain and wind during our recent garage sale. Thanks to all our members who donated items for the sale!! Unsold items were taken to Goodwill, Carey Free Store, and a few things went with Ruth Ann to her church. We sold the large desk donated by Steve Walton. Thanks to all who worked the garage

Past, Present and Future

Vermilion continued

A few of our members cooked on the grill for Grace's Kitchen, a place where meals are served to the needy in Vermilion.

A few of our members filled some half barrels with potting soil and plants to be placed outside at our property under our pavillion.

Coming up will be Boat and Bike Night on August 14th at Quaker State & Lube in Vermilion. We will be selling home made french fries.

We will be having a steak cookout for our members and their spouses.

October 1st, we will have a Membership

Night. Every member is to bring someone with them.

Our annual Woollybear Festival is on October 6th.

Bellevue

July 15th was Bellevue Lions annual family picnic at the Touch Your Heart Pavilion in Bellevue by the stone quarry. Temp. was 95 degrees, no wind, and 95% humidity. Plenty of good food and games to play.

Our second trash pick up was July 22nd and 23rd accomplished by Lions Jack, Jim, and David. It was much cooler and the highway grass had been mowed.

Mark had three eye cases that were approved. Jim advised he had a request from Janet Scagnetti to help support the Childrens Theatre production at the Bellevue Society For the Arts. We have done this for several years along with other service clubs.

The next thing on the calendar after the picnic on August 19th, is our turn to fix a meal at the Episcopalian Church on August 27th. We discussed preparing spaghetti and doing some of the prep work at Seybert Church. Normally about 70 are served and we will need all the help we can get. Next on the schedule is broom sale (no light bulbs) looking at first weekend in September(6th & 7th).

Zone I Newsletter

This will be the first of a maybe monthly newsletter from your new Zone Chairperson. I have attended the training this past Saturday and now have a certificate to prove I know what I am doing. (RIGHT). I will be visiting all my 10 clubs hopefully before our first Zone I Advisory meeting which is set for September 25th, Wednesday. Bellevue Lions will be hosting and it will be at Seybert Methodist church 421 W. Main next to Wendy's. I will send out a flyer in a couple of weeks.

What I will try to put in the newsletter are events coming up at each club so we can help out or attend. We all have our fun times and fund raiser times and we need to get out and support each other.

I have put together a zone list of clubs with names, phone numbers e-mail addresses that will help you make contacts. I will send this as an attachment as well as this newsletter.

ZC Jim Pickering

ROWSBURG LIONS

Chicken Barbeque

AUGUST 10, 2013
