Greetings, Lions of District 13 OH2—

As we come to the end of this Lions Year, it is time to look back at all the accomplishments we have had together. The Convention was excellent, thanks to those who planned and executed it and those who attended, including our Convention speaker ID Ardie Klemish and her husband PDG Lion Ken from Iowa and the other District Governors of District OH 13. Thanks to my Cabinet officers, to CC Greg Hess, to the Local and District and State Committee Chairpersons who moved forward in a multitude of directions—and explored new horizons we were challenged to do by our International President Gudrun Yngvadottir.

New officers have been elected and have completed the Leadership Training session May 4 in Ashland, OH. We had a record number of attendees, including some from the new Mansfield United Club and some from other Lions Districts in Ohio. We chartered one new Lions Club with another soon to be chartered; we chartered two new LEO Clubs in North Ridgeville and in Bellville at Clear Fork High School. We increased District OH2 membership by 130+ members, many of them women. We increased service hours to our communities and added numerous new projects while continuing with many well-established ones.

Well-done, Lions—continued successes in the new Lions Year under the leadership of DGE Kenny Schuck, 1st DGE Kerry Parker, and 2nd DGE Kevin Reidy. Thank you for your support during 2018-2019. WE SERVE—and we Keep Lions on Track.

I want to congratulate the members of our district that were recognized for their hard work and dedication to Lionism at the State Convention in May. Lions Don Barnhouse, Sandy Best, Tim Kershner, Kerry Parker, and Darlene Schuck all received awards and recognition for their contributions to our district and multiple district. A special congratulations goes to Council Chair Greg Hess, his hard work this year has had a big impact on our state association. So many of you have done outstanding things this year for OH2 and for MD13. Unfortunately, it is impossible to give everyone the recognition you deserve, but please know Governor Keith, myself, and the rest of the district officers greatly appreciate your hard work.

For some of our clubs, summer is a time when you take a break from the Lions meetings and activities, while others have major projects during the summer months. No matter which way your summer is planned make sure you are on the lookout for opportunities to serve your communities and as you enjoy the sunshine also remember to share Lionism with the people you meet. Take every opportunity to invite others to share in the enjoyment you receive from being a Lion. I know each and everyone of us is proud to be a member of this great organization. When you are out sharing the **Lions opportunity, be proud, don't feel as if you are inconveniencing someone. It is a privilege and an honor to be a Lion. Serving others is humanity's highest calling. If you believe our mission is good and right, then expanding our numbers so that we can expand our service is also the right thing to do.**

There are two up coming opportunities for Lions wanting to improve themselves and their leadership skills. September 19-21 will be this year's USA/Canada Forum in Spokane, Washington. This is the best Lions program for leadership development and getting to know Lions from around the country. It is a relaxed and informative three days. If Spokane is a little to far away, mark your calendar for next year September as the Forum will be in Louisville, Kentucky. This years Regional Lions Leadership Institute will be held in Canton for Levels 1 and 2. This is also a great

local program opportunity, it is a LCI program held right here in Ohio. If you have any questions about either program please

contact myself or Lion Ann Miller.

I hope everyone has a wonderful summer. I will be beginning my club visitations in July and I look forward to visiting your clubs again this year. We have had a great year and I look forward to working with you to make next year even greater.

June is a great month to celebrate – whether it is grand moments like graduations or the little successes that we have had throughout our Lions year. After serving for a year as Vice Governor, part of my celebration is taking the opportunity to thank everyone for the wonderful experience that I have had this year.

