## Ohio Lions OH-2

Web site:  
[www.ohiolionsoh2.org](http://www.ohiolionsoh2.org)

Good day, Lions.

The month of July has slipped by, and it is time to get caught up on Lions news from throughout OH2. As you can imagine, Lion Connie Sue and I are “on the road again” [if we were ever OFF the road!]. Lions gatherings continue to be fun and informative as we renew acquaintances, make new friends, visit established service projects and programs and explore new ones. International President Gudrun Yngadottir continues to challenge Clubs and officers and members to explore new ideas while furthering those ideas already in place.

On the travel side, we have held a Zone picnic and visited with Upper Sandusky Lions Club and Port Clinton Lions Club and will visit Avon Lions Club and Lucas Lions Club within the week. Before month’s end, we will have also explored. Norwalk Lions Club, Green Springs Lions Club, Lindsey Lions Club, and Milan-Edison Lions Club, a Zone meeting, a Council of Governors Meeting, and the 1<sup>st</sup> Cabinet Meeting of the 2018-2019 Lions year round out the month. We will undoubtedly gain new ideas from each of those sets of members, ideas that can make ALL clubs stronger.

Other news for you includes the passing of PDG Ray Miller of the Ashland Evening Lions and the spouse of Lion Ann Miller. The contributions of these two Lions have been tremendous. He mentored many, served many, left his mark on much of the community of Ashland. Calling hours and a Lions Memorial service were held August 3 with additional services on August 4. We keep Lion Ann and her family and friends in thought and prayer.

Now as summer ends is a good time to rethink Club activities and projects and perhaps explore new ones. In addition to vision screening for pre-schoolers in your District, develop a diabetes awareness program, perhaps combined with a membership night. Visit other Clubs and volunteer your help with their projects with the environment [plants?] and youth [start a Leo Club?]-a pediatric cancer walk, perhaps? Search beyond the horizon, as IP Gudrun suggests. Who knows what is there?

See you soon. WE SERVE.  
DG Keith Kaufman

## 1st VDG Kenny

Now is an exciting time for MD13OH-2 and for Lions all over the world. We now have the first female International President, Gudrun Yngvadottir who along with Governor Keith are beginning their year of leading our organization and district to new heights. Even IPDG Greg has a big year ahead as he has been elected Council Chair for MD13. Even more exciting is that 56 of our districts members are now club presidents and beginning their year. It is the success of the clubs that determines whether the International President, the Council Chair, and the Governor's year are considered successful. I look forward to working with Governor Keith to support your club in any way you require.

It is the purpose of the District officers and cabinet to provide you with the best resources and if needed personnel to help you make your club even greater than it is today. Please feel free to contact your Zone Chair, the Governor, or Vice Governors for assistance with your club. Whether it is helping develop and implementing a membership recruitment plan or helping to develop leaders within your club, please let us help you. To make your club even greater we need to ensure that every member is enjoying their Lionism experience, that new members receive a proper orientation, and are encouraged to participate in your club's activities and administration.

Congratulations to all of you who are serving as Club President this year. It is a great honor as well as a great responsibility to be the leader of your club and I know all of you will be very successful. No matter what position you hold in your club, your club needs you to participate in it's operation. Being an active member of a committee is as important as being an officer, committees are the basis for our club functions and activities. Taking an active role in committee work is important to your clubs success.

***"Do not follow where the path may lead. Go instead where there is no path and leave a trail."*** Ralph Waldo Emerson

We regularly discuss the importance of membership to our clubs. I believe leadership at the club level is important to obtaining and retaining members. The key to membership is service, and without sound leadership our clubs will not have successful service projects, without successful service projects we do not have anything to attract membership. Two FANTASTIC leadership opportunities are fast approaching. The USA / Canada Leadership Forum will be September 20-22 in Columbus, and the Regional Lions Leadership Institute (RLLI) will be October 26-28 at Deer Creek State Lodge. If you or another member of your club is looking to improve yourself and your abilities for working with others, not only in Lions but also at home and work, these are too great of an opportunity to pass up.

Continue to do the great things your club has been doing, and look for even better ways to serve your community. There is a lot of need in our communities and our communities need Lions. Our communities need you!

## 2nd VDG Kerry

It's that time of year again! Our new Lions year is on its way and we are already off and serving in our communities. August is a time of action for us – personally, as families, and as Lions. This year, as we talk about our **Global Action Team**, its heart is the service that we do for our communities. We Serve. It's that simple. But there are things that have to be in place for that to happen.

