"Think Globally, Act Locally"

Volume 1 issue 3

September, 2020

September newsletter article

To start, I want to recognize the Lions and clubs that have stepped up early in the year moving us forward in service and membership. Hats off to Zone 6 with membership in these first two months – 7 new Lions! Zones 1, 2, and 4 have also brought in new members this year. Lets share our enthusiasm for community service and build fellowship. We'll see which zones can have new members to introduce by their zone meeting!

Kudos to all the club secretaries that are already putting information into MyLion! Despite COVID, one-third of clubs have service activities and fundraisers in MyLion. For those clubs that have not met yet, I look forward to seeing the reports as you get back started. For those clubs that have made donations or been out in small groups to do yard clean-up, parades, send cards or collect glasses – don't forget to report these in MyLion, even if it was back in July. Our goal is to get *every* club to report at least 3 projects, donations or fundraisers.

Next, I'm encouraging all of our clubs to get involved in our two district events. On September 13, Fostoria will be hosting our STEPS Walk for pediatric cancer. 10 am at the reservoirs at the west end of West Tiffin Street. The \$25 donation per walker will be used for local families affected by childhood cancer and in donations to our local hospitals. Together we make a big difference for a lot of families!

So – you and your club can make a donation to STEPS and report it as a donation. To make it a *service activity*, encourage your club members, family and friends to get out and *walk*. If you can't join us in Fostoria, walk at a local park, or around the square in town or around a neighborhood. We are making a photo collage of all of our walkers. So... we will send you a red bandana. I really want to see all of our Lions family in their bandanas supporting the cause. The directions are:

- 1. Take a picture of you and your walking crew with the bandana.
- 2. Email it to kep121@msn.com
- 3. OR post it on your Facebook page and type in the phrase **#weserveOH2 #childhoodcancerOH2**.

This #phrase will make a social media collection of our efforts to raise funds and awareness for this cause – visible to everyone who searches « we serve » or « childhood cancer ». And that is service through support.

Lastly, mark your calendars for October 4-10. This is Lions' Service Week - Fall Into Service. During this week, get your club members out and serving. It can be an favorite signature project, a series of projects or a new project that your club creates to get members and community involved. Our goal is 2,000 hours (or more!). Lions, Lionesses, LEOs, friends and family can all get out and show the meaning of WE SERVE during this week. Each club has been sent a commitment form. Club presidents or secretaries should complete the form and send it to Lion Ann Miller babba4ajm@gmail.com. This pledge helps us gauge and report engagement around the state. Take this month and plan your projects and recruit.

I look forward to seeing your clubs at the upcoming zone meetings.

Governor Kerry Parker

Savannah	Thur. 1 Oct

1st VDG Kevin

First Vice Governor Kevin Reidy

Where There's a Need, There's a Lion! As we usher in Fall in North Central and North Coast Ohio, Lions continue to serve their communities. I encourage you all to explore opportunities and assistance in your city, town or village.

A reminder that now is the time to "Just Ask" and invite members to join in your club's fun and events/projects! Again, LCI has waived the \$35.00 new member service fee from now until December 31. Introduce your neighbors, business associates, congregants, and colleagues to what Lions are all about and our service organization's impact upon lives!

A couple of reminders: Sunday, September 13 at 10 am is the OH2 STEPS Walk/Run at Fostoria City Park! Be sure to sport your red bandanas and support for Childhood Cancer with a donation and/or participation in this important event! Thanks to the Fostoria Lions and ZC Mona DiCesare for coordinating this year's event.

Fall into Service Week is scheduled during the Week of October 4 though October 10. Clubs throughout the State of Ohio are participating, and it would be AWESOME for all clubs in OH2 to engage and commit to a Service Project during this week! Club Secretaries are being asked to enter service hours into My Lion for all members' participating in your club's project! It may be as simple as raking leaves in a neighborhood, conducting collection for the local food pantry or exchanging screened windows for storm windows at a senior citizens' home. Whatever service project your clubs undertake, do so with enthusiasm and LIONS

PRIDE! The Global Leadership Team and Global Service Team Chairs are collaborating, and a commitment letter is to be signed and returned to GLT Lion Ann Miller this month to Fall into Service.

Continued health, safety and service to you all this month in our mission To Serve.

Good Morning OH2 Lions

August has seen a lot of action by us. You have been doing service projects and fundraisers, many different as in the past. Keep up the good work!

