“Think Globally, Act Locally”

Volume 1 issue 2

August, 2020

Fellow Lions, we are chartering new waters this Lions year. I don't believe our clubs have ever faced the challenges that this year is already presenting. I know clubs are worried as they see major fundraisers at local fairs and festivals canceled. Club service projects like vision screenings in the local schools are on hold due to COVID-19 restrictions. Many members are not able to attend meetings or events for health reasons. Situations like these are affecting every club, so let's talk.

COVID and our members. We need to acknowledge that COVID-19 is perceived by everyone from the position of their health and the loved ones they have contact with. Some members and communities are **green-light** ready to go. They can meet and continue their projects with only minor modifications. Some are **yellow-lighted**. Circumstances allow them to meet and serve, but they need the protection of our masks and social distancing. And some members and communities are **red lighted**. These members need to stay quarantined for their health and/or their loved ones; they may have to make accommodations for work and family. Moving forward, know that it is important to communicate with all members; it is equally important to help them serve as best they can. **Red-lighted** members may be able to make phone calls to check on others or disseminate information. They may be able to help prepare parts for a project at home in their own time. Find ways that they can get involved. For **yellow-lighted** members, be respectful with masks and social distancing and remember that your mask helps protect their family. And, above all, keep the lines of communication going with all members and respect their choices.

Service. Our communities' needs are not less because of COVID. If you talk with community members and organizations, they may have new needs stemming from today's situation. Don't give up on vision screenings and other traditional projects – things will eventually reopen. Until then, “Where there's a need, there's a Lion.” Find out if the local food bank needs help, or if there are students who need clothes and supplies for the start of school. Get word out to the local papers that you will help with eye exams or glasses. Work with the city for a road-side clean-up or helping with weeding or other improvements around town. And remember that many nursing home residents haven't seen many family or friends in a while; providing cards and such brightens someone's day. Officers and service chairpersons, try to find ways to get more of your club serving.

Fundraising. Some of our clubs have enough funds for a “rainy day” situation like this, some do not. Keep your eyes open and see what others are doing. Could you do a pick-up / drive-thru dinner when you can’t have your sit-down meal? Can you sell food from your trailer to walk-ups from another local hot spot if the local festival is canceled? Can you take to Facebook and email to sell tickets for your raffles? Let the community know why you are raising funds and you may be surprised at who will support you. Many communities have a town Facebook page that you can post in, or go through the local paper or Chamber of Commerce. Watch our Facebook page “Ohio Lions District OH2” for online fundraiser ideas. As I see things of interest, I will post them.

Upcoming. As a district, we are working to provide opportunities for you and your clubs to get involved. For those that want to enjoy some outdoor fellowship, we are looking for golfers on Sunday August 16 in Clyde. Green Hills Golf Course is a great course with a tasty lunch to follow. Register at Green Hills Golf website (events). If you don’t have golfers in your club, consider sending an item for the raffle or sponsoring a hole. These donations are important. Let Lion John Meggitt know ASAP.

Also, get involved with the District STEPS Walk. We would love to have you walking or running in Fostoria with us on Sunday, September 13 to raise funds for

Pediatric Cancer. We have local families in need of support and we want to donate to childhood cancer research too – it is seriously underfunded. Whether you join us on-site or participate as a virtual walker, take a photo with your red bandana and post it on the district Facebook page. Show your support for our children and families.

AND... Mark your calendars for October 4-10. This is Ohio Lions Service Week. I want to see if our district can log over 2,500 hours in service that week – hands on and in preparation time. That’s A LOT of hours for 56 clubs!! Where can your members serve? Create one big project or multiple smaller ones. Take up the challenge and join Lions around Ohio in service.

And above all, have fun OH2. Despite the setbacks and hard work that organizing can be. Enjoy the service and the satisfaction of a good job done to make our communities that much better.

Governor Kerry

Governors Visitation Schedule

Butler Lioness	Mon 3 Aug
Fremont Noon	Tues, 4 Aug
Ontario	Tues, 4 Aug

Zone 5	Mon 21 Sept
Loudonville	Tues, 22 Sept

1st VDG Kevin

First Vice Governor Kevin Reidy

As our club year commences, already we have observed the tenacity and hearts of Lions throughout District OH2 “reaching out, stepping up and creatively thinking” to continue serving your communities! Congratulations to you all on your efforts.