First, thank-you to all of those who worked to put on a successful Leadership Training School this last month in Ashland. Your hard work and dedication does not go unnoticed or unappreciated. Thank-you also to of those who gave up their day to attend Leadership Training and to take information back to their clubs. My heart-felt appreciation goes out to all club secretaries and club service chairmen for their patience with learning the new MyLion system and for your willingness to be interactive in the training session. When faced with change, being flexible and keeping a positive attitude are exceptional qualities. I walked away from the MyLion session encouraged that 13 OH2 officers would be setting the leadership standard in the state for clubs reporting and using the new programs – despite the challenges. If you (as you) run into **difficulties, don't hesitate to call or email and we'll get it figured out. Attitude determines success.**

And, thank-you to all of the Lions, Lionesses and LEOs that I got to meet and work with this year. The stories and ideas that you shared with me were the best part. I appreciate everyone who offered advice, supported me, and helped solve

various problems – thank-you for listening. **It's true that the more you learn, the more you realize you don't know. I look forward to the coming year and my visits in Region II. If you have a project I can help with, don't hesitate to ask. If I am free I will be there to pitch in – WE SERVE.**

Kenny's Book Review

No two words strike fear into the hearts of even the strongest individuals like the term Public Speaking. The fear of standing before people, whether you know them or not, and presenting an idea or position can literally terrorize some people. Unfortunately, nothing is more important to our personal success than being able to communicate effectively. **SPEAK TO WIN** How To Present With Power In Any Situation by Brian Tracy is guide to developing better communication techniques and abilities. I realize that a book on public speaking sounds as exciting as shelling peas, but in reality Tracy presents his information in an enjoyable and easy to follow manner.

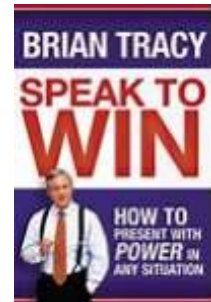

From speaking informally to business colleagues to a presentation at a major seminar, this book helps you prepare yourself and your presentation for maximum effect. Tracy covers topics such as how to calm your nerves, present with confidence, using body language, and how to use your voice to keep listeners interested and engaged. He teaches proper preparation techniques that will allow you to create presentations with the

most effective information and how to present it in a way that flows and transitions from point to point with the most impact.

Being able to present your thoughts and opinions to others, no matter your walk of life, is important to your ultimate success and happiness. Learning to speak effectively is possible and **SPEAK TO WIN** is a very good guide to developing your ability. With this book it is possible for anyone to improve your communication techniques. I would strongly recommend this book to everyone. I again listened to this as an audio book read by the author.

Next time: **Developing The Leader Within You 2.0** by John C. Maxwell. I would love to hear your suggestions for books to read and your opinion on the books I review.

MD 13 OH-2 Leadership Training

We held another successful MD13 OH-2 Leadership Training day for club officers and other interested Lions on May 4 at Trinity Lutheran Church in Ashland. There were about 230 attendees with 79% of the district clubs represented. Additionally, eight visitors from OH-3 came to see how our training operates. Because of Lions Clubs International going to MyLion as the reporting platform for service activities on July 1, we held an information session for Club Service chairs and Secretaries. This was in addition to our regular officer training. Many thanks to everyone who took the time to attend. Also, we couldn't have been successful without the help of our presenters and staff. Mark your calendars for next year's training on May 2.

The bookcases were given to "at-risk" children in the Head Start Program and other programs. The Career Center raised \$8,000 from donations to pay for the project. Our Club donated \$1,500 to the project.

PDG Amstutz said Ohio BMV is selling Lions specialized license plates. \$25 of the cost will go back to Ohio Lions.

Ashland Noon

The Ashland Noon club wrapped up the year with our last regular meetings in May before summer recess. We initi-

ated our new slate of officers for next year, including Lion Matt McFarland who will be our 98th first time president in the club's 99th year, having had only one Lion repeat office back in the 1930's. Plans are well underway for our 100th anniversary celebration next year. Lion Melody Barnes led the induction of our six newest members, bringing our total to 11 new this year, and 20 over the past 2 years.

The key to our growth has been the fun we have at meetings, we have been especially blessed with wonderful tail twist-ers to set the mood with jokes, pranks and interesting trivia, and great speakers to make the time interesting and informative. Guests leave with a smile on their face and an application in hand.

We also had awards presentations which included Lion Al Garrett receiving his 64th consecutive perfect attendance award and Lion Gene Kopp receiving the Lion of the Year award for his leadership on our Rose sale and his dedication to Lions service.