Perhaps you have heard the news that Ohio Lions have a Fall Into Service Week October 4-10. You create the Service Project or keep one that you have, best suited to your community, be sure to complete the letter of commitment, perform the service and most importantly-report it to LCI.

Another piece of news is the cancellation of the State celebration of 100 years of Lions in Ohio. This was to be held

September 5 in Columbus because of the cancellation of the State Convention.

I look forward to the club and Zone Meetings coming up, whether in person or Zoom. With that being said, my September / early October schedule is: Yours in Lionism.

Living Well with Diabetes

Walk Away From Depression

Diabetes doubles your risk for depression, but you may be able to take steps – literally – to fight those odds, even if you have genes that make you more susceptible to depression. At the beginning of a study, 7,968 adults (the average age was 60) described their daily activities, including exercise. Less than 10 percent had diabetes, and none had been treated for depression for at least a year. They also had their genes analyzed. Two years later, participants with certain genes were more likely to have been diagnosed with depression – with one significant exception. Those with depression-linked genes who got 35 minutes of daily exercise had no such elevated odds. More good news: Both low-intensity and high-intensity exercise appear to offer protection from depression. Try yoga, stretching, aerobic workouts such as dancing, or the exercise machines at your local gym.

(Source: Depression & Anxiety, November 5, 2019; Diabetes Forecast,)

Get to know your district

District Poinsettia Sale

Again this year District 13 OH-2 will be having a poinsettia sale to raise funds for district projects and to provide a club fundraiser if clubs so choose. We have been successful in past years, and look forward to success again this year even under interesting circumstances. Clubs have their customer lists from prior sales and new contacts could be made through social media, phone calls, etc. Christmas IS coming and what would this holiday be without our poinsettias?

Colors and pricing will be shared as soon as we have information from the greenhouse. Dust off your customer lists from last year and make some initial contacts with supporting businesses, churches, and neighbors. Complete information and order forms also will be put on the district website.

This is an easy way to help fund OH-2 projects and to promote our clubs as we reach out to the public. Lion Ann Miller

OH 2Poinsettia Sale Chair

Officer Training Recognition

It is a tradition for incoming club officers to receive pins and certificates for attending the OH2 Leadership School every May. This year a problem has arisen because attendance was at zoom meetings and detailed attendance information is not available.

We are making one more request. The GLT is asking every club president to confirm who from their club attended which meetings. This information should be sent by email, phone call, or mailing to OH2 GLT Coordinator Ann Miller. Remember that pins are only given to the actual 2020-2021 members holding the offices of President, Secretary, Treasurer and Membership Chair. Pins and certificates will then be handed out at the first zone advisory meeting in September, or as soon as possible, based upon submitted information. There are no patches or rockers available this year.

District Newsletter for September 2020

"Want to grow"

Most people don't want to gain weight they want to be lose a pound or two! Me TOO! But I'm writing about growing Lionism! Some might think membership—but membership is only about numbers. I want you to think not just in quantity but also in quality. Most every club I have visited, tells me they want more members but don't look at themselves, their existing members. The vital ingredient for true satisfying long-term success may very well be how satisfied is your existing members with your club. What is your club gatherings (meetings) like -> is it a party, happy members, informational, personal satisfaction, do you like being part of the gathering? Are the personal needs of your members being satisfied?

Before you look outside your club for new members, take time to look inside your club. Are your members feeling satisfied with the *Why, What, and How* you do what you do? Do your members have ideas and desires to change? Most people want to feel needed, appreciated, and a contributor of the club.

WHY does your club exist today? Maybe you want to take time to brainstorm with your members about the purpose of you club, its activities, and what the community needs that your club can provide. The following exhibit has been extracted from "Full Steam Ahead" about building a vision; page 176: "Vision is a lot more than putting a plaque on the wall. A real vision is lived, not framed. The following diagram depicts the 'double click.'"

