Lion Pride

Ohio Lions District 13-B

VOLUME I ISSUE 3

SEPTEMBER 2014

It Is Our Time Right Now!

Sometime, the time is not right. Sometime, we just have to wait. Sometime, we just choose to wait. Sometime, we never stop waiting.

Well, this is our time right now! It is our time to grow, and it is our time to serve.

Never before have the factors been better for our clubs to prosper. Never before have our individual communities needed the service we Lions provide more, and all we have to do is reach for the brass ring to invigorate our clubs.

Our membership program, Invite 35, will get your club growing again. The Centennial Service Challenge is the kind of motivator that will provide a springboard to a new century of innovative and valuable projects. All this put together means that your members will have the pride and satisfaction that every Lion wants.

A fast tour around District 13-B will reveal growing and vibrant clubs like The Fremont Lions Club. They have invited 51 prospective members to join their club in the last 6 months, and they have gained 14 new members.

What about The Lorain Lions Club? They just spearheaded a fundraising project to equip the Vision Clinic at Lorain Health & Dentistry. This was a three-year project that raised \$260,000, and now patients who never had access to vision care are routinely being seen.

There is nothing that we cannot do, if we choose to do it. If we choose to grow we will, if we choose to serve in new and innovative ways, we will...but we must choose. Positive change is intentional, negative change is apathetic. Which do you want for your club?

I know, and I expect, that District 13-B will have significant membership growth this year. I also know that we will serve more people in more ways than ever before. The reason I know this, is because I know you, the Lions of 13-B. There is no harder-working, more community-minded group of people in the world.

So talk with your club, and let's all agree to grow, to serve and to improve our clubs. Now is our time.

Join the Centennial Service Challenge Today!

There's never been a better time to serve than now! For nearly 100 years, Lions have served their communities and impacted millions of people around the world. To celebrate our 100th anniversary, we are asking Lions to help reach our Centennial Service Challenge goal of serving 100 million people by December 2017. Every club can play a part in reaching our goal, and your club can earn special Centennial recognition when you serve!

Earn Special Centennial Recognition for Your Club!

Your club can earn a Centennial Banner Patch with a special gemstone design each year you support our Global Service Action campaigns to impact Youth, Vision, Hunger and the Environment.

- Each gemstone represents the number of different Global Service Action Campaigns your club participates in during the fiscal year.
- The more Global Service Action campaigns your club participates in, the more gemstones you can earn for your banner patch.
- Earn a diamond-level Centennial Banner Patch by participating in all four Global Service Action campaigns!

Earn Up to Four Centennial Banner Patches

Your club can earn up to four Centennial Banner Patches by participating in each year of the Centennial Service Challenge. Qualifying donations to Lions Clubs International Foundation will also count toward your Centennial Banner Patch.

All Centennial service activities must be reported through My-LCI's Service Activity Report to receive credit. Districts can also earn Centennial Banner Patches based on the participation of their clubs.

Start Planning Your Centennial Service Project Today!

To learn more about the Centennial Service Challenge, review the [Centennial Service Challenge FAQs](#) or email us with questions at CSC@lionsclubs.org. Check out the Global Service Action home page for more information on our service campaigns. For help with reporting your activities, visit [MyLCI](#) and review frequently asked questions about service activity reporting.

Strengthen Your Pride In September

September is the time for your club to **Strengthen Your Pride**, and here are 10 things to make it happen this month:

1. Join the Centennial Service Challenge in September.
2. Invite five prospective members to join your club this month.
3. Plan a new and innovative service project.
4. Push the boundaries of your usual projects, and make them exciting.
5. Bring your inactive members back into the fold by inviting them to your September meetings personally.
6. Reward your members who did a great job over the summer.
7. Report your activities, service hours, and number of people served on MyLCI, so we all know what a great club you have.
8. Invite one of the excellent District Project Chairmen or Foundation Trustees to speak at one of your meetings.
9. Talk to your local school and government officials to see what areas of service to the community they feel need work.
10. Have Some Fun with Your Fellow Lions!

Regional Lions Leadership Institute Information

Last year the Ohio Global Leadership Team sponsored the first Regional Lions Leadership Conference ever held in the State. This year we are once again sponsoring another Regional Lions Leadership Institute and we are adding a second level of instruction.

So you might ask what is a Regional Lions Leadership Institute?

A Regional Lions Leadership Institute consists of three days of instruction, bonding, fellowship, and motivation.

INSTRUCTION

In the **Level One** session the topics covered include Public Speaking, Developing a Personal Mission Statement, Lions Fundamentals, Working in Teams, Motivating Club Members, Diversity, Time Management, and dinner speakers.

In the **Level 2** session the topics covered such things as Strategic Planning, Leadership Styles, Basic Mediation Techniques, Public Speaking, Signature Projects, Conducting Effective Meetings, Utilizing Available Recourses, Leaders Can't Do It All and Enhancing Your Lions Profile in Your Community.

You will notice that all of these courses deal with leadership. There is nothing at the institute regarding membership, fund raising, or service projects - just leadership.