First, leadership. So, in this busy month, leaders are stepping it up – presidents, secretaries, committee chairs and our key organizers. Good leadership seeks out and builds service opportunities. Second, hands to serve. Our service activities require members and their friends to get the job done. And third, fellowship. In our service it is the key element of fellowship that gets too easily overlooked. Fellowship keeps us coming back for more.

As your club looks ahead for the year, how are you planning to serve in 2018-

2019? Who can you recruit to help? How will you get the word out?

It is that time of year. Set your goals. It is a new century of service – aim high.

**Lions Clubs International  
FOUNDATION**

I wish to thank all the clubs and members that donated to LCIF in the year of 2017-2018. Our District donated \$44,333.52. We had 94.44% participation. Only four clubs did not donate. I am very proud of our District and our members. Our District raised more funds than any other district in Ohio.

I attended LCIF training in St. Charles, Illinois on July 20-22. This training was for Campaign 100. LCIF has a goal of reaching \$300 million in three years. Our District's goal is going to be very high this year. I will have more on this at the Cabinet meeting.

I will be asking our clubs to have me as their program this year to do a power point on Campaign 100. I will be visiting the Vermillion Club this month. I am also hoping to have a training for the club LCIF Coordinator in the fall. District LCIF Coordinator/PDG Carolyn

Trinity Lutheran Church in Ashland hosted the Ohio Zone Chairpersons training for the northern districts. Lion Ann Miller and CC Greg Hess were presenters. Here are several pictures of our district individuals involved in this training.

## **“Service thru Leadership” Ohio Lions Global Leadership Team Regional Lions Leadership Institute**

The MD13 GLT will once again be offering a Regional Lions Leadership Institute to the Lions of Ohio. Levels I and II will be limited to 30 participants. Level III will be limited to 15 participants.

The Lions Institutes are indeed the “Ivy League” of leadership training. The institute at all levels will be a three-day immersion into developing and improving your leadership skills. This training will not only help you in your work with Lions, but also in your profession and your life.

This institute is designed solely to enhance your leadership skills. It will not be about fund raising, membership, or service projects. It will be held at the Deer Creek State Park Lodge, Mt. Sterling, Ohio, October 26-28, 2018. Attendance is required for all three days.

The cost to participants is \$160.00. The total institute cost per participant is over \$300. However, grants from LCI and funds from the MD12 GLT

committee allow you to attend for about half of the institute cost. Your only other expenses will be your incidentals and transportation to and from. Your hotel room, two dinners and three lunches will be paid in full by MD13 GLT.

Registrations will be handled on a first come/first served basis. We urge you to submit your application as soon as possible to guarantee that you have reserved your spot. All registrations are due by September 1, 2018.

We are proud to be able to offer this opportunity to the Lions of Ohio and look forward to receiving your application. For further information regarding agendas, application forms, and questions, please contact your zone chairman or Lion Ann Miller, OH -2 GLT Coordinator. My email address is: [bab-ba4ajm@gmail.com](mailto:bab-ba4ajm@gmail.com). You can reach me by phone at (419) 651-6470.

# Past, Present and Future

## Ashland Evening

At the July 12 meeting of the Ashland Evening Lions Club 1st Vice District Governor (VDG) Lion Kenny Schuck, Hayesville Lions Club, was the guest speaker at the July 12<sup>th</sup> meeting. Lion Schuck asked the question, "Why serve as a Lion"? He said we serve because we know that there are people who need our help!

Lion Schuck said Ohio is responsible for the world eliminating RIVER BLINDNESS. Ohio Lions Eye Research Foundation provided the research money to Case Institute to stamp out river blindness.

He said the new International President's theme is "Beyond Horizons". Her goals are moving membership forward and retaining our members, increasing leadership development, promoting fellowship Lions, and sharing our stories.

Lion President Krakora said his goals are focusing on service and maintaining membership.

3rd VP Lion Seth Gasche is chairman of the planning committee for the Club's 55th anniversary celebration.

The Club's family picnic is August 26 at Brookside West #1 pavilion. The Plymouth Lions Club will be our guest.

## Ashland Noon

Even though the Ashland Noon club is in recess for the summer months, many members were still active. Projects chairman Rohr organized a community project with the Ashland Fire Department. Club members scraped, cleaned and painted fire hydrants to brighten up the town. The Ashland newspaper took pictures and gave the club a nice write up. The board also met July 12<sup>th</sup>, with the gavel passed to new president Mike Namy. Plans to resume committee meetings were discussed and reports presented, including membership chairperson Melody Barnes reporting 9 new members were added last year! We plan to keep the momentum going and shoot for double digits this year. A

new committee was announced to start planning for our club 100th anniversary in 2020.

