# “Guiding, Leading, Lighting Serving”

Volume 2 issue 3

September, 2021

**District Governor Kevin Reidy**

Welcome to Fall, 2021!

Lions, how has your club impacted your town and area so far this year? How many of you have invited a young couple or recent graduate, business owner or parishioner to a recent club meeting or club project?

It takes all of us to Grow the Lions' Pride...let's start (or continue) to ask non-members to join in the fellowship and fun of Lions Clubs! At the OH2 August 14 Cabinet meeting, OH2 Goals and Budget were approved. A service project was conducted during the Cabinet meeting as well!

Lion Debbie and I worked a once in a lifetime vacation to Alaska from July 25 through August 1. An article accompanies that adventure and our Lions experience in this edition of the OH2 Newsletter.

Zone Advisory meetings begin this month. Club Presidents are reminded to share your Blueprint for a Stronger Club with your Zone Chair at your zone meeting. Clubs are asked to set goals in four areas: 1) membership growth; 2) service activities; 3) club operations; and 4) leadership development. Thank you. GST-C Debbie Reidy will be providing clubs with Service ideas to engage and provide member satisfaction during the September Zone Advisory meetings-which are open to any club member in each zone.

For those clubs planning on conducting **Liberty Day** programs with your partner schools, I would ask that you notify your Zone Chair in order that those clubs may receive the Presentation Guide in preparing for the event.

In the area of **Leadership** – GLT-C Ann Miller is the point of contact for all OH2 Lions who would like to grow your Lions knowledge, skills and your potential for future Lions opportunities at the club level and beyond. The Ohio Lions are providing a Regional Lions Leadership Institute on November 13-14, 2021. The weekend location is in the Heart of Ohio, in OH2, at Mohican State Park Lodge near Perrysville, Ohio. For those who have a love for learning and Lions, complete the registration form located on the [ohiolions.org](http://ohiolions.org) website; look for additional details in this OH2 Newsletter.

In the area of **Membership** – How is your club doing in recruiting new members? Do you have a new member meeting scheduled? Are you inviting non-members to help with an upcoming project?

Does your club have new member application forms (you can download them from lionsclubs.org)? District OH2 has committed to retain 90% of our existing members.

The key to member retention is to provide satisfying service within your club along with good fellowship and fun as a club.

It may also be helpful for you to reach out to those former members to learn of their reasons for leaving and offer him or her chance to rejoin the Lions fold.

STEPS Walk/Run for Pediatric Cancer has become the District's "Go To" event for Lions efforts combating Childhood Cancer. Again held at Lake Lamberjack and Lake Mottram in Fostoria on Sunday, September 19 beginning at 10 am. This year's bandan-dits will be Patriotic wear of Red, White & Blue. Join in the Fun for one of Lions' Global Causes that impact children right here in Northern Ohio.

DG Kevin & Lion Debbie Reidy in Alaska

Once in a lifetime may be an overrated cliché, used to describe events that individuals, couples or groups may experience. In a recently completed eight-day vacation to our nation's 49<sup>th</sup> State, two years in the making, our July 25 through August 1 trip to the Last Frontier was awe inspiring.

Although we did not have the opportunity to see Mt. Denali (formerly known as Mt. McKinley), where we learned that only 30% of travelers actually see North America's highest peak, we explored Denali National Park to witness the wildlife there: primarily elk, moose and the state bird, the willow ptarmigan (in the grouse/pheasant family of birds).

We learned of the force of nature in visiting the port town of Seldovia, once the primary fishing port on the Kenai Peninsula, now a mere village of 255 with some fishing, as the March 27, 1964 earthquake devastated the entire Alaskan coastline (Homer, AK is now the fishing center of the Kenai area).

We saw glaciers, more wildlife (sea otters, sea lions, black bears, humpback whales feeding and orca whales diving, as well as American Bald Eagles as abundant as are our Cardinals or Blue Jays) in Kenai Fjords National Park.

However, the beginning of our trip was the most enjoyable afternoon of the journey. I had reached out through the LCI website to the Fairbanks Host Lions Club in June. Less than a week later, I received a telephone call from Fairbanks, Alaska. On the other end was the club's current President, PDG Hollis Hall. Lion Hollis was extending an invitation to meet and have a tour of the area. With the afternoon free, following an Alaska Pipeline visit and a panning for gold experience (we have a few flakes of gold in a container), we met Lion Hollis.

Lion Hollis Hall and his wife Darleen have lived in the Fairbanks area for over 30 years. An agriculture related job, connected with the University of Alaska-Fairbanks brought them to Alaska from Washington, D.C. where Lion Hollis had served as an Assistant Secretary of Agriculture under the Reagan and George H.W. Bush Administrations.

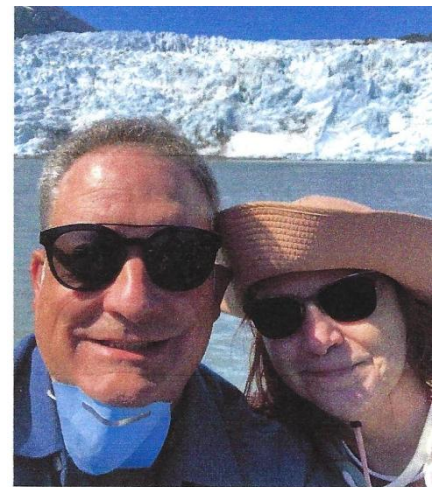

As an octogenarian, Lion Hollis drove us to the Morris Thompson Cultural Museum, where following his retirement, had been a volunteer guide at the Museum. Named after Alaska native and former U. S. Interior Secretary Thompson, an understanding of the Athabaskan people that inhabit the nation's largest geographic state was on display.