BONDING

Last year when we got the evaluations back from the participants the most frequent comment we heard was that the Institute was "INTENSE". We thought about that comment when we reviewed the evaluations. In thinking

about this comment we felt that the experience of being involved with 29 other Lions in an intense activity was what caused the bonding in

I attended the 2013 Regional Lions Leadership Institute last year at Deer Creek State Park. As a manager for over 25 years, I was not sure what to expect. As it turned out, I learned more about people skills, time management, public speaking, team building, setting and reaching goals and diversity in the work force, than I would have thought possible. I use every one of these skills everyday at my job. The courses at the RLLI helped me be a better Lion as well. As President and Zone Chair last year, I used the knowledge from the RLLI to juggle my busy work and lion schedule.

The best part of the RLLI was the friendship and camaraderie of over 30 Lions from around Ohio, as well as the Instructors. As we worked together the whole weekend, we became friends that will share the memories for a lifetime. If you have any questions about the RLLI, do not hesitate to call me at 614-563-6321.

Lion Kirby Witmer District 13-F

the group. They faced a difficult task and they survived. They bonded!,

I have included in this article the thoughts of several Lions who attended last years Institute. All three of these Lions have already signed up for level two this year. Almost everyone who attended Level 1 last year has signed up for level two this year.

Fellowship

Although the three days of the Institute were packed with classes there was still considerable time for fellowship. Lunches and dinners were largely centered around Chocolate food items (ask one of the Lions from your District who attended last year about this for an explanation), lively discussion, and after class discussions in the evening. Many of the group has maintained facebook contacts and last spring at the State Convention we held a reunion gathering to get everyone together and see how they were doing.

Dear Fellow Lions,

I can hardly express enough just how much the Leadership Institute meant to me as a new Lion, and a new upcoming leader of our club. Besides everything I learned during the conference about how to be an effective leader, what I got most out of that weekend was the true feeling of Lionism. See, I have only been a Lion for 4 years, and I joined at the prompting and encouragement of a good friend. What really happened was that I walked into a club that was struggling. Membership was declining, very few people showed up to club meetings and there was a constant negative air about everything. After the first year or two in the club, my interest was quickly fading. I was truly on the fence about remaining a Lion, let alone staying in the club. I chose to stick around for a 3rd year, at the persistence of a few good friends I had made. In the 3rd year, I was asked to be 2nd VP. I hesitantly accepted, unsure if I would actually make it to become President. In this year I was encouraged to attend the 2013 Leadership Conference and I did. Wow, what a difference that made. During this conference I experienced what being a Lion is all about, from the support of the GLT team to Lions who came together across the state. After the institute, I gained a new focus and perspective and was jazzed about not only continuing to be a Lion, but to eventually being club President. I can't wait for Level 2 of this years Institute!

Lion Rachel Smith District 13 - F

Another aspect of the fellowship was the relationship between the instructors and the students. I think that every one thought the relationship at the end of the institute with the instructors was friend to friend. I know that as one of the instructors the Institute was the one thing that I have accomplished as a Lion that I am most proud.

Hi Members of District 13-B,

I will be starting club visitations the first of September.

I have attended both the GMT committee meeting and the first Cabinet Meeting. In addition to club visitations in September, I will be working with my club, the Bellville Lions, at our food trailer during the Bellville Street Fair. At the end of September, I will be at the food trailer during the Heritage Days at Malabar Farm as well as attending the Zone 6 Advisory Meeting.

I am working with my club on the Centennial Service Challenge of inviting 35 people to our meetings. I have asked six people to date, but still have a long way to go. My personal goal is to ask more than 35. I can only hope that all members in District 13-B will work on increasing our mem-

Innovative Grant Given By District 13-B Hearing & Speech Work With the Deaf Committee

L-R: PDG Gary Garrett, Christina Wheeler, Leah Cavanaugh, DG Jeff Hillis

(Galion, OH) The District 13-B Hearing & Speech, Work with the Deaf Committee presented a \$1,000.00 grant to Avita Health Foundation in August to purchase an I Pad with a special App. called *Shout Out* to assist a young woman who has a form of speech aphasia. The device, with special software, will assist the young woman by speaking for her according to Leah Cavanaugh, Director of Speech Pathology of Avita Health System.

The Hearing & Speech Committee is chaired by Lion Carol Shaffer, and operates with donations from the clubs of District 13-B, that are managed as a restricted fund of The Ohio Lions Foundation.

Christina Wheeler, Speech Pathologist said that the I Pad would replace traditional speech generating machines that cost upwards of \$13,000. Avita sought grants from several foundations and groups, but the Lions were the only organization that showed interest in the project. The original request was made with the assistance of the Bucyrus Lions Club.

The bed race attracted a huge group of young people to compete in this fun event. Thanks to Lion Gene and his work crew for their support of this event. Lion Gene reports that we made the best profit of the last several years.

We thank members of the St. Paul Lutheran church, in North Robinson, and the Upper Sandusky Lion's club for their help selling the Pita Wurst and Bratwurst sandwiches.

Excerpts from Zone I Newsletter

Some exciting news to pass on, Gibsonburg wants to start a club. It disbanded about 10 years ago. Any help we can give them would be appreciated.
