VOLUME I ISSUE 9

MARCH

A Message for Incoming Officers

It is the time on the Lions Calendar when clubs are in the midst of nominating and electing officers. I want to thank all those Lions who have agreed to serve this coming year as club officers.

It doesn't matter if you were drafted or volunteered; all of you who choose to serve are doing your club, your district, and most of all your community -- a major service. You deserve the congratulations of every Lion.

I ask of you now before the year begins to make the most of your opportunity. Here are a few ways that can make your year a success:

Be ambitious! It doesn't hurt to set your sights high, and when you look back upon your term in office it is more satisfying to look back upon success.

Plan! Start early in planning with your other officers and committees to do worthwhile service, effective fund-raisers and membership growth.

Train! Make sure you attend the appropriate session at the District Leadership Training. (I have been to over 20 of Leadership Schools both as an attendee and presenter, and I always learn something new.)

Go to the Lions Clubs International website! You will find pages of information and specialized courses to help you be a better Lion and a better officer. (www.lionsclubs.org)

Get to know your District Officers! They are Lions who have the experience and knowledge to help you. Zone Chairpersons, Cabinet Officers, Past District Governors, and your Officers want to assist you in having a successful year.

Here are first three important dates, which you need to be aware of:

April 15th -- The PU-101 (Officer reporting form) should be filed by the club secretary with Lions International and First Vice District Governor Francis Hensel.

April 19th – 21st -- District 13-B Convention

May 4th -- Officer's Training School at Trinity Lutheran Church in Ashland.

Hope to see you soon!

P.C.C. Jeff Hillis
Second Vice District Governor

PATRICIA HILL PAST INTERNATIONAL DI- RECTOR

Dr. Patricia Hill from Edmonton, Alberta, Canada, was elected to serve a two-year term as a director of The International Association of Lions Clubs at the association's 90th International Convention, held in Chicago, Illinois, USA, July 2-6, 2007.

Past Director Hill, a psychologist, is a member of the Edmonton Host Lions Club since 1990. Past Director Hill has held many offices within the association, including club president, zone chairperson, district governor and council chairperson. She also served as district chairperson for Membership, Environment, Convention and International Cooperation and Understanding. Additionally, she has served as a committee member for the USA/Canada Lions Leadership Forum, multinational coordinator for Campaign SightFirst II, secretary for the Lions Eyebank (Alberta) Society, Past Director of the Lions Eye Research Institute of Northern Alberta and presenter at multiple forums and conventions.

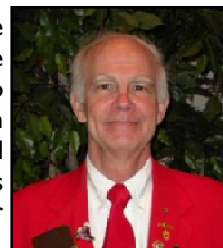

In recognition of her service to the association, Past Director Hill has received numerous awards, including multiple Club President's Appreciation Awards, District Lion of the Year, an Extension Award, induction into the Multiple District 37 Hall of Fame, several District Governor's Certificates of Appreciation, five International President's Certificates of Appreciation and an International President's Medal. She is also a Judge Brian Stevenson Fellow, Denise and Jack Isaman Fellow and a Melvin Jones Fellow.

In addition to her Lions activities, Past Director Hill is active in numerous professional and community organizations. She is a member of the Psychologists Association of Alberta, the Canadian Psychological Association and the Community League. In the past, she served as president of the Alberta Association of Psychologists and the Association of Canadian Educators of the Hearing Impaired.

Past Director Hill and her husband, Gregory Holmes, also a Lion, have two children.

With District Conventions coming up, the governors are all becoming more and more focused on them. We do still have time to bring in the new members we have been thinking about all year. This is really a good time for someone to join because the dues are prorated until the end of the Lions year (6/30).

We have brought in 89 new Lions this year. Congrats! We have lost 113 Lions... Twenty-three of those are through death. Secretaries make sure to get the Necrology report into 1stVDG Francis while all is fresh in your thoughts. There is a copy of the Necrology Report as part of this news letter.

Several of the clubs have mentioned that they are going to have New Member nights during the next few months. If we keep remembering that "We Serve" and show that attitude to new people, it sure seems like we will end up ahead when all is said and done.

Information about our International guest, PID Dr Patti Hill and her husband Greg Holmes is included in this month's newsletter. PID Patti is from Edmonton, Alberta, Canada. She was an ID from 2007 – 2009. I think you will all enjoy her time with us.

I hope that a good number of our Club Presidents can be at the Presidents Appreciation get together on Saturday morning. PID Patti will be there to share some info and field any questions, comments or concerns that you may have.

We have started receiving reservations for the convention. The Convention Co-Chairs Glenn and Sue McClure are working diligently to put together an enjoyable time for all. Please keep the reservations coming!

A change that our clubs will all have to look at starting next year is the bonding of their club treasurer and secretary. MD 13 will no longer be able to bond the club treasurer or secretary. Please check at the local level about availability and cost of bonding.

Please see page 3 for my travel schedule.

Thanks for all you do.
Yours in Lionism

Ashland Evening

Teamwork, football and woodchucks were the topics of the evening when about fifty members of the Ashland Evening Lions, Polk Lions and guests met on February 7th at Celebrations by Sallie!. The Polk Lions Club members were making an inner-zone visitation. Tail Twister Steve McNamara fined everyone present who could not answer his "woodchuck chucking question."

