LIONS OF 13 OH 2

ITS GREAT TO BE A LION ITS FUN TO BE A LION

I want to first report on the happenings at state convention. FIRST thank you to ALL OF OUR DISTRICT people who showed up to support our own Forrest "Woody" Conrad in his run for Ohio's Endorsed candidate for International Director----he ran a great campaign and represented himself and our district with class.

To be technical after 3 votes he was not eliminated but another (PCC Steve Thornton) was chosen. The other big issue which was the \$5 dues increase was defeated as well as the attempt to form a 2nd State Quest committee just for grant writing. It was a very busy convention and once again THANK YOU for the great turnout at state convention.

As this Lions Year winds down its time for all Club, Zone, and District leaders to take stock of the Lions Year coming to a end on June 30th. Did you reach the goals you set? Is your Club/Zone/District better now than when you started the Year.

I'm almost happy with the year we had as a district---we had our first STEPS race for pediatric cancer, we were very successful in getting more clubs to screen more children than we have in the past, which was the first part of our 20/20 goal. The membership part of our 20/20 goal is still possible to reach although it looks a little more daunting. I'm very happy that 40 or more clubs have added at least 1 or more NEW Lions this year. I'm VERY happy with the total of NEW Lions added as a district. But with that I'm saddened by the passing of about 40 Lions from our district this year as well as the loss of the Gibsonburg Club and other Lions who we failed to retain.

With Keith becoming officially governor in about a month, I ask that you please give him and the rest of the team the same fantastic support that you gave me. Traveling to all of the other districts I really appreciate the great leaders and clubs that we have in our District. Many districts are failing to even be able to fill the 2nd vice chair without recycling and one district is still vacant while in 13 OH 2 we have our chairs filled with exciting leaders and several more waiting in the wings for their chance.

Its also time to set YOUR Lions goals for next year SET THEM HIGH its amazing what we can achieve.

Last, let's finish this Year strong. LCI has just announced that the entrance fee is waived for new Lions June 7th to 30th. If you have someone you would like to ask, NOW is the time !!! Save them some money and sign up that neighbor, brother, cousin, son, daughter, grandchild etc double the savings if its your spouse because then you are on the family plan.

Thank You one last time for the honor of being Governor of this great district
Lion Tresa and I have really enjoyed it

1st VDGE Keith

Welcome to summer! After seemingly skipping most of Spring by having an extended frigid winter, it seems we have been fast-forwarded into Summer within a couple weeks. And with the State Convention past, we are moving forward to the Lions International Convention in Las Vegas, the start of the new Lions Year, and the USA/Canada Forum coming in September.

Congratulations again to Council Chair Betty Robbins on a fine year and to ALL Lions and their Club members for accomplishing much in the communities as well as all the candidates for International Director, a position won by PCC Steve Thornton

The keynote speaker at the State Convention, Past International President J. Frank Moore, III, reminded us of the WHAT (the members, communities, etc.), the HOW (the plans, methods used, communication methods, etc.), but most importantly the WHY of Lions—our reasons for being a service organization. He was enthusiastically greeted and supported—he may even have gone home a full-fledged Buckeye! Who knows!!

Lion Connie Sue and I have continued to be on the move. We recently completed Guiding Lions Training under the direction of PCC David Gauch and hosted by the Lions of District OH1. We installed the officers of the Mohawk Lioness Club and heard a presentation that night about Low Vision programs and equipment and resources by Lion Joy Hillis from Bucyus Lions Club.

It is a good start to the new Lions year. See you soon. We Serve—contact us as needed.

State Convention, Greg Hess elected Council Chair 2018-2019

Regional Lions Leadership Institute

Service thru Leadership Ohio Lion Global Leadership Team

The MD 13 GLT will once again be offering a “Regional Lions Leadership Institute” to the Lions of Ohio. We also again will offer a third level this year. Levels I and II will be limited to thirty participants. Level III will be limited to 15 participants.

The Lions Institutes are indeed the “Ivy League” of leadership training. The institute at all levels will be a three-day immersion into developing and improving your leadership skills. This training will not only help you in your work with Lions, but also in your profession and your life.

This institute is designed solely to enhance your leadership skills. It will not be about fund raising, membership, or service projects. It will be held at the Deer Creek State Park Lodge, Mt Sterling, Ohio October 26-28, 2018. Attendance is required for all three days.

The cost to participants is \$160.00. The total institute cost per participant is over \$300. Grants from LCI and funds from the MD-13 GLT committee allow you to attend for half of the institute cost. Your only other expenses will be your incidentals and transportation to and from. Your hotel room and 2 dinners and 3 lunches will be paid in full by MD 13 GLT.

Registrations this year will be handled on a first come/first served basis. On a space available basis, this institute will also be open to active past district governors.

For further information regarding questions, agendas and application forms, please contact Lion Ann Miller, OH-2 GLT Coordinator

Districts and clubs will have the option to report their service activities in fiscal year 2018-19 using either MyLion for web or MyLCI

Dear Lion Leaders and Officers,

We received feedback from district and club officers about their challenges with the July 1, 2018 launch of MyLion as the new service activities reporting system. And we listened. We understand that clubs and districts need more time to prepare for this important transition. By giving clubs and districts the option to report through MyLion for web or through MyLCI in fiscal year 2018-19, we can:

Provide more time for training our club and district officers

Give officers at all levels more time to communicate with their members and clubs to ensure a successful transition to MyLion

Ensure that club and district officers have the time they need to test MyLion so they can use it with confidence

We are still planning to release MyLion for web on July 1, 2018. We encourage everyone who is ready to use MyLion web to begin using it next year, but MyLCI can still be used for service activity reporting throughout the coming year. We will be combining service activity reports for both systems so that reports will be accurate no matter which platform you or your Lions are using.

Innovations like the new MyLion for web reporting system are important to the present and future of Lions. It also takes time, training and communication to make sure innovative technologies like MyLion work most effectively for our clubs and districts.

To better support you, we will send out more information including FAQs and training schedules in the coming days. We look forward to working with you over the coming year to prepare all clubs and districts for a successful transition to MyLion for web in fiscal year 2019-20.

Thank you for your continued support and leadership in making your districts and clubs the top destinations for service-minded men and women around the world.

Yours sincerely,
Patrick Rodwell, on behalf of the LCI Product Team