The Governor’s theme, “Think Globally, Act Locally” is memorable and profound. The key word of the theme, ACT, is synonymous with Lions Clubs. I remind club leaders to review with your club Governor Kerry’s Goals. As you begin serving in your community, what are your Club’s identified Goals and Actions to accomplish those goals? I invite Lions to participate in the September Zone Advisory Meetings to learn more about goal setting and the Blueprint for Club Success.

It has been an active first month of my term as your 1st Vice Governor. I have conducted officer installations of five clubs, inducted nine new members into Lionism

from two clubs; and anticipate more new Lions to be inducted to follow each month!

I also participated in the four-part virtual series on the North American Membership Institute, an effort in the United States and Canada to charter 200 new clubs, retain and re-engage current Lions over the next two calendar years. I have already spoken to all Zone Chairs about NAMI and invited their input on new Lions Growth and retention of Lions in District OH2.

The OH2 Global Action Team met and shared goals and action plans for the current year. Thanks to the Vermillion Lions for the meeting location, all GAT members participating and DG Kerry for facilitating the productive session.

In a world of COVID-19, Lions are accepting the challenge of conducting projects, service and fund raising under different circumstances and conditions. The OH2 website has links for ideas on fund raising suggestions virtually, as well as recorded leadership trainings which were conducted in June. Also refer to the lionsclubs.org website for additional ideas on projects and service during these unprecedented times.

Speaking of the lionsclubs.org website: Member Resources tab on the home page provides a wide range of information at your fingertips. I encourage you to explore the site, its contents, and tools to assist your club in executing its mission to serve.

NOW is the time to "Just Ask", recruit and **invite prospective new members** to experience the fun and activities in your club! Why? LCI has waived the \$35.00 per new

entering Lion service fee from now until December 31! Let us get out there and **ROAR OH2 Lions**...keep catching them. Many hands make for greater service to your community. Where There's a Need, There's a Lion!

Mifflin, OH
- 19-20 Vision Screening
Savannah Lions

2nd VDG Cindy

Hello Lions!

I have enjoyed my visits with your clubs so far, be it in person or via Zoom. With ever-changing environments, we need to keep in touch with all club members. I learned yesterday of a State Committee that held their meeting via teleconference. You need only the technology of a flip phone! You may not have much to discuss, but interaction between members, especially those who don't get out much is important for well-being.

You will be getting your new directories at your Zone meetings coming up in September. Until then, if you need to get in touch with me my email is lioncindy.beat@outlook.com My cell is 419-937-7543 and text is fine. If I don't recognize the

number, I may not answer, so be sure to leave a message!

Stay safe.

2ndVDG Lion Cindy Beat

Living Well *with Diabetes*

Preparing for Covid with Diabetes

<http://www.diabetesforecast.org/2020/04-jul-aug/keys-to-sick-day-management.html>

Resting Risk

For older adults with prediabetes, a period of temporary inactivity – during an illness or injury, for instance – can raise the risk of developing type 2 diabetes. In a study, 22 overweight adults 65-79 with prediabetes reduced their usual activity levels to less than 1,000 steps a day for 14 days and then returned to their normal activity level of about 7,000 steps per day for two weeks.

Oral glucose tolerance tests showed that they were more insulin resistant after the inactivity and didn't return to normal even two weeks later. (Because of the short length of the study, it's unclear whether levels might have eventually returned to normal – or progressed to type 2.)

Maintain your activity levels as much as possible and discuss with your doctor options for blood glucose management when you can't be active.

Get to know your district

Officer Training Recognition

It has long been a tradition for incoming officers to receive pins and certificates for attending the OH2 Leadership School every May. This year a problem has arisen because attendance was at zoom meetings and detailed attendance information is not available.

The GLT is asking every club president to confirm who from their club attended which meetings. This information should be sent by email, phone call, or mailing to OH2 GLT Coordinator Ann Miller. Pins and certificates will then be handed out at the first zone advisory meeting in September based upon submitted information.

District Poinsettia Sale

Again this year District 13 OH-2 will be having a poinsettia sale to raise funds for district projects and to provide a club fundraiser if clubs so choose. We have been successful in past years, and look forward to success again this year even under interesting circumstances. Clubs have their customer lists from prior sales and new contacts could be made through social media, phone calls, etc. Christmas is coming and what would this holiday be without our poinsettias?