PURPOSE 2 PICTURE 2 VALUES

- *Your reason for existence
- *Answers "why"
- *Significant, noble
- *Focus on the end result
- *A picture you can see, not vague
- *Is proactive, not reactive
- *Answer "how"
- *Guide your daily behaviors
- * Need to be consistently acted on

PROCESS:

How It's Created:

- *Involvement
- *Honest assessment of current reality
- *Creative tension

How It's Communicated

- *Keep talking about it, share information on progress
- *Interpret events in light of the vision
- *Once understood, can create a rallying call

How It's Lived

- *Set goals aligned with the vision
- *Take Action
- *Stay focused on vision, reset goals
- *Create supporting structures

If you want to know more about unleashing the power of vision in you work and your life and get focused, get energized, get great results. Read the book "Full Steam Ahead!" by Ken Blanchard and Jesse Lyn Stoner, 2011 or contact your District GMT, they should have LCI Materials on Satisfaction, or PDG Charles R. Newland, 12900 Barger Rd., Leesburg, Ohio 45135; E-mail: cninewland@yahoo.com; Cell: (937) 763-7595.

Lead with Vision, Finish Strong

Inspiring VISION in our Communities

Fall Into Service with Lions

Ohio Lions Fall into Service week is October 4-10. Your commitment letter says "our club will do something" but does not ask what. Let's get those letters in soon so you can make plans to show the world that the Lions of Ohio truly do live up to our motto "We Serve." The sky is the limit – be as creative or as traditional as your club desires. Do it alone or in cooperation with other Lions Clubs or organizations. Club letters of commitment should be sent to OH2 GLT Coordinator Lion Ann Miller as soon as possible. Let's show everyone that OH2 is using this week to "Think globally and act Locally!"

Submitted by Lion Ann Miller OH2 GLT Coordinator

Club News Past, Present and to come

Ashland Noon Lions

The Ashland Noon club continues its summer recess while having monthly board meetings via Zoom.

We are wrapping up our summer service project painting fire hydrants in town, and the committee is planning upcoming projects. After polling members, it was decided to postpone the club's centennial celebration until meeting conditions return to normal when it can be a true celebration. However, we feel confident we can resume our regular meetings as scheduled on September 10th with compliance to safe meeting protocols set up by Ashland University. The first meeting will feature officer installation, new member induction, and the awards presentation postponed in May. Details on our new centennial date and our rose sale in November will be released soon.

Ashland Evening Lions

Ashland Evening Lions met on August 6 with Gov. Kerry Parker as our special guest. She

shared her goals and dreams for the year and encouraged our club to reach out in the community.

Recycling and eyeglass collections alive and well. Our food trailer has been repaired thanks to Lion Bob Carver.

Our annual club picnic is August 30 and the Plymouth Lions will again be our guests for the "bring your own basket" event. The Kroc Center will remain closed at least until October 1 so club will be meeting at the FLAC building at 107 East Main Street in

Ashland on September 3. We plan to participate in the Fall into Service activities in October.
Submitted by IPP Lion Ann

Miller

Bascom

The Bascom Lions had a meeting August 18th at Hopewell Loudon School with 12 members present. Dallas informed us that all of the gun raffle tickets are in the hands of the members and everyone needs to sell their ticket that still has them. So, if you see a Bascom Lion, ask for a gun raffle ticket.

We had enough board members present for a meeting and some business was taken care of including donations to sending cookies overseas to service men and women. We also donated money to the Hopewell Loudon School for the new softball building next to the softball field.

2nd VDG Cindy beat will be our guest at our next meeting on September 1st at Hopewell Loudon School.

Bellevue Lions

The Bellevue Lions were looking for a new opportunity to "SERVE" and after talking to Amy Palsa the Bellevue Rec. Dept. Director, she advised we could help by digging weeds around the playground area. Picture are Erica Caranfa left(president) and Melissa Campbell(1st. VP) with an evening of digging weeds. Help was also provided by Dave Greene, Jack Williamson, Lance Rectanus, Jim Pickering. This is a work in progress so we will be back another evening.

Butler Lions

Butler lions President Alicia Weikle Doing an eye check during the Butler preschool registration. This is the first project we have been able to do since they have gotten their new members. Due to the coronavirus.

Clyde Lions

Clyde Lions met August 3 with Region Zone Chairman Jim Pickering and 2nd V. Gov. Cindy Beat present.

Members decided not to hold the District Golf Scramble scheduled for August 16.

With many Lions concerned about the Covidvirus attendance seemed to be a concern. The 65" TV Raffle tickets continued to be available and a winning ticket was drawn on August 16. The club recently purchased 2 Visual Readers to be donated to the Clyde Library.