In recent years we have had trouble getting a quorum together during the summer months to complete any business. This year 12 officers and 1 member showed up! A lively and productive discussion resulted in a revised budget for the year, the first time in many years significant changes were made. Community outreach was made a priority, and among other changes \$1000 was added to a new line item for local youth sight and hearing financial aid, with Ashland Associated Charities designated to help us find and help those in need.

## Avon

Avon Lions completed our Harmony Circle project with a ribbon cutting and donation ceremony on July 21. Harmony Circle is an all inclusive musical park for all people with vision or physical disabilities as well as anyone that just wants to make music and enjoy the sounds of their own abilities. The \$18,000 project was spearheaded by Lion member Dave Mooibroek with his "This is what Lions do" speech given to the club in January of this year. "Who doesn't like music" was also part of Lion Dave's mantra. This project is what Lionism is all about, service to the community and maybe bringing joy and a smile and a little music to the world. I urge any and all to stop by see what an idea can do when Lions get involved. The location is next to the Aquatic Facility in Avon behind the Police station.

## Avon Leos

The Avon Lions Leo club completed their three year project with the unveiling of their Monarch milkweed project plaque donated to the Miller Nature Preserve in Avon. The Leo's harvested unwanted milkweed then replanted. The Milkweed is a plant that attracts the Monarch butterfly in its migration. Their dedication to this project hopefully will increase the presence of this beautiful species for all to enjoy.

## Bascom

Twenty-five Lions, spouses, and guests met at St. Patrick and Andrew Church in Bascom. After enjoying a delicious buffet, catered by Dell's of Fostoria, PDG Carolyn Brook 1) Installed new officers for Lion Year 2018-2019, inducted Lion Robert (Bob) Fruth, presented Melvin Jones Fellow Humanitarian Service Awards to Larry Beidelschies, David L. Cramer, Robert Dewald, David Dundore, Francis Reinhart, and Jerry Swander.

The Bascom Community and Bascom Firefighters thank all Lions who assisted at the annual Firefighters Festival, held at Meadowbrook Park.

On July 17, thirteen Lions met at the Seneca Community Chaplain Corps House on Vine Street, Tiffin. The organization's director, Tracy Elder, informed us of the ins and outs, ups and downs, of the participants of the home. Later, we were joined at the Benchwarmers Restaurant by personnel from the Corp for a late evening "snack".

# Past, Present and Future

## Bellevue

Bellevue Lions do not officially meet during July and August but we do some fun things together. On July 17, we departed the dock in Sandusky at 7:30 p.m. for a two hour cruise around Sandusky Bay. Our next fun thing will be a Perch fry at Pickerings on August 6<sup>th</sup>.

## Bucyrus

The Bucyrus Lions, Kiwanis and Rotary together bought the paint for a community mural that is nearing completion. To see Channel NBC 4's video of the project, go to [www.cityofbucyrusoh.us](http://www.cityofbucyrusoh.us), then click on "NEWS" and scroll down until you come to "Community Unity Mural" and click on the picture or on "watch the video." The description of the project is "Art teachers and their students in Crawford County have created a mural in downtown Bucyrus designed to bring the community together." The mascots of all three schools that have property inside the Bucyrus city limits are represented.

Also shown are the upcoming Bucyrus bicentennial logo and "Bratty," the mascot of the Bratwurst Festival. Check out the Bucyrus Lions Face book page to see progress on the mural.

PDG Terry and Linda Spiegel watered the hanging baskets of flowers in downtown Bucyrus. One person was transported to a doctor's appointment. The Council on Aging referred a lady with macular degeneration to the club and information about dealing with reduced vision was sent to her.

The club is hosting the July Zone Chairman's picnic at Aumiller Park in Bucyrus.

## Clyde

Clyde Lions met on May 7th to celebrate their 8th Charter Anniversary dinner with members and spouses, Lion guests and community members present. Following dinner, Clyde-Green Springs School Superintendent Dennis Haft presented the protocol concerning school safety regarding the school district. Officers for the coming Lion year were installed by Zone 1 Chairman Jim Pickering.

Several members attended the recent State Convention as Delegates. August 12th Clyde Lions will be hosting a Golf Scramble @ Green Hills Golf Course (see Flyer). All Lions as well as the Public are invited to attend. Monies profited will be used towards Clyde community projects.