Colors and pricing will be shared as soon as we have information from the greenhouse. Dust off your customer lists from last year and make some initial contacts with supporting businesses, churches, and neighbors. Complete information and order forms also will be put on the district website.

This is an easy way to help fund OH-2 projects and to promote our clubs as we reach out to the public.

Lion Ann Miller

OH 2 Poinsettia Sale Chair

Lions Clubs International
FOUNDATION

DISTRICT AND CLUB COMMUNITY IMPACT GRANT PROGRAM

The DCG program is an opportunity for clubs and districts to receive a grant for humanitarian services. The grant is to be used for services that impacts the communities that your club or district represents.

For the district and clubs to qualify the district must donate a total of \$10,000.00 and the clubs must donate \$5000.00 in a Lions year. This year would July 1, 2020 to June 30, 2021.

A club that donates \$5000.00 will receive grant money of 15% of the \$5000.00 and the district will receive 15% of the \$10,000.00. Disaster funds to not count toward the \$5000.00 or the \$10,000. The only funds that counts is funds donated toward empowering services.

The district and clubs has 15 years to use these funds. We have two clubs at this time that received the funds and our district also has funds available for humanitarian services.

For more information on the DCG Program and to apply for the grant you can contact me.

PDG/LCIF Coordinator,

Carolyn

Your LCIF donations at work

In June, District OH2 applied for an LCIF Emergency COVID-19 Frontline Disaster Relief grant. These were \$10,000 grants given to areas with extreme numbers who met specific criteria; they were offered for a limited time. The grant was funded in early July and we were able to split the money proportionally between Lorain and Richland counties. We are grateful to UH Hospitals across Lorain County and to the Mansfield Fire Department for their willingness to work with us to meet the grant guidelines, including the display of a Lions sign at their locations. The \$10,000 is specifically for needed materials and our donations are providing PPE for both areas and testing supplies for the Avon UH testing site. Thank you to all of the Lions who have been doing what they could to provide masks, ear-savers and other PPE for our frontline workers. If you are still making masks, our communities can use them. There is also a Buckeye Mask Project in the Columbus area to help the 55,000 students that want to study at Ohio State in September. Contact Lion Jane Jarrow for more information (janejarrow@aol.com).

During the COVID pandemic, LCIF has given out over \$4 million in grants world-wide. Our Campaign 100 donations ensure that they are still able to fund youth programs like Special Olympics as well as initiatives for vision, hunger, diabetes awareness, the environment, and childhood cancer. We have challenged each club and its members to give at least \$250 this year, but consider a Melvin Jones Fellowship this year to boost Campaign 100. Through 2022, our district is allotted a portion of our donations to use for club or district projects. The more we give, the bigger our impact. **Think Globally, Act Locally!**

"WE SERVE"
WHERE THERE'S A NEED
THERE'S A LION

Information from your Reporting to LCI

Congratulations on serving over **275 million people!**

Let's break it down.

5,734,744
people served through
vision screening

4,361,416
people served through environmental
clean up and restoration projects

14,756,467
people served through food
collection and meal preparation

2,925,727
people served through education,
literacy and reading programs

1,377,427
people served through clean water
and sanitation

600,000
people served through Lions
Quest programs

2,278,223
people served through childhood
cancer awareness, education
and advocacy

1,337,746
people served through type
two diabetes risk awareness
and screenings

5,762,256
people served through tree planting
and tree care

2,172,113
people served through eyeglass
collection and recycling

31,410
people served through
trachoma surgeries

8,500,000
people served through river
blindness treatments

And that's just a fraction of the work our Lions have done this year.

Together, we're making our communities and the world a better place.
Celebrate this momentous milestone with us — we couldn't have done it without you.

Five years ago, we created LCI Forward, a strategic plan to serve 200 million people around the world each year before 2021.

That may have seemed like a lofty goal, but when Lions come together, we can achieve great things. And today we're celebrating because we've not only hit our goal — we've surpassed it.

This year, Lions far and wide have served more than 275 million people. But what does that actually look like?