Due to Labor Day held on regular meeting date the next meeting will be held on September 14 in the Community Room of the City Building

Hayesville Lions

The Hayesville Lions Club had their annual family picnic August 20 at the pavilion at Hayesville United Methodist Church. Bob Brown

gave a report on the audit and Mike Kelly gave his report on the budget.

Kenny Schuck presented a Governor's Council award to Pres. Dean Whitcomb.

Our club will have the Fall Sausage Sale and you can order from any member or call Jim Tugend at 419-908-3337. Bulk will be \$3.00 a lb. and Stuffed will be \$3.50 a lb.

September 3 is the Board meeting at Pres. Dean Whitcomb's home.
The dinner meeting will be September 17 at the IVS.

Lion Davy McClure collapsed at work and was sent to Columbus to the hospital and is in a coma. It was thought that he had a heart attack or a stroke. Shirley Slater

Loudonville Lions

Loudonville Lions held an additional Drive Thru Chicken BBQ on August 1st, selling out within 90 minutes! What great community support!

We also received a \$2000 donation from Lions Tom and Jeannie Stake and Stake's IGA to help continue our service to the community.

Our annual Golf Scramble is set for September 20th.

The Board was able to meet in person by maintaining social distancing and decided to add an additional Chicken BBQ October 3rd since the Loudonville Fair has been cancelled. This event will also include a food drive for Helping Hand as our Fall Into Service project.

The board also decided to sell Poinsettias from Richardson's Greenhouse during the month of November.

Our first regular meeting will be September 22, with DG Kerry Parker as guest speaker. She will also install this year's officers. We Serve!

Marblehead Lions

Our club met on August 22 to hold the drawing for the 28th Annual Marblehead Peninsula Lions Perch Festival Raffle. While our festival was cancelled because of Covid-19, that did not dampen the energy of our club members and the community. "We appreciate what the community has done. Our merchants stayed with us and our donors stayed with us," acknowledged President Tod Kelly. We are pleased that our club raised over \$4,000 that will be given back to individuals and organizations in need! "We'll survive and get through this with the grace of God and our community," Kelly said. Raffle prizes ranged from the grand prize of \$2,020 which was donated by 20 peninsula businesses to a 90-second Bassett's Market shopping spree, gift certificates, a 2021 Bay Point Beach pass and more. In addition, our club continues to support the Danbury Local Schools Food Service Operation.

Norwalk Lions

Melvin Jones Award Recipients for 2020

On August 25th at our meeting at Lion's Park, two Melvin Jones awards were presented. The Melvin Jones Fellowship (MJF) is the backbone of our foundation. Presented to those

who donate \$1,000 to LCIF or to people for whom a donation was made by others, it's a tremendous contribution to humanity and to the legacy of our founder, Melvin

Jones. (Source: Lions International Website) This year's recipients

were Lion Paul Penny and Lion Dennis Henkle. Congratulations Gentlemen!

District Governor Kerry Parker was present to give the awards. Below are a few pictures from the ceremony.

Old Fort Lions

Dream Vacation Raffle Tickets in support of PM Gillmor Community Park

Tickets \$30 each or 4 for \$100. Drawing September

12. 1st \$5,000 travel voucher, 2nd \$750, 3rd \$250 Contact Derek or Heather Hunker for your ticket(s). Need not be present to win. 618-6899 or 618-5528

Ontario Lions

Our first Yard/Craft Sale was a success! Donations and the food trailer brought in close to \$1300. A vendor survey is being prepared to list suggestions for future events.

District Governor Lion Kerry Parker was on hand for a new member induction at our August 4th meeting. Thanks Lion Kerry! Welcome Lion Paul Gleisinger!

Perrysville Lions News

The Perrysville Lions hosted Governor Kerry Parker at their August 9, 2020 meeting. We had 100% perfect attendance for the Governor's visit.

PGD Dana presented a check to the treasurer from recycling aluminum cans.

The club voted to send donations to the Loudonville-Perrysville Band Boosters and Ashland County Life Saver Project.

We are planning a pin for our 70th Charter Night celebration May, 2021.

The club said good bye to Mike and Casey Rush. Mike is being deployed for a year to Washington State and Casey will be returning to Akron University for his second year.

Governor Kerry spoke of her goals for the year, "Fall into Service Week" in October, and Steps Walk and the wearing of the red bandanas.

We served our second all carryout Swiss steak luncheons for the year and sold out. Our next Luncheon will be September 13, 2020 from 11 to 1. Carry-out only.

