13 OH2 PRIDE!

VOLUME 1 ISSUE 2

AUGUST, 2019

Our district is fortunate that over the years we have had so many outstanding leaders at the club and district levels. It is the reason our district has had so much success servicing our communities. That tradition continues and was demonstrated by the turnout at our officer training this spring. However, we need to work even harder to encourage more of our club members to step into positions of leadership. All too often even big clubs are repeatedly having the same people serve as officers and presidents. Our clubs need leaders even at the committee level. For our committees to function effectively and preform successful projects we need people leading them. I encourage all club members to check out the learning opportunities that can be found on the LCI website in the resource center.

You can also access the Lions Learning Center which has many basic online courses for leadership development. Lions University which can be found at lionsuniversity.org is the related site for the USA/ Canada Forum and has excellent online courses. You can also choose to attend the Forum or Regional Lions Leadership Institute. My favorite online resource is Success.com, it has hundreds of pages related to leadership, management, motivation, and personal development. This information is free, but there are also opportunities to purchase some great resources.

A lot is going on in our district. We have the District Golf Outing coming up August 18th. It will be hosted by the Clyde Lions. September 29th **is the date of this year's OH2 STEPS 5K and Mile Walk** to be held in Fostoria. I hope that all clubs in the district, whether they have golfers or runners participate in the activities. We are encouraging you to bring non-Lions such as prospective members, businesspeople or community leaders to the activities. Give them an introduction into Lionism.

We will be having the first round of Zone Meetings in September. We are changing up the Zone Meeting a little compared to in the past. We want them to be a more interactive and informative. The first round will focus on Service. We want to hear about your service projects, your successes and your troubles. We want to help you develop even more projects and strengthen the ones you are already are doing. We are encouraging as many club members as possible join us to experience our new format and contribute your experience and gain from your neighbors.

We are a part of a tremendous organization! One founded on principles and with objectives that we can all be proud to say we represent. As you interact with others be proud to share your involvement in Lions. Feel proud to be able to invite others into Lions so that they have the opportunity to experience the satisfaction of serving. Be proud of the accomplishments you help to bring about through your service and donations. The little things that you think you do; can mean a great deal to the people you help.

As you and your club go through this year, if you need any help with service projects, membership, or leadership; ask your Zone Chair for help. If they cannot help you as effectively as they think is necessary, they will bring in others from the cabinet with the experience and expertise you need. The goal of the district officers is to help your club have the best year ever.

Service, it's what we do. Among all the fundraising, food concessions, and fair working, we remember why it is we work on those hot days of August. WE SERVE.

In kicking off this year, I want to encourage clubs to look at the two newest service areas that Lions Club is promoting – Diabetes and Pediatric Cancer. These service areas ask Lions to work with and promote health in our communities. Our mission as Knights of the Blind began this way – better vision means better quality of life for individuals and translates to better communities. Better health in our communities is in the spirit of this same mission.

To encourage clubs to participate in these areas of service, I hope you will join with other clubs around the district in this **year's Weight Loss Challenge** and in the **STEPS Walk for Pediatric Cancer**. The adult obesity rate in Ohio is currently 33.8%, up from 20.6% in the year 2000. I am as guilty as anyone in this aspect. The Weight Loss Challenge can be a fun way for members of your club to

encourage each other and promote healthy living this year – in diet and exercise. **Weight and numbers aren't meant** to publicly shame members, so keep that in mind as you do your recording of weights and your promotion throughout the year. Consider having a club prize for **your "Biggest Loser" or "Best Pep-Talker"** or whatever other awards are appropriate to your club. Promote health and wellness. Invite spouses too. The idea is to have fun with it and to build wellness in our clubs and communities (myself included!!) Send in your registrations and beginning weights (with names, initials, code names or what-have-you) in September. In May, you can pay the flat \$10 per participant, or you can challenge participants and the club to raise money per pound lost or get supportive donations from friends and family. 100% of funds raised will be donated to Lions Foundations, with priority to those dedicated to Diabetes and Sight. See the Contest Rules for how winners will be named!