## Colonel Crawford

The Colonel Crawford Lions had their food trailer at the Galion Pickle Run again this year. Recently, our club and the Crestline Lions, jointly worked the fair gates for two days at the Crawford County Fair.

Our club lost a long time member. John Pfahler, with over fifty years in Lions. He was a member of the former Tiro lions, then served over forty-five years with our club. He was a very hard worker and helped with every project of the club.

We will have our food trailer at the Bucyrus Bratwurst Festival on August 16 - 18. This is our biggest project of the Lions year, lots of work, but allows us to better serve our community and those less fortunate throughout the world. This also is a joint effort with the Upper Sandusky Lions. In September, we will reciprocate by helping them with their food stand at the Wyandot County Fair.

We will have our annual summer picnic on August 26th after all the summer projects are completed.

## Fostoria

Fostoria Lions worked the "Lunch Stand" at the Seneca County Fair for the Good Shepherd Home.

## Fremont

New President Terry Thatcher called the July 3rd meeting to order with 13 members present.

Jeff Night Dinner was July 26<sup>th</sup> at the County Club. The Pancake Breakfast went well and thank you letters will be going out to our sponsors. Susie is still getting checks in the mail so no final profit has been established.

Peggy Courtney and Dave Thornbury from the Sandusky County Visitors Bureau were our speakers. Sandusky County is located close to nearly every attraction of interest less than a 30-minute drive and 45 minutes to Cedar Point and Hollywood Casino. Of all the attractions our Rutherford B. Hayes Presidential Library and Museum is the most popular. There are so many great things available including bus tours. They do 50-60 tours each year. Stop at the Visitors Bureau and pick up a Visitors Guide or go to their website: [www.sanduskycounty.org](http://www.sanduskycounty.org) or Email them at [sales@sanduskycounty.org](mailto:sales@sanduskycounty.org).

# Past, Present and Future

## Hayesville

Hayesville Lions will meet August 16, 7pm, for the annual picnic in the park. Proposed budget for the coming year will be adopted.

A look to the fall shows: September 6, Business Meeting, 7 pm, Lions Hess on C.R. 1095. September 20, Dinner Meeting, 7 pm, Stone Lutheran. October 4, Business Meeting, 7 pm, Lion Bob Brown.

October 18, Dinner Meeting, 7 pm, 70<sup>th</sup> Charter Anniversary Night.

## North Ridgeville

The Lions Club of North Ridgeville will hold their 39<sup>th</sup> Annual 10K & 25<sup>th</sup> Annual 5K Race on Saturday, August 11<sup>th</sup>.

## Old Fort

The Sandusky County Fair runs August 21<sup>nd</sup> to the 26<sup>th</sup>. The Old Fort Lions have cancelled their regular meeting to cover the fair.

## Ontario

The Ontario Lion's Club has quite busy the month of July and heading into the month of August. The club held its family picnic at our park on July 17th and had a great dinner and fun games for the kids and grandkids.

On July 23-26 the Ontario Lion's Club assisted at the 42nd Ontario Safety Town, which graduated 70 kids this year!! WOW!! The Club also assisted the Ontario Police Department and Springfield Twp Fire Department in the creation of two new safety town buildings.

Events in August will be at Lowe's Home Improvement with our Concession Trailer on August 18<sup>th</sup> and 19<sup>th</sup> and then again on Labor Day Weekend September 1<sup>st</sup> through 3<sup>rd</sup>.

## Perrysville

June 30, 2018 Car Show. The Club will do an Eye Screening after the Car Show at 3:30 p.m. Car Show Wrap Up: Great show, 56 cars.

July 8, 2018 President Julianne introduced First Vice District Governor Kenny. He spoke about Membership Retention and projects.

Shown here with PDG President Dana Zody, first VP Susan, 2<sup>nd</sup> VP Carolyn, 3<sup>rd</sup> VP Julianne and PDG Dana.

The Club has worked 100 ¾ hours at the Bellville Ball Field assisting Bellville Club.

This was our July 30th service project for Tour des Trees Bicycle tour. The 2018 tour Started in Columbus and will finished in Cleveland. A Lion named Peter Andre from Forestville, Wis-

consin contacted President Julianne about doing a rest stop for the tour at Malabar Farm State park. After talking to other organizers of the tour the club decided to do this project. There were 75 riders on

the tour from all over. One was from England another was from Canada and possibly from other countries also. One of the riders could remember riding as far back as 2004. Refreshments were Gatorade, ice water, bagels, peanut butter, water melon, cantaloupe, homemade cookies, and peanuts.