Avon

The Avon Lions participated in the annual Memorial Day Parade passing out candy along the parade route to excited children as they watched service groups, vehicles and bands make their way to the Avon Cemetery for the ceremony honoring our fallen heroes.

dor bringing vision to remote villages. The club also participated in Avon Pride Day by planting flowers at the Avon Lions Community Center.

Bellevue

Bellevue Lions enjoyed our May "Guest Night" at "Gilbert's" for a catered meal by the owners, Mike/Jen Mazzaro, Bellevue Lions members. Speaker for the evening was Bellevue's new Police Chief-Mark Linder who spoke on the problems and vision he has for our community. His big goal is to get a detective back into the community to help address the drug problem. Staffing is another problem that all small towns deal with and live within a city budget.

Our next big item for the Bellevue Lions is the 13th Annual Par 3 Golf outing at Sleepy Hollow Golf Course on June 14th. If you like to golf and eat steak, come and enjoy our two person scramble with lots of prizes. *More information on page 6.*

Bellville

Our first Health Clinic with the Knox County Community Hospital was held on February 23, with 36 people attending. Officer Hall from the Bellville Police Department completed finger printing on seven children. Akron's Children Hospital was there to let everyone know about their services to children. There were tables with information concerning heart attacks, children sleeping, nutrition, and many other health issues. Diabetes, blood pressure and cholesterol were checked.

The club had a benefit for our Veterans on March 30. We raised \$994.00 for the Honor Flight. Fourteen members worked the dinner, attendees told us the food was very good.

The Bellville Club made a commitment to run the concession stand at the Clear Fork Youth League for the next five years. The Youth League will receive 15 percent of the gross earnings. The Perryville Lions club and Clear Fork LEOS have been helping at the concession stand.

The field needs handicap restrooms for the special needs children. PDG Carolyn has contacted LCIF about a grant and was told that they qualify for a matching grant. The grant application was given to Lindsey Roberts.

Maya scored a 32 on the ACT (perfect) and will be attending Hiram College in the fall. LHS Leo Club member Kyle Czatt (not pictured) also received a \$1,000 Lions scholarship. Past, Present and Future

Marblehead Peninsula

May has been a busy month for our club. Five Lions volunteered to give a facelift to a raised flower bed at Otterbein Marblehead, a continuing care retirement community located on the Marblehead Peninsula. Unfortunately, the area has been neglected because the resident who cared for the garden is no longer able to maintain it. After planting flowers, the club will stain the wood and install a Lions Club plaque. Pictured are Lions Jane Keys, Karen Blackmon and Harry Blackmon.

On May 18, our club held our most successful Pancake Breakfast Benefit and netted over \$1,000 for local resident, **Daniel "Buzz" Webster. The funds will help defray Webster's medical expenses.**

Lion and long-time volunteer, Tom Henderson, received the Marblehead Peninsula Chamber of Commerce's 42nd Annual D.S. Kirkpatrick Award for his many years of volunteer service to the Chamber, Village of Marblehead and Lakeside Chautauqua. The award honors the dedication and unselfish devotion to the principles of service to the community through the Chamber of Commerce. Henderson has been a popular area Santa and civic leader for many years. He is also a volunteer bus driver at Otterbein Marblehead. Congratulations, Lion Tom!

Mohawk Lioness

The May 21 meeting was at the Sycamore Fire House at 7 pm with hostesses Cletabelle Barnes and Janet Decker. Roll call was answered by telling if you are planting a garden this year. The program was **"No One Fights Alone"** and next year's officers were installed.

The June 18 meeting will be at the Sycamore

Fire House at 6:30 pm with hostesses Dianne Tooley and Gloria Stewart. Roll call is to be answered by telling if you have anyone in your family who graduated. The program will be Scholarship Awards. Don't forget the summer picnics on July 22 and August 26 at 6:30 with the Sycamore Lions! Bring meat to grill and a dish or two to share and your own table service. This is a time to relax and enjoy each other's company.

Old Fort

The Old Fort Board donated \$100 to each of two students attending HOBY Leadership School.