The **13 OH2 STEPS Walk** will be Sunday, September 29 in Fostoria, to raise funds for Pediatric Cancer research and for families affected by pediatric cancer. Like our Lions Foundations, 100% of the funds donated to STEPS go to Ohio Hospitals doing pediatric cancer research or to area families struggling with affected children. Most of us know someone or a family who has been affected by one of the many forms of childhood cancer. Invite them to Walk or do the 5K Run. This is a family-friendly event. Come out and support the initiative and together the Lions of Ohio can help STEP by STEP advance in the battle against childhood cancer and the lifelong effects that it has on individuals and families.

2nd VDG Kevin

Greetings and welcome to August. Typically, in Northern Ohio, these are days of hot summer heat, community festivals or county fairs, fleeting days to have last vacation opportunities or back to school shopping for children or grandchildren as another school year is fast approaching.

It has been evident that Lions in our district are proud and staunch advocates for the communities in which they provide countless hours of service and projects dedicated to making life better in their town or village. As our second month is underway, take a moment to reflect on **your club's mission and goals under your new leadership team. Are you "resonating the roar" in your current activities and projects?** Are there new projects you are undertaking? In what way(s) are you **making a difference in your club's story of service?** How are newer members included and valued in your plans? In your reflection to these questions, it is hoped that you and your club will have great success in the months ahead.

A hero of mine is the educator and coach John Wooden. Many of you may be familiar with his Pyramid of Success, developed and refined by Wooden over two decades. His philosophy developed not only basketball players acuity to launch a round sphere into an iron hoop consistently, but also instilled a set of core values through **the Pyramid's teachings into each young man** to evolve into a productive citizen in our society. His philosophy was born of athletic excellence yet fits so well as a measure of our service to Lions. I will from time to time, share some words of

wisdom from Wooden, starting with this poem:

**"At times when I am feeling low,
I hear from a friend and then**

**My worries go away And I am on
the mend.**

**In spite of all that doctors know,
And their studies will never end,**

**The best cure of all when spirits
fall, Is a kind note from a friend."**

As Lions, continue to reach out; continue to ask others to join in your club's service journey. Continue to be kind and encouraging to all whose energies and ideas keep the embers of Lions work burning brightly. And within your service, know that you do indeed make a difference in the lives of others in the days, weeks, months and year ahead for you and your club!

"Where in the District is VDG Kevin?"
This month I will be visiting the following clubs and District events; continued success in your Lions Service in this Centennial Year of Lionism in Ohio.

Down the Road

Are you an officer of your club? Have you been? Or are you thinking about taking an office? Have you ever wanted to learn more about the office that interests you? We have a class for all the needs of your club. Please join us at our Leadership Training.

Ohio Lions MD13 – OH2 has arguably the best training for officers in the state. People from other districts in the state come to learn from leaders in the field they are entering. From learning the duties of being President to Tail Twister, from Secretary to Membership Chairman.

Every year there are changes to our policies, rules, and paperwork. The training breaks down into groups according to the office you are taking so you get the most out of the day. We have group learning as

well as round table discussion to learn from other Lions who may have been in a situation your club may be currently going through.

Lions District MD13 - OH2 officer training is held at Trinity Lutheran Church in Ashland Ohio. This coming year's classes will be on Saturday, May 2, 2020. If anyone has any questions on this great opportunity please contact Lion Ann Miller of the Ashland Evening Lions.

Oh 2 District Lion clubs need to get involved with this great ART program for Middle School kids 11-13 years old. Get a contact at your school and promote this. Better yet, go online for images of posters to show the school what it is about.

Kids from around the world are entering the contest and this years theme is "JOURNEY OF PEACE". Kids come up with their idea of what this means and make a poster depicting the idea. Have your club secretary order the Kit and take it to school to show Principal and Art Teacher. Call 603 203 3812 to order.