For more info, please visit lionsclubs.org/lciforward

Lions Clubs International

Inspiring *VISION* in our Communities

Fall into Service with Lions

The Lions of Ohio are promoting a week of service October 4-10, 2020. Lions throughout Ohio are asked to participate by scheduling a service project during that week to show the world that the Lions of Ohio truly do live up to our motto "We Serve." The sky is the limit — be as creative or as traditional as your club desires. Do it alone or in cooperation with other Lions Clubs or organizations. Letters of commitment will be sent to clubs soon.

Submitted by Lion Ann Miller OH2 GLT Coordinator

Club News Past, Present and to come

Ashland Evening Lions

Ashland Evening Lions

We did not hold a regular meeting in July but the Board met on July 16 at the FLAC Building using social distance procedures.

President Woody Conrad encouraged us to reach out to potential new members with the extra incentive of LCI waiver of \$35 entrance fee through December 31.

We completed our spring geranium and plant sale with participation by 81% of members. The club will again participate in the District Poinsettia Sale fundraiser. Lion Bob Carver reported that the club food trailer has been repaired and is ready to put into service. We will support the District Golf outing with raffle prizes and support for a hole.

Budget time has arrived. Among the considerations this year will be increases in the line items for Exams and Glasses in the project budget and for Newsletters in the administrative budget.

New member Lion Adrianna Anderson is working with Lion Tim Kershner to revamp our club website. They hope to have it up and running within next few months. Lion Adrianna is coordinating a walk entitled "Out of the Darkness" on October 24 in support of the American Foundation for Suicide Prevention and asked for our club to make this a service project.

A number of members are battling health issues and we

were encouraged to keep in touch and offer our assistance as needed.

Our next scheduled meeting is August 6 with an official visit by Gov. Kerry Parker. President Woody Conrad is working with possible meeting places. Our annual club picnic will be August 30 with the Plymouth Lions as our guests.

Ashland Noon

The Ashland Noon club has been on our regular summer meeting recess but still active. On July 11th, several members assisted the Ashland Cancer Association with their annual rummage sale. Also, our summer project painting fire hydrants for the Ashland fire dept continues. We are having our monthly board meetings via Zoom with all members invited, and have had a good turn out and input as we adjust our budget and plan for the safety procedures we will need when our regular meetings resume on September 10th. Our rose sale is still on for November 19th, we will post more details later. Our centennial committee is finalizing plans for our 100 year anniversary celebration at Ashland University on November 14th, save the date. Have a safe summer and we hope to see you at Lion's functions this fall.

Bascom Lions

The Bascom Lions is getting back on the track, we had a one meeting last month with 17

members attending. DG Kerry Parker was our guest and she performed the Installation of Officers. Highlight of the meeting included finding out that the General was on its way back to Ohio. The General was the first drivable fire truck that Bascom ever had. It has been all over the country as ownership was passed many times. Luckily it is in good shape and had been completely restored. Through many donations and fund raisers, including from the Bascom Lions, it has been purchased by a local organization and is now being delivered after a long delay due to Covid-19.

We successfully held a blood drive in July with extra precautions at the Meadowbrook Ballroom and had over 30 donations. Also, the county let us resume trash pickup along County road 7 near Bascom. We had 8 members and 1 spouse help with the pickup.

Business for the month included donations to the legacy Bike Ride to benefit FACT which will be on Sept. 12th, and the OH2 Steps Walk 2020 in Fostoria on Sept 13th.

Bellevue Lions

Bellevue Lions held their 76th Annual Installation of Officers, overseen by OH 2 2nd Vice District Governor Cindy Beat at the Touch the Heart Ministries Pavilion.

Outgoing President Jenny Oney passed the gavel to new President Erica Caranfa.

A print created in memory of Lion Barb Cottos was presented to the club. It will hang in the Bellevue Recreation Department's Jungle Junction kids' indoor playground.

The upcoming Labor Day weekend Bellevue Lions Broom Sale was discussed as was the rescheduled Golf Tournament in September and Spaghetti Dinner in October.

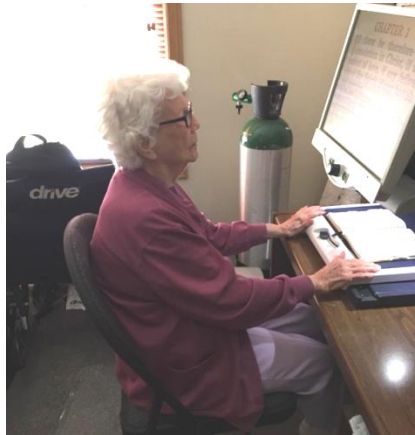

Bellville Lions

The Bellville Lions club had Regional Chair Lion Gene Berrier install the club's new officer on July 14.

