Lions of 13 OH 2

Its GREAT to be a Lion its fun to be a Lion

All I have to say about the last week plus spent at our International Convention in Chicago is WOW!!

It's one thing to talk about our association being International but watching the parade go down state street with people from over 200 countries being present many dressed in costumes from their country, you get the idea of just how "International" Lions truly are. A few of the highlights coming out of this year's convention were Dr. Naresh Aggarwal of India becoming the International President. His main point of emphasis was the power of We and how a small contribution in time from all of us adds up to a tremendous amount of service when done world wide by over 1.4 million Lions.

ANOTHER BIG CHANGE IS THE ADDITION OF Diabetes TO THE NEW SERVICE FRAMEWORK to join Vision Hunger, Environmental and Pediatric Cancer.

At this point, it would be proper to thank Kerry Parker and the Parker family for the fantastic job she did of organizing the bus trip for our OH 2 Lions. People from several other districts mentioned they would like to have her in spite of who her brother is LOL.

Our new President Naresh also talked about a goal of 200 Million service hours per year for Lions by 2020 once again the Power of We--- all Lions doing a little adds up to a lot of service. In Ohio we have right at 12,000 Lions give or take a few If you look at the population of Ohio we are stretched pretty thin.

This brings us to our own district and a goal set with the Vice Governors to be 2020 by 2020.

This is a 2-part goal. First the easier part. Right now about 13 of our clubs are helping with vision screening by 2020 we would like to have at least 50 percent of our clubs doing or helping with pre-school vision screening. With the Plus Optix machines we now have this is easier than ever. Please contact Sonny Barker or myself and we can get your club started ASAP.

The second part of 2020 by 2020 is just what it sounds like 2020 members by 2020. This works out to helping our clubs all be plus 1 for 3 consecutive years.

Each President and Membership Chair, we ask that you lay out your plan now to have a membership night and just as important make sure your current members feel involved. This is also the time to set up your service projects as well. If your club is active and has fun membership is much easier.

LCI estimates that every Lion member on average is able to provide service to about 6 people per month, as a district that adds up to serving 3960 additional persons per year. That is the power of

To help with this we are giving all of the clubs a sign to use at their events that says the ____ Lions club is currently accepting membership applications. It will also have membership applications and the "Your Family can make a difference" Lions brochures. This will be in all clubs hands at or before the first Round of Zone Meetings. Our GMT Team also stands ready to help your club. JUST ASK

Club Presidents, there is an upcoming webinar that will be very helpful to you so check it out if you can---Info will be listed later in the newsletter.

As some of you are aware every district in Ohio is having a 5K race and 1 mile walk to help raise funds for Pediatric cancer. Our walk is September 24th in Ashland. Thank you to Mark Rafield and Ashland Noon Lions for help with this. To register go to <http://getmeregisteredSTEPSOhioLionsWalkAsh>. Please support this walk by registering and or volunteering this event is very close to Lion Tresa and myself.

There are several other things such as our Membership contest for a club to award a Jim Coffee award, our Lion of the Year per Zone and district and a few other projects for our district that are still being finalized. This coming weekend is training for Zone Chairs and Assistant Zone Chairs so look forward to seeing you in Ashland.

Thank You so much for the chance to serve our district. The only way I can reach the goals set is to help you reach yours, looking forward to working with all of you this year---When was the last time you asked someone to be a Lion?? Take Care and Hope to see you soon Greg

IPDG Steve Cochie

The year is over and we now have a new Governor of District 13 OH 2!! Let's all work together to support Governor Greg Hess and his Staff to continue to be the leading District in the State of Ohio. Good luck Governor Greg on your new ventures and I look forward in supporting you any way possible.

I would be reluctant to list all the Lions I need to thank for such a great year as your Governor. So I'll keep it simple.....Thanks to ALL the Lions and Clubs

for your undying support throughout last year. I have been blessed to meet so many of you and I acknowledge the hard work you all do to make this District so special.

Time went fast and now it's time to relinquish the reins to the new Governor. We had a strong year, with the loss of members at about 40, we still provided the much needed service to those that need our help the most. A super great job by everyone. I'm so proud of all the Clubs and members who sacrificed their own time to help someone, or many, in all the things we do.

We crushed our \$20,000 goal for LCIF donations and totaled \$25,983. A total of 50 Clubs out of 55 donated for almost 92% rating. This is a fantastic way to provide services to those all over the world!

It's been a great three years of Service to the District as Vice Governor and Governor. The memories will always stay with me, and I thank you for making it so pleasant. Look forward in seeing all of you again as your IPDG!! See you soon!

What a great year as Lions we had celebrating 100 years of service throughout the world! I hope everyone has/had a safe summer and memorable travels.

Now, the new Lions year has started, and it's time to look ahead to the next 100 years. It's never too late to be planning/executing new membership events and service projects for our communities near and far away.

Hopefully, more Clubs are becoming acclimated to using the new Plus-Optix eye screeners and scheduling screening events through various pre-schools in their local areas. That challenge remains an ongoing one, even as we broaden our involvement in areas such as pediatric cancer and diabetes research.

On a more personal note, please check to see that my visitation schedule meshes with your Club schedule of meetings for the 2017-2018 year. If we need to alter those dates, please feel free to contact me at 419-685-1113 or

kaufmankeith151@yahoo.com.

Continue to have a great summer. I look forward to visiting with you and your Club members.