If you would like me, *Jim Pickering*, to come to your school to help promote call 419 483 4992 or e-mail jimdot-tiep@live.com

Kenny's Book Review

Many people claim that they were dealt a bad hand in life that has prevented them from accomplishing as much as they should have. Most likely if you were to tell David Goggins your story, he would probably respond HERE HOLD MY BEER! I again listened to this book as an audio, however, it was done in a little different format in which the book was read and the author was interviewed to add further insight at the end of each chapter. After the first chapter of this book I said I would not review it. After a few chapters I knew I had to. **"Can't Hurt Me: Master Your Mind and Defy the Odds"** is not your typical self improvement book. I want to fore warn you, the author uses profanity through out the book. As he puts it, to say his dad beat him badly is not descriptive enough. If this type of language turns you off to the entire message, then don't bother even start reading.

If you can get past the language there is a lesson in perseverance in this book that is almost unfathomable. From a childhood of extreme abuse to some of the most horrendous experiences any young person could have, Goggins's youth was one tragedy after another. This also leads to some intense reading. As an adult Goggins over comes some of the most unbelievable physical problems to not only become a US Navy SEAL but also an Extreme Sports champion.

Although I disagree with his opinion on a positive mental attitude, his life is an example of what the mind and body can overcome. All though I found this an interesting and insightful book, I am reluctant to give this book a stellar review because it is such an intense story. I would recommend it to those that are serious about developing themselves to the highest level.

Coming next month **"The 15 Invaluable Laws of Growth"** by John C. Maxwell.

Global Services Coordinator Sandy

Looking forward to sharing ideas and working with your club this upcoming year. We Serve!

Locusts are singing!! Where did summer go? Just checking in with each of you to see if you had a chance to review your **club's service projects**. Did you have an opportunity to discuss the impact of your service in your community? Did you have a chance to review the ever changing needs of your community? Now is the time to plan your goals for the upcoming year. Goals need to align to the club's projects, fund raisers and celebrations.

A reminder that the focus for Lions clubs this year is DIABETES AWARENESS. Did you know that 1 out of 3 adults have prediabetes? Last year OH 2 clubs **"took the challenge"** and started to initiate diabetes awareness projects. Diabetic projects initiated in our district included; providing hospital resource personnel to share information with club members regarding the signs of diabetes, providing a **"round table"** discussion regarding support and awareness of diabetes in the community, identifying and sharing resources in the community for people who need medical assistance, partnering with drug stores to support cost of medicine for individuals, purchasing gas cards to support ongoing medical visits, and providing transportation for medical visits. Clubs also purchased magazines for the local library regarding ideas for better meal planning and healthy snacks. In addition to the projects already in progress, your club might want to consider starting an after breakfast walking club, or sharing healthy snacks with shut-ins. Whatever the case, remember, we need to get moving with our goal planning and make certain that a diabetic project as one of our focus area.

STEPS Stories

Four years ago, our family became friends with the Long family. Our daughters were on the same volleyball team and we both had a 6 year-old son. Come to find out that their son Braxton was diagnosed for the 4th time with brain cancer. It was devastating to see what this family was going through.

The only thing that kept this little boy calm during Chemo was playing with Legos. So Braxton had the idea of getting as many people as he could to donate unopened boxes of Legos so he could take them to the oncology floor at Children's hospital to help the other kids going through chemo. This has since been called the Superbraxton Lego Drive and is still going on today.

Sadly Braxton died at the age of 8 on July 24, 2017.

When I met this family I was not a Lion, now I am a Reynoldsburg Lion and I am the Pediatric Cancer Chair. Our Steps 5K is called the Super Braxton 5K in honor of him and his twin sister starts the race because we felt it was fitting. Children's hospital still calls his family when they are low on Legos and that is why I want the Lions to keep collecting Legos; I take them to the family to deliver to the hospital.

I became a Lion because of this family. They have truly made me very passionate about finding a cure for this terrible disease.