Lion Ed Brook and PDG Carolyn delivered another low-vision magnifier to an elderly lady in

Bellville. Her daughter advised members Ed and Carolyn that her mother spent three and half hours on the magnifier reading her Bible.

She has not been able to read for a very long time due to macular degeneration. This is what being a Lion is all about.

DG Kerry, President Jeff Burns of Madison Township Lions and President Jessica Hill of Mansfield United Lions and PFG Carolyn presented the grant money of \$3000 to the Mansfield Fire Department to Chief Steve Strickling on July 20.

Lion Kristina Brook, Sarah Brook and PDG Carolyn started making face masks for the Clear Fork community. The club is hoping to make 100 masks.

Castalia Lions

We will be manning camper gate from 8:00 am until 10:00 pm. The fair board is going to man the other gates. Although this currently isn't much of an obligation, I feel this is an opportunity to at least make a few dollars for the Club. I also feel as the week goes on the fair board will realize that they need us to maintain the other gates.

This is if the Erie County Fair isn't cancelled.

Clyde Lions

The July meeting for Clyde Lions was once again held in beautiful downtown Clyde at the Railroad Plaza to discuss old and new business. August 16th District Golf Scramble @ Green Hills Golf Course was the main topic. Another great event is once again planned. Team registrations are still being accepted as are sponsorships. Please see the attached brochure. We hope many District Lions will participate in this Clyde Lions sponsored event. Members scattered to participate in a Service Project of cleaning trash in the downtown area. Nothing unusual found this time and the areas were quite clean. We may have to expand our area next time.

Colonel Crawford Lions

The Colonel Crawford Lions were pleased to have District Governor Kerry Parker, then elect, install our new officers at our 49th Annual Charter Night. Due to the coronavirus, this year we had to be a more creative. We decided to have a potluck with meat and beverage provided at the home of PDG Carl and President (elect) Margie Watt. Governor Kerry brought us news about the current happenings in Lions. She was very attentive to our concerns about vision screenings and the Ohio Department of Health. At the meeting, we decided to donate \$165 towards the planting of trees at the Crawford County Fairgrounds.

Speaking of the Fair, that is the next project for the club. For two days both the Colonel Crawford

and Crestline Lions will man the gates. Last week it was announced that there would be a Bratwurst Festival this year. There would be no parades, entertainment and beer gardens. We were determining the number of Lions who would volunteer to help and other details. However, last night the committee decided to cancel this year's festival.

Hayesville Lions

Hayesville Lions Gun Raffle was a success with 21 members participating and 1 club member a winner. Thanks to all who helped. Hayesville will have 1 team taking part in District golf outing. Hopefully we will have more than 2 participate in STEPS.

Loudonville Lions

Our newly elected board met in July to organize for the year. Although local events were cancelled, Loudonville Lions were able to hold a Drive Thru Chicken BBQ on July 4th. Guests picked up chicken dinners prepared by our Lion pit masters without even getting out of their vehicles. Based on the success of our first two drive through BBQ's, the Club has decided to add another on August 1st, since we have lost out on other fundraising opportunities during the Covid emergency. We do not hold regular meetings during the summer months and are still in the process of determining a plan for fall. President Jan Abee and Secretary Ron Lutz participated in the My Lion training by Zoom. Long time Lions Annette and Bill Gorrell moved from the area after Annette retired from the school system and we miss them already!

Lucas Lions

Kevin Reidy, 1st Vice District Governor installed new officers for the Lucas Lions Club. Officers are as follows:

President Mary Dixon, Vice President Bill Grubaugh, Secretary Dan Stotts, Treasurer Bill McFarland, Directors Helen Balcolm and Vickie Hunt, Lion Tamer Tom Kurtz and Tail Twister Bob Small.

While attending the meeting Lion Kevin also initiated seven new members into the club. They are Amanda Doan, Brian Foltz, Amanda and Brad Howell, Lee Ann and Jim Roland and Erika Smith.

Our next event is the Community Picnic/Duck Race scheduled for Thursday, August 20 at our wonderful Lucas Park. Stay tuned to see what Corona may or may not do that fun activity.