2nd VDG Kenny Schuck

As we begin the second century of Lionism, I believe it is time for us to as individual Lions, as clubs, and even as a district, to reflect on where we have been, where we are and where we are going. We are all Lions because we firmly believe it is our responsibility and our duty to serve our communities, our country, and our fellow man. We should all be proud of the impact we have had on our communities through our service. Under Governor Greg we are asking every club to begin the process of reviewing and evaluating your goals and objectives, not only for this coming year but for years too come. The question is not "Are we doing the right thing?". The questions we should be considering are "Are we using our talents, our resources, and our time as effectively as possible?" and "How can we increase our contribution to our communities?".

Over the next couple of years we are asking every Lion and every club to evaluate their leadership, service, financial, and membership positions and set long term goals and objectives for yourselves and your clubs. Our organization needs people that are planning now to be leaders of the future and the clubs need to plan where it's future leadership will come from. Clubs need to evaluate their service projects and fund raising activities, and determine the sustainability and the value those activities have for the club and community. We must also evaluate our clubs membership recruitment and retention. These evaluations, planning and goal setting activities take time and as Governor and Vice Governors we are looking forward to working over time to assist your clubs in reaching the objective of a comprehensive plan for your club. If we have clear objectives for our clubs in the long term, we will have a road map for continued success for our clubs, this is why we are calling this our **2020 VISION**.

One of the major goals we have for **2020 VISION** at the district level is 2020 members by convention 2020, that is a growth of 174 member or just over three

to be plus on membership and it is a major goal to ask every club to be plus three, but what we are asking is every club be plus one every year for the next three years. There is no reason every club can not grow its membership by one each year. It does require planning for recruiting, retaining and involving new members but the payoff is great, not in terms of numbers on a sheet of paper, but in community service. It is estimated that for each additional member 70 more people are directly effected by your club each year. As our newly installed International President Dr. Naresh Aggarwal proclaimed in his address to the International Convention, the power of one individual "I" to affect our communities is limited, but the power of "WE" is limitless. It takes you and I to make our motto "WE SERVE", but with more of us we can make the level of service truly limitless.

Our communities have a growing need for Lions, and to serve the growing need we need more Lions. Through action a vision can become reality, let's make it happen.

Convention Chair Darlene Schuck

We are still months away, but work has already begun on the 2018 OH-2 District Convention. I look forward to working with Governor Greg to bring you a fun filled and entertaining weekend. Make sure and mark your calendar now so you don't miss out on the fun. Friday April 13th through Sunday the 15th once again to be held at the Castaway Bay in Sandusky.

Two things you can start doing today to help me get ready for convention are: Collect pictures of your club members in action. This year we will again have a digital slide show during the meals, so I need your pictures. You can email them to me preferably in jpeg format, a few at a time. Emails of less than five transmit better than large files.

Watch for items your fellow Lions may enjoy as a door prize or a silent auction item. By bringing these items you help us to keep the cost of Convention down and add to fun.

I look forward to seeing all the members of the district at convention and will bring you more information as we confirm our plans.

Major health issues have curtailed his efforts in recent years, but he remains strongly committed both to Lions Clubs International and to the Ashland Evening Lions.

Ashland Duo Takes PDG All Charity Golf Classic

(l. to r.) Gene Haberman and Jeff Alix
2017 PDGA All Charity Golf Tournament Winners.

Gene Haberman and Jeff Alix of Ashland topped the field as overall winners of the 2017 Past District Governors Association All Charity Golf Classic on June 4 at Woody Ridge Golf Course near Plymouth.

The duo took top honors in a scorecard play-off by edging out Lions Dave Omlor and Jeff Hillis. Both teams carded 76 for 18 holes.

In this year's tournament the 13 teams played Alternate Shot on the front nine holes, and finished the match by scrambling home on the final leg.

Dave Omlor and Jeff Hillis took the Alternate Shot leg by posting a 40 on the outward leg, while the Ashland team of Haberman and Alix carded a 41. However; on the final 9 the Ashland duo shot 35 to Hillis and Omlor's 36 which left the match in a virtual tie. The tie was broken by comparing the scores on the number one rated handicap hole where the Ashland team birdied for the tournament win.

Thirteen teams participated in this year golf extravaganza representing eight Lions Clubs:

Ashland Evening Lions
Bucyrus Lions
Old Fort Lions
Polk Lions
Bellevue Lions
North Ridgeville Lions

DISTRICT 13 OH-2 GOLF OUTING

Host club – Hayesville Lions

March 22, 2017

Dear Lions Club President & Secretary,

On August 27, 2017, Hayesville will be hosting the District 13 OH-2 Golf outing. We are asking for your help. There are two ways for your club to help raise money for the worthy cause of Lions charities.

1. Encourage your club to enter one or more teams. The price is \$55.00 per man so that many Lions can participate in the golf, fun, and fellowship.

2. BE A HOLE SPONSOR. For only \$25.00 your Lions Club can show its pride in Lionism, and have your club's name added to the list of sponsors. We also hope that some of your members will consider having their businesses sponsor a hole.

The event is being held at Mohican Hills Golf Club, Jeromesville, Ohio.

We hope you will join us to have fun and do a lot of good. Thank you for your support and consideration.

Your is Lionism,

William Harner
Mike Kelly
Co-Chairpersons

PLEASE MAIL YOUR \$25.00 checks, payable to HAYESVILLE LIONS, to:
