## Ohio Lions District 13-B

VOLUME I ISSUE 11

JUNE 2014

### ***"Strengthen the Pride"***

The 95<sup>th</sup> Annual Multiple District 13, Ohio Lions Convention is completed; and it was an eventful weekend in Dublin, Ohio.

The biggest news is that the amendment to the state constitution, which re-draws the districts in Ohio overwhelmingly, passed with a 91% majority. The District 13B caucus supported the passage of the amendment. Starting on July 1, 2016 Ohio will have seven districts instead of the current ten.

What will this new structure mean to all of us here in District 13B? Well the answer is that very little will change. Our district retains the same boundaries, and all current 13B clubs will be in the new district. The thing that many of will have the most difficulty adjusting to is that we will no longer be called District 13B, but rather our new designation will be District 13OH-2.

13B was the only Ohio District whose boundaries were unaffected. The reason: we will have approximately the same number of members and clubs as the other six new districts.

In addition to the re-districting proposal; Ohio Lions Eye Research Foundation presented a re-written, updated Code of Regulations (Constitution) during the foundation's annual meeting on Saturday for a vote. The new code was adopted unanimously. This new Code is a modernized version of the old document, and will bring the foundation's document in line with current practice.

The International Guest at the Convention was First Vice President Lion Joe Preston of Arizona. 1<sup>st</sup> VP Preston will be elected as President of the Association in Toronto in July. 1<sup>st</sup> VP Joe is an engaging and personable leader, who will do great things for us during this coming year. His theme for the coming year is, ***"Strengthen the Pride"***, and that will be our theme here in 13B.

A few personal notes:

Longtime Bloomville Lions Secretary Dave Zartman is under the weather. Lion Dave has served his club and District 13B in many capacities, and I am sure he would enjoy receiving a card or a note while he recovers.

The District 13B PDG Association is sponsoring their All Charity Golf Tournament at Woody Ridge on June 22. Why don't you get together a team and have some fun? Anyone is welcome to play, so this would be a good way to introduce your friends and family to Lions.

Finally, on behalf of all the Lions of District 13B; allow me to thank District Governor Francis Hensel for his great year. DG Francis has served with particular distinction. He has been shown us that he has the "Heart of a Lion". Well done, District Governor! We thank you, and we are grateful that you served!

Jeff Hillis, DGE

## DG Francis

Lion year 2013 – 2014 is almost over. It is now time for Club Presidents and Secretaries to make out the requests for 100% President and Secretary awards.

The President is to complete the request for the 100% secretary award. The secretary is to fill out the request form for the 100% president's award. The Club, if participating in the Club Excellence Program also needs to be completed and sent to the Governor for approval and forwarding to LCI.

The bus trip to the International Convention in Toronto, Canada still has seats available. The cost is \$250.00 per person. You need a full passport to travel on any type of commercial transportation into Canada. Contact Jay Carey by e-mail [buckeyejcary@sbcglobal.net](mailto:buckeyejcary@sbcglobal.net) for bus tour information.

The membership is down a –16 for the year. This is not great but better than previous years. Let's have one final push and end the year on the plus side.

Lion Francis Hensel  
District Governor 13B

least one person to each of our meetings for the next year. If we do this we may be able to increase our membership. As I always tell my fellow members all you have to do is ASK.

On May 3, qualifying for the 2014-2015 rocker to add to the banner patch and rocker awarded last year were The Plymouth Lions and The Hayesville Lions. Four clubs met the requirements for receiving the banner patch and their first rocker: the Tiffin, Lucas, Loudonville and Perrysville Lions Clubs.

Thank you again to all who participated either as attendees or staff for the school.

## Future International Conventions

## 1st VDGE Carolyn

I have three clubs to visit before the end of the Lions year. Then I will start visitations again in August. I am very happy to be 1<sup>st</sup> VDGE and starting on a new and great adventure this coming year.

Attended the State Convention May 16<sup>th</sup> to 18<sup>th</sup> and had a great time. I was surprised and very proud to receive the Lions International Leadership award. My hope is to measure up to the award. I am very proud to be a Lion in District 13-B.

I issued a challenge to the members in my club (Bellville) for each member to ask at

## Notes from School

On May 3, 45 of the 58 Lions and Lioness Clubs in District 13B participated, meaning that we reached in one day 77.6% of the clubs in the district. How great is that!!

While compiling statistics from May 3, we discovered the following: Though training sessions occurred years earlier, attendance information has been kept for schools since 1999.

There are twelve Lions Clubs who have been represented every year. Those clubs are: Bellevue, Port Clinton, Bloomville, Tiffin, Vermilion, Colonel Crawford, Plymouth, Upper Sandusky, Lucas, Ashland Evening, Hayesville, Perrysville