Lorain Harbor Lions

Lorain Harbor Lions Club is still doing its part for community service, even through this "stay at home:" time. We are making masks to donate to University Hospital. So far, we have created 60 masks to donate. Both elastic and ties have been used for a variety of uses.

Marblehead Peninsula

Former District Governor Kenny Schuck joined our club on July 16 to install new officers. He presented the International

President's Certificate of Appreciation to Lion Tod Kelly, incoming president, for fulfilling the mission of Lions International, and the Council of Governor's banner to Tom Henderson, outgoing president. (See photo.) Unfortunately, because of the increase of Covid-19 in the state, we will not be able to hold our 28th Annual Marblehead Peninsula Lions Club Perch Festival, our main fundraiser. The good news is that the popular raffle will continue. For more information and to purchase raffle tickets, please go to our club's website.

Old Fort

Lion of the Year

Our Lion of the Year joined the club 6-18-2013. She was sponsored by **Doug Stacy**. She has helped on many projects like Project Lifesaver baskets, Elementary Christmas, Christmas baskets and the Fair. She was a key figure in bringing the calendar project back better than ever. She tirelessly gathered pictures and add money. In the end we made over \$3,200 (twice what we made in 2017).

Congratulations

Immediate Past Pres. **Holly Stacy** on being our 2019-2020 Lion of the Year.

Calendar Project

Calendar sales will be done via mail this year. We may reach out to you for help with an address or

two and make personal contact if an address cannot be located. Mail returns will be due by the end of August.

Aug 5 **Zone BBQ** at Attica Fairgrounds 6 pm Social Hour, 7 pm BBQ Pork Chops **free meal**
Old Fort is to provide dessert and help is needed for setup at 5 pm.

Perrysville Lions

We held our second meeting for this Lions year with 10 members present. The Lion that was not in attendance was at a Naval reserve training weekend.

We held our first Swiss Steak Luncheon for the year. It was Carry out Only. They fixed for 72 meals. Bad part was we had only 70 carry outs. That meant that the members all had to go home and find something to eat. It was decided to continue the luncheons as Carry out Only for August. The luncheon will be August 9th from 11:00-1:00.

President Carolyn and IPP Susan presenting certificate of appreciation to Ron Puglisi for his donation to the Perrysville Lions.

Plymouth Lions

District Governor Kerry Parker installed officers for the Plymouth Lions Club on June 24th, observing social distancing guidelines. Leading our club this year will be Lion Mindy Bigelow. Outgoing President Mike Grube expressed his thanks to everyone who

supported him this year and who attended the Zone meetings. We always had a record turn-out for such a small club.

Members participated in Shelby's Bicycle Days parade. The rest of the summer's parade schedule is uncertain due to COVID-19. A \$250 donation was made to the Plymouth/Shiloh FFA Buyer's Club to purchase fair animals, and two pair of eyeglasses was purchased.

Tiffin Lions

Nineteen Tiffin Lions met July 20 with precautions at First Christian Church. The Sight committee reported on the return of a Low Vision machine and used eyeglasses ready to transport to Columbus. Broom Sales have gone well at the July Tiffin Farmers Markets.

Birthdays and Anniversaries were celebrated with song, fines, and mints.

August 5 is the Zone 2 BBQ Social in Attica at Fairgrounds with a Project Lifesaver meeting after the event. August 24 is our next

meeting if the county level returns to yellow from the current orange.

Vermillion Lions

Chairman Dan Dean collected \$182.00 at our first July meeting for our local Food Pantry.

We rang the bell for the Salvation Army for Christmas in July.

Due to the cancellation of our annual Reverse Raffle we are selling 12-14 ounce strip steaks for \$10 each.

There will be a Lions Club Drive Thru on Saturday, August 22 from 4-9 PM in The Nest parking lot at 3701 Liberty Avenue, Vermillion. We will be selling The Nest delicious gyros and the Lions delicious homemade French fries. Come and enjoy!

Hope that everyone is staying safe!

Lions that have passed this month

PCC Horst served as Council Chair from 2006-2007. He was an active leader in the Port Clinton Lions and District OH2. He served as MD13 LCIF Coordinator for six years.

Horst Herzog Obituary

(<https://www.walkerfuneralhomes.com/obituaries/Horst-Herzog?obId=17630455#/obituaryInfo>)

Horst Harald Herzog, 82, of Port Clinton, left this world to be with his beloved wife, Sue, on Wednesday, July 23, 2020 following a battle with cancer.