Lion Debbie Bolyard

Braxton Long lost his 3 year battle with cancer on July 24, 2017 at the age of 8 years old. He loved life, was optimistic and kind by nature, and had a smile on his face to the end.

Past, Present and Future

Ashland Evening

Club awards were handed out by Secretary PDG Myron Amstutz at the July 11 meeting of the Ashland Evening Lions Club. A Melvin Jones Fellowship went to Lion Bill Snyder who also was voted Lion of the Year. Betty Coffey Fellowship Awards went to Lions Ron Hofer and Dick Gordon. A Dick Bryan Fellowship Award went to Lion Ed Miller and an OLERF Leadership Award was given to Dr. Jim Patterson.

A donation from Lions Clint Hought and Carol Dickson along with a grant from the Samaritan Hospital Foundation has enabled our club to purchase PlusOptix equipment for vision screening of young children. With help from IPP Lion Ed Krakora, we found a home with a gentleman referred from The Ohio Federation of the Blind in Columbus for the 21 volume King James Braille Bible that belonged to recently deceased member Lion Larry Willis.

Our Centennial Project is now complete with the mounting of recognition signs on the benches we purchased for Kinne-man Park and the installation of the new club sign in the park kiosk.

Avon

The Avon Lions Club was honored in July with a visit from Second Vice District Governor, Keith Reidy, who updated our membership regarding various District 13 OH 2 activities and initiatives.

The Club's Scholarship Committee announced, introduced and awarded the two recipients of the William Bommer Scholarship Awards, each a \$1,000 award for Avon/Avon Lake seniors furthering their educations. The recipients attended our July meeting and talked about their plans.

The Club provided a monetary donation to support our Local VFW Auxiliary annual fundraiser and golf outing slated for August. Additionally, the Club will **participate in, VFW local 375's dedica-**

tion of its new Veteran's Memorial in Avon, on September 14. The Avon Leo Club also partnered with VFW local 375, planting trees at the Memorial site.

August 10, the Avon Lions Club will once again partner with Jeremy Cares, marshaling two hole-in-one contests at par 3 holes, for their annual golf outing and fundraiser.

Avon Lions Club is supporting the W O I O , Channel 19, Operation Backpack Donation Drive. Lion Bob Hill will present 25 backpacks. All donations will benefit Volunteers of America.

Bascom

July 13th: Bascom Lions Volunteered at the Bascom Firefighters Festival cooking hamburgers and helping with cleanup. Thank you to all who gave a helping hand.

July 16th: Bascom Lions sponsored and ran a blood drive where 22 units were collected. Thank you for all who gave blood and volunteered at the blood drive.

July 16th: 21 Lions 10 spouses and 2 guests attended a meeting at Bascom **Lion's President Dave Cramer's house.** We were fed a Mongolian Bar-b-que. Guest District Governor Kenny Schuck addressed our club, outlining his objectives for the year. Also, DG Kenny Schuck passed out an award called **"Living to Serve"** to Lion's Dallas Heck, Tim Zoeller, and Bob Swartzmiller for their dedication to serving others. Then Lion Duane King and Lion Jerry Swander received the Diamond and Gold Centennial Award for membership. The Bascom Lions Club received the Premier Centennial Award for membership.

We also have started our Fall Gun Raffle selling tickets. Please see a Bascom

Lion for your tickets.

Castalia

Lion Mike and his group ran the food and beer booth for the 2019 Cold Creek Celebration this year. The Erie County Fair is on the horizon, August 6 - 11. Lion Tim has the work schedule out.

The Castalia Lions Family Picnic will be held August 20, bring your family and the grandkids for a fun filled evening. Lion Joe and his family will have games and gifts for the children. The meal of hamburgers, hotdogs, and corn will be enjoyed by all.

The Summer 50-50 Raffle Drawing will be held August 23 at the High School Football Preview.

Clyde

Clyde Lions elected and installed new officers for 2019-2021. Installation of officers along with one new member conducted by PDG Pete DiCesare. Two new members joined Clyde Lions. Clyde donated memorials for two members who recently lost their Mother and Father.

At the June meeting, speaker/owner of Trident Firearms Ohio presented information regarding safe handling of **firearms and constant awareness of one's** surroundings when in public areas.

Plans continue for the August 18th Clyde Lions Sponsored Golf Scramble. All sponsorships and/or team registrations should be sent to **Bev O'Donnell 4380 CR 183 Clyde 43410. 60"** TV Raffle tickets @ \$10 are still available and should be day of Scramble.

Colonel Crawford

We presented Melvin Jones Fellowship awards to our out-going president, Deb Hiler and to Marilyn Woodworth for all

Past, Present and Future

Colonel Crawford continued

the help that she does for the club in the financial area and club projects. The club also recognized Lion Gloria Huber as the Lion of the Year as she is active on every project and still is enrolled in college, getting her teaching degree.

The club worked the fair gates at the Crawford County Fair with the Crest-line Lions. Plans are being made for the up-coming Bratwurst Festival. This is to take place on August 15-17. On Sunday, August 25th, we will relax after the festival and have our annual summer picnic.

The club delivered 928 pair of used eye glasses to OSU this past week.

Loudonville

The month of July was a busy one for Loudonville Lions, serving over 500 at the annual Chicken BBQ July 4th weekend, as well as hosting our regular monthly Fish Fry and preparing breakfast for Mansfield Plumbing Products retirees.

Old Fort

August 6 is Family night meeting 7 pm at the Old Fort Community Center.

August 14 is Zone BBQ Attica Fairgrounds 6 pm Social Hour, 7 pm BBQ Pork Chops.

August 18 is the District/Clyde golf outing 9 am at Green Hills \$60.

Plymouth

Plymouth Lions bid farewell to another loyal member. Lion Dan Melick gained his heavenly wings July 1, 2019. Lion Dan was a veteran, a Mason and a devoted Lion. He will be missed.

We participated in the Shelby Bicycle Days parade and Shiloh Ox Roast parade with our train in July. August will be a busy month working at our food trailer for the Silver King Festival and hosting Ashland Evening Lions for a picnic. \$250 was donated to the Plymouth/Shiloh FFA Buyer's Club to purchase fair animals.

We will host the Plymouth/Ashland picnic at Mary Fate Park on August 28 at 6:00 p.m.

Norwalk

Norwalk's mascot in background! (Also known as Taylor Krupp, Art Pember's niece.)

Fremont Lions held their Membership Dinner at the Eagle's on May 21. Thank you to Lion Larry Van Dyne on the great job with our membership drive. Lion Greg DeRodes received a pin for doing such a good job recruiting. So far-eight new members!! They will be installed June 4 at Anjulina's at our annual picnic. The club voted to give each new member a name badge and a hat at no cost to the new member.

Thank you to everyone who helped with the pancake breakfast! We had a steady flow of people which made for an exciting day.

nah Schuetz and Mattie Colohan. Donations will be sent to the Vermilion High School National Honor Society for \$250, to Compass Ministries for \$100, and to the Boy Scouts (Camp Firelands) for \$150.

Seneca County Project Lifesaver

Seneca County Lions volunteer at Sandwich barn at Seneca County Fair. Clubs that are represented in the picture are Bascom, Fostoria, and Old Fort. Tiffin Lions worked an earlier shift. This is a great example of teamwork by Seneca County Project Lifesaver.

August 17, from 9 AM to 1 PM, we will grill sweet corn at the Vermilion Farmers Market in the park by St. Mary's.

American Red Cross Blood Drive will be held on September 16, at Ritter Library from 1-6 PM.

Tiffin

Tiffin Lions are selling brooms at the Farmers Market in Tiffin to fund vision projects.

Vermilion

The Vermilion Lions had a couple of Lions who visited us from Equador. Our program for the month was Life Care Ambulance.

We received thank you notes from our two \$1000 scholarship recipients, Han-