Lee Owens, head football coach of the Division II leader, the Ashland University

Eagles, captivated those present with his "Building a Winner" motivational speech. He told the audience that in football as in service clubs, setting lofty goals, getting the buy-in of members and pursuing those goals, can result in great achievements. At the conclusion of Owen's remarks, Ashland Evening Lions member Barbara Mooney asked him if he could infuse some of his enthusiasm into the Cleveland Browns!

First Vice President Glen McClure asked members to have program suggestions for the coming year and to get them to him by our February 21 meeting.

Lion Glen is serving as chair for the upcoming District 13-B Convention, April 19-21. He and his committee will need plenty of help from club members.

President Jim Hofer reminded members that our club will host the Zone 7 Advisory Meeting on March 4 at Celebrations by Sallie! at 7 p.m.

Secretary PDG Myron Amstutz reminded members to sign up for the convention and for the Zone 7 and 8 Social which will be February 16 at 7 p.m. at Park Street

Brethren Church.

There also was a sign-up sheet circulated for Governor Forrest Conrad's upcoming visitation.

The recycling committee continues to bring money into the club's project fund.

Ashland Noon

Ashland Noon Club had a very busy month. After collecting funds from our Rose sale, we have dispersed funds to nineteen local charities, including the Ohio Lions Foundation, Ohio Pilot Dogs and Ohio Lions Eye Research. We also assisted one person with an eye exam and glasses.

In addition to our regular weekly meetings, PCC/PDG Stan Kopp attended the Winter Retreat.

Six members and spouses attended the Zone 7 and 8 social, and four visited the Polk Club February 26th.

Bascom

Bascom Lions are planning a presentation of the distinguished Melvin Jones Fellow Award to three club members.

This award, given in honor of Melvin Jones, the founder of Lions Club International, is the highest form of recognition conferred by the foundation. The names will be disclosed at the March 19th 50th Charter Anniversary of the Bascom Lions Club. Still strong after 50 years!

A Flyer for the Charter Anniversary is on page of this newsletter.

Bellville

The materials for the 2013 edition of the Bloomville Lions Jim Newlove and Evelyn and Jerry Lutz Memorial Scholarships have been distributed to area schools. The scholarship program was started in 1991. Since its inception over \$15,000 has been granted to fifty-five scholars. The scholarship is funded thru donations and the Bloomville Lions Golf Outing held on the first Saturday in June. Five \$800 grants will be awarded.

Breaking News! Vision Grant Approved. Lion Ken Cromer announced that the Nord Family Foundation's Board of Trustees on Saturday approved our grant request.

We will receive an outright contribution to the project in the amount of \$25,000 and another \$25,000 on a challenge basis—that is, they will match dollar-for-dollar any donations we receive from now on up to \$25,000! This means we have more than enough to match the \$75,000 LCIF grant request.

We encourage clubs, Lions members, community members and businesses to give to the project and double their money.

We also submitted our grant to LCIF on February 5 and received confirmation that it has been checked in and given a reference number, so it is in line for review prior to the April meeting of the LCIF Board of Trustees. We'll be advised in the next couple of weeks whether or not we need to provide any additional information

prior to the grant being considered by the LCIF board.

Tom Spier at the city's Green House will be planting each tree in a clay pot, at no cost to the club. The program is through the Fourth Grade Foresters. The trees are about 12-18" and cost \$1.59 per tree.

The benefits of our participation are:

- Build a connection with the community
- Share the message and vision of Lions Clubs
- Help kids learn they make a difference
- Help kids set an example for the entire community

Sycamore

Recently District Governor Forrest Conrad visited our club. He reported on the LCI emphasis on education and noted the progress toward the Lion Vision Center in Lorain. District goal for each club is to be a +1 club.

Our club is nearing completion of the incorporation process for our club and the Mohawk Lioness.

We are reminded of our agreement to once again cover the Seneca County Fair gates on July 28th. We depend on all our members to help with this as well as the Mohawk Lioness club. Together we can do it!

Our club is planning a large garage/yard sale to be offered during the Sycamore Community annual yard sales held this year on May 10 and 11.

Upper Sandusky

President Earl thanks Lions John and Sara Houpt for their many hours of work on the Fantasy of Lights. Secretary Becky Krock thanks the members that tirelessly worked throughout December to keep the lights lit.

Lion Kate Aubry introduced Upper Sandusky Schools Superintendent Mike Eaglowski. He noted that in light of the New Town, CT tragedy, the schools will install a buzzer and camera system at the front doors and keep all doors locked. He is concerned about allowing anyone in the school to be armed. He is also concerned about the state mandates.

President Earl Sayer reminded Upper Sandusky Lions they are in charge of the next Zone Advisory Meeting on March 18th.

We received several thank you notes from the Senior Village residents for the Christmas dinner and gifts. Thanks also go to Lion Gary Ault for donating two turkeys to the cause.

The eye screening project should be done in the next two weeks.

Vermilion

This month we had a program on the Lucy Idol Center for the Handicapped. We learned about the facility operations and how cutbacks from some agencies affect the Center.

Vermilion Lions helped with monthly bingo at our two local nursing homes.

We had one eye glass case this month.

Seven of our members went to Norwalk recently for our Zone 3 Advisory Meeting. It was interesting to hear of various activities of the other clubs in the District.