He was born January 10, 1938 in Rozyszcze, Poland, the son of Albert and Else (Olek) Herzog. Horst was raised in Germany and immigrated to the United States at the age of 14. The family made their home in St. Joseph, Michigan where he graduated from St. Joseph High School in 1956.

Following high school, Horst served three years in the United State Army including 18 months in Korea. He went on to earn a B.S. in Engineering from Western Michigan University and an MBA from Bowling Green State University.

Horst married Sue Anne (King) on August 16, 1959. They spent their early years in Michigan before moving to Ohio in 1968 where they raised their family until 1988. They spent the next 12 years living around the world, including Mexico, the Czech Republic, England and India where Horst was the Managing Director for a division within Ford Motor Company. Horst retired from Ford in 2000. He and Sue moved back to Ohio and built their home on Catawba Island, where they became active volunteers in their community, serving in the Port Clinton Lions and Lions International.

Horst was a Lion for 44 years and is a multiple Melvin Jones Fellow. He served as President of the Port Clinton Lions in 1985-86 and received the Clubs "Lion of the Year" award twice. Horst was Zone Chairman in 1987-88 and several times again at the request of the District Governor. Elected District Governor in 2005-06, he was instrumental in promoting and implementing Project Lifesaver into Erie and Ottawa counties and within other counties throughout the state. Following this term, and at the request of the 10 incoming Governors, Horst was elected as Council Chairman in 2006-07. He and Sue hosted a Lions foreign exchange student from Austria; raised a puppy for the Pilot Dogs program; and attended District, State and International Lions Conventions. Horst was also a member of St John Lutheran Church.

Survivors include: sons Harald Herzog and Richard (Viola) Herzog; daughters Deborah (Peter) Mulcahy and Amy (Sam Lutrin) Lillquist; grandchildren Mitchell and Eric Herzog, Evan and Alan Mulcahy, Kathryn (Adam) Allard, Magnus and Henry Lillquist; great- grandchildren Amara and Silas Allard; brothers Helmar and Bernhard Herzog; as well as many beloved nieces and nephews.

He was preceded in death by his loving wife Sue, parents, and son-in-law David Lillquist.

A Lions Memorial Service as well as a Funeral Service will be held on Saturday, August 1, 2020 at 11 am at Catawba Island Cemetery. All are welcome to attend. Please practice social distancing and bring your own chair if necessary.

In lieu of flowers, memorial contributions may be made to the Lions Club International Foundation, 300 W 22nd Street, Oak Brook, Illinois, 60523; or to Stein Hospice, 1200 Sycamore Line, Sandusky, Ohio 44870.

Upcoming District Activities

STEPS

Lions for Pediatric Cancer

5K & 1 Mile

Sunday, September 13, 2020

Throughout September, Lions Club members, families and friends around Ohio will be participating in a 5K run or 1M walk to raise money and awareness for pediatric cancer. Join us on September 13 at 10 AM to help families fight cancer ONE STEP at a time.

Lake Lamberjack and Lake Mottram at Fostoria City Park

At the west end of West Center Street, Fostoria

5K Run and 1 Mile Walk at 10am Or make a donation as a *Virtual Walker*

**100% of the money raised
will go to pediatric
cancer research and to
support affected families.**

Be a Red Bandan-dit!

Donate \$25 and register as a **Virtual Walker**. We'll send you a red bandana. The weekend of the STEPS Walk, take a photo of yourself (or with club, friends or family) out with the red bandana. Post the image on our Facebook page (Ohio Lions District OH2) or send it to kep121@msn.com. Stay Covid-safe and join the group collage!

Awards will be presented for age groups.

REGISTRATION BEGINS AT 9AM - YOU CAN REGISTER THE DAY OF THE RACE

To Register:

Mail the form with \$25 registration to **Lions OH2 STEPS** 1033 Kennedy Ln, Fostoria OH 44830 or send via email to afirechf@gmail.com. Registration includes t-shirt if received before Sept 1.