Plymouth

Plymouth Lions continue to hold meetings, observing social distancing guidelines. DG Kerry Parker made a Club visitation and spoke to members about "Think Globally, Act Locally" and about service week which is October 4-10.

Members approved a \$250 donation to the Steps Walk for Pediatric Cancer. We have also ordered Liberty Day pamphlets for our 8th graders who will be participating in this project.

Polk Lions

The Polk Lions Club Board of Directors held a special meeting

on August 4th with some members attending in person and others virtually, to discuss COVID-19 modifications for the upcoming Lion year. We decided rather than meeting twice a month (2nd and 4th Tuesdays) we will meet only the second Tuesday, at least through

December. We will continue to meet in person at the Polk United Methodist Church. The United Methodist Women will continue to serve our dinners, but for the time being they will serve boxed lunch-type meals instead of traditional hot meals.

Our fall signature project (driving parking lot shuttle at the Ashland County Fair in September), will likely be canceled this year due to Governor DeWine's orders regarding fairs.

This past spring, our club purchased a 4 foot x 8 foot Corroplast sign with the message "DNT TXT N DRV" for the Mapleton School Campus. Club members will be installing that sign as part of the Lions "Fall Into Service" initiative.

Port Clinton Lions

The Port Clinton Lions Club installed a new slate of officers for the 2020-2021 year, and during July hosted a visit by 2nd Vice DG Cindy Beat.

The mayor of Port Clinton joined us for our August 20th meeting and presented his vision for the city.

Upcoming events include a Chicken BBQ planned for the Labor Day weekend, and a club putt-putt golf outing during September.

Plans are being developed for our annual vision screening project and to support a local food bank during the Lion's Fall into Service Week. We are saddened by the loss of long time Lion member, past Council Chair and PDG Horst Herzog. The Port Clinton Lions Club facilitated a memorial service attended by many local, district and state Lions.

Savannah Lions

Savannah Lions conducted a vision screening of 34 kindergarten students for the Crestview Local Schools on August 19 and August 20. Using the Plus Optix vision screen reader, four Savannah Lions participated in this years' vision screening. The Crestview Local Schools and the Savannah Lions have partnered for the fourth consecutive year in assisting school nurses with vision screening. The project culminated in 26 service hours for the club.

Savannah Lions will be resuming Pancake Breakfasts beginning with the October 3, 2020 breakfast. The club is providing a carry out service only and the proceeds will benefit the Savannah Community. Club members will be selecting projects from which proceeds will be committed.

In 2019-2020, the Savannah Lions supported the following projects through its benefit pancake breakfasts: Savannah Volunteer Fire Company, Savannah Youth Baseball/Softball, Lions State and District Charities, Childhood Cancer and Savannah Lions Scholarships.

See next Month's OH2 Newsletter to learn more on Savannah Lions' breakfasts and projects being served.

Tiffin Lions

Eighteen Tiffin Lions met August 24 with masks and

precautions. A new order of brooms arrived in time for last week's Farmers Market sales. New corn poppers will be in Tiffin before October.

Sight Committee chair, Al Karcher, picked up a donated Atlas 710 Telesensory magnification system, a 2013 system. The committee has nine machines loaned and three available.

The club was informed of the District awards the club earned for the 2019-2020 Lion year.

All members who wish to participate in the September 10 Zone 2 Advisory meeting should contact PDG President Lion Steve Cochie or Secretary Connie Cole by September 7 for Zoom meeting details. With several interested members we may Zoom as a group! Next meeting is September 21 at 7:00 p.m.

Vermillion Lions

At the beginning of the month Dan Dean, chairman, collected \$100 from our members which was given to the Vermilion Food Pantry.

On Saturday, August 22, we held our first time Drive Thru at The Nest and sold the Nest gyros and the Lions homemade french fries. There also was a 50/50 raffle and the winner received \$800. 23 Lions participated in the Drive Thru.. In 5 hours 550 pounds of potatoes were used to make our french fries and 600 gyros were all sold. This event went very well.

We are still selling 12-14 ounce strip steaks for \$10 each. These were from our canceled annual Reverse Raffle.