NAME: _____ AGE: _____ SHIRT SIZE : _____ VIRTUAL WALKER? **Y / N**

EMAIL: _____ PHONE: (_____) _____

Make checks payable to OHIO LIONS 13OH2 STEPS WALK

For any questions, email afirechf@gmail.com or call Lion Mona DiCesare at 419-306-2045

June 1, 2020

Greetings Potential Race Sponsor:

A relatively new initiative for Lions Clubs International has been to address Pediatric Cancer across the world. Many Lions Clubs throughout the country will be hosting a Walk/Run event sometime during late Summer or early Fall to raise funds for this initiative. These events have taken the name of **"STEPS" Lions for Pediatric Cancer**.

Our District's event will be held around Lakes Lamberjack and Mottram in Fostoria on Sunday, September 13th. Our Fun Walk will start at 10:00. We are looking forward to a fun event to raise funds for a very worthy cause.

We have several levels for our sponsorships:

\$ 0 - \$ 99	Listed on our Sponsorship Banner
\$100 - \$ 250	Company Sign placed along walk/run route
\$250 - \$ 500	Water Stop Sponsorship - Name on Tee Shirt
Above \$500	Golden Level-Sign placed along route/Recognition during event Name on Tee Shirt provided to each participate

All donations will be accepted. If you or your company can not participate in the run or walk; please consider a donation to this worthy cause.

We would appreciate your support. Please make checks payable to:

Ohio Lions 13OH2 STEPS Walk

Mail to:

Mona DiCesare, Chairperson
1033 Kennedy Lane
Fostoria, OH 44830

Thank you so much !!!!

Angie's Institute

At a Glance
2017 Statistics

The **Angie Fowler Adolescent & Young Adult Cancer Institute** at University Hospitals Rainbow Babies & Children's Hospital – fully integrated with University Hospitals Seidman Cancer Center and Case Comprehensive Cancer Center – is specifically designed to provide a new and better “continuum of care” so essential for successful cancer treatment for every patient; from tiny babies to 30-year-olds. Internationally recognized for basic, clinical and translational research in pediatric hematology and oncology, the institute integrates advanced treatment, breakthrough clinical trials, nationally recognized physicians and research programs under one roof. Our new facility features the latest technologies embedded in truly comfortable, age-appropriate environments for pediatric as well as adolescent and young adult patients with cancer and blood disorders.

ACCREDITATIONS First pediatric bone marrow transplant program in northern Ohio to be accredited by the Foundation for the Accreditation of Cellular Therapy (FACT), as well as a member of the National Pediatric Blood and Marrow Transplant Consortium. Our 100-day patient survival rate for BMT patients is nearly 100 percent.

UH is the first Ohio medical provider to offer proton therapy for patients with solid tumors, or tumors located near critical organs or vital structures

PROTON THERAPY

NATIONALLY RANKED

#22 Cancer
by U.S. News & World Report

BRAIN TUMORS/NEURO-ONCOLOGY

Aggressive approaches including minimally invasive biopsy, the latest radiation therapy technologies, intraoperative MRI and access to proton beam therapy – technology which is only available at a few centers nationwide.

HEMOSTASIS AND THROMBOSIS

One of only a few federally funded centers of its kind in Ohio, providing diagnosis and treatment for children and adults with a variety of congenital bleeding disorders, including hemophilia A and B, von Willebrand's disease and other rarer diseases.

CENTER FOR DEVELOPMENTAL THERAPEUTICS

Only regional access to Phase I and II clinical trials specifically for children, adolescents and young adults and trials offered only through the Case Comprehensive Cancer Center.

SICKLE CELL ANEMIA CENTER

With the largest sickle cell patient population in Northeast Ohio, we offer genetic counseling, diagnosis, newborn screening, inpatient/outpatient management and treatment.

CENTER FOR SURVIVORS OF CHILDHOOD CANCER

Advanced survivorship includes access to superior clinical care, patient advocacy, education, survivorship research and life-long continuity of medical records. In addition, patients have access to a wide array of support services to address their unique psychosocial needs. These include support groups for patients and for caregivers; consultations with teachers and professors to help AYA students successfully complete high school or college; programs to help AYA patients prepare for life after cancer; and counseling about national programs and opportunities for AYA cancer patients and survivors.

UH Rainbow Babies & Children's Hospital is fully integrated with UH Seidman Cancer Center, part of a National Cancer Institute (NCI) designated Comprehensive Cancer Center at Case Western Reserve University. Other affiliations include Teen Cancer America, Stupid Cancer and Critical Mass.