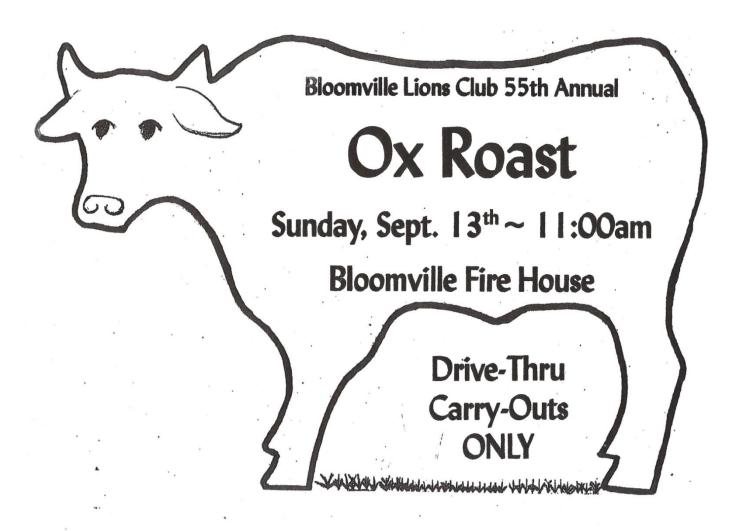

The annual Woollybear Festival has been canceled here in Vermilion this year due to the corona virus.

Have a nice Autumn Season! Stay Safe!

June 1, 2020

Greetings Potential Race Sponsor:

A relatively new initiative for Lions Clubs International has been to address Pediatric Cancer across the world. Many Lions Clubs throughout the country will be hosting a Walk/Run event sometime during late Summer or early Fall to raise funds for this initiative. These events have taken the name of "STEPS" Lions for Pediatric Cancer.

Our District's event will be held around Lakes Lamberjack and Mottram in Fostoria on Sunday, September 13th. Our Fun Walk will start at 10:00. We are looking forward to a fun event to raise funds for a very worthy cause.

We have several levels for our sponsorships:

γιρονό φοσο	Name on Tee Shirt provided to each participate
Above \$500	Golden Level-Sign placed along route/Recognition during event
\$250 - \$ 500	Water Stop Sponsorship - Name on Tee Shirt
\$100 - \$ 250	Company Sign placed along walk/run route
\$ 0 - \$ 99	Listed on our Sponsorship Banner

All donations will be accepted. If you or your company can not participate in the run or walk; please consideration a donation to this worthy cause.

We would appreciate your support. Please make checks payable to:

Ohio Lions 13OH2 STEPS Walk

Six Tips for Organizing a Peace Poster Contest During COVID-19

Kristopher Kempski August 10, 2020

For more than 30 years, Lions around the world have sponsored the Lions International Peace Poster Contest in schools and organized youth groups in their communities. This year, as <u>we move forward with the 2020-21 competition</u>, "**Peace Through Service**," we face a new challenge of hosting the contest safely during the coronavirus (COVID-19) pandemic.

Lions have been serving and connecting safely through social distancing, Zoom meetings, social media and more, and we encourage you to continue being safe as you sponsor the Peace Poster Contest.

Consider the following tips:

Email or call your school or youth group leaders to check in, confirm their participation in this year's contest and offer your support.

Encourage schools conducting e-learning to participate by providing contest rules and instructions online. Students can then complete their posters at home and drop them off to the designated school contact.

Provide your name, email address and phone number to the participating school or youth group contact, and make plans to collect the posters from them for the local judging.

Follow local guidelines for gathering and practicing social distancing when holding your contest judging (at the club, district and multiple district levels).

Consider holding your contest judging online. Photograph the entries and post them without the student's names (remember it is a blind judging) in an online photo gallery such as Flickr, Google Photos, etc. Share the link with your judges and include a score sheet to email back to you.

Recognize local winners by sharing their poster images with your local news media and by posting them on social media (Facebook, Instagram, Twitter, etc.) with #PeacePoster.

How are you adapting and innovating the way you hold your contest? We would love to hear from you. Please post your photos and stories on social media using the hashtag #PeacePoster or email peaceposter@lionsclubs.org.

Get started and purchase your Peace Poster Kit online before the October 1 deadline.

Additionally, visit our website to learn about the <u>Peace Essay Contest</u> and to download the <u>Peace Essay Contest Rules</u> and Entry Form.

Thank you for continuing to foster peace and international understanding and supporting the youth in your community!

Kristopher Kempski is the senior motion media specialist for Lions Clubs International.