We then had the opportunity to view the Fairbanks Host club's meeting hall, located on the Fairbanks State Fairgrounds. The club fundraiser is bingo during the fair (which raised a little over \$20,000.00 for the week), which provides support for the year for club donations to global and local causes.

The club chartered in September 1944 in District 49, which includes two districts. Fairbanks Host is in 49B, which includes all northern Alaska, Yukon and Northwest Territory of Canada. As DG, Lion Hollis would take a two-hour flight for his club visit to Whitehorse, Yukon, Canada with a round trip distance of over 1,200 miles (these club visits pale in comparison to the 2-hour drives DGs have in Ohio).

We also visited North Pole, Alaska (20 miles north of Fairbanks, not above the Arctic Circle). Although Santa was not in on that Tuesday visit, we did see his reindeer!

In a trip of a lifetime, Lion Debbie and I experienced the kindness and hospitality of a fellow Lion, who took an afternoon of his time to share and show the local sites of Fairbanks with two visitors from the Buckeye State. Of course, for his time, we brought some native Buckeyes (the sweet treats, not the nuts) and some Ohio dish/hand towels as gifts for his time. We exchanged Lions pins, with Lion Hollis presenting me with a Fairbanks Host Lions pin. I shared my DG pin and Council of Governor's pin for both Lion Hollis and the current 49B DG. Thank you, Lion Hollis Hall, for your time and hospitality!

## Living well with Diabetes

### Minority Report

Compared with white kids, non-white youth diagnosed with type 1 diabetes in early childhood are at greater risk for worsening glucose management as they grow, unless steps are taken to change that path. In a nine-year study, researchers followed 1,313 people who were under 20 years of age when they were diagnosed with type 1. **Those who were black or Latino not only had higher A1C levels than white youth, but their levels also rose faster with time.**

The difference between non-white and white youth was greatest for males and kids diagnosed before age 9. There are many possible reasons for this disparity, including cost barriers and bias in health care settings, the investigators say.

## **\_OH2 GLOBAL SERVICE TEAM**

### **DISTRICT COORDINATOR**

#### **Debbie Reidy**

Greetings Fellow Lions: September 2021! A sense of normalcy resumes with exciting new ideas and goals for Service. Global Service State Team has been meeting via Zoom. We are doing this as a time saver. Each District Chair is submitting goals. I will be sharing those goals at the first Zone meetings in September.

Our district began service at the Global Action Team Picnic hosted by the Ontario Lions Club on July 18<sup>th</sup>. Thanks again to the Ontario Club for hosting. They have a beautiful facility, and we had such beautiful weather. (A rarity this Summer.) The Club was contacted regarding a service that would contribute to their club. Members attending were asked to bring canned or boxed items for their PB&J collection. Lion Shirley explained the project. Job well done Ontario Lions.

Throughout the Zones, we will be asking host clubs for ideas for Service that pertains to their club goals. The first cabinet meeting August 14<sup>th</sup> in Savannah had members engaging in a service project! Everyone attending was asked to write a personal welcome back note to a Crestview Local School Staff member. Envelopes had staff names on them, and a color code was given so attendees knew the staff position. Notes were delivered to mailboxes in the buildings for the first day of school. Personal notes were very well received and appreciated.

I encourage all Clubs to develop a list of service projects for 2021-22. I will be detailing some ideas at the Zone meetings in September to share with Clubs.

Remember to report your service activities to LCI. If you have difficulties, I can assist. Just ask. Remember to publicize what your club is doing in as many places as you can. Pictures are worth ..... Seeing is believing..... also, a good way to recruit new members.

Thanks to all the Service and dedication you provide to your communities and our global projects. Keep Roaring Lions.

**District Coordinator-GMT**

**HELP! Membership** responsibilities belong to every member in the Lions International, with that being said. Your help is needed!

Digest these statistics;

As of August 14, 2021 our membership balance is 1,722 members. We started this Lions year with 1,731 members. Reported and recorded as "added members" 3 for the month and 8 for this lions year. Dropped members this month were 6, and for the year 20. Our closing balance for this month is 1,719 members, and for the year to date 1,719 members. Net Gains/Loss for the month -3, and -12 for the year. So here you have the statistics.

This GMT met with the district **Guiding Lions** via Zoom, there was good dialogue and discussions on improving our service to new and existing clubs. There is a Zoom meeting scheduled for all **Membership Chairs** in the district or the clubs representative for membership, August 18, 2021 at 6:30 pm. Please make every effort to make contact.

Each member is responsible for inviting a prospective member into your club. **"JUST ASK."** Remember the registration fee of \$35. is waived through December 31, 2021.

It is important to have conversation with each other about what direction your club will take to make a difference in membership. Have you tried anything new/different? Have open discussions about the "Health" of your clubs.

We will continue to pursue developing new clubs in the district, while working on the health of our existing clubs, by maintaining open dialogue with each other, and working on retention, as well as building on existing relationships, and developing new friends.

Education is the key to success, after 30 years as a Lion, I am still learning about our organization, and looking for **new ways for growth and improvement.**

Continue/start sharing **Lion's history** at every meeting.

### Regional Lions Leadership Institute Returns

Have you stepped into a leadership role in your Lions Club, zone or district - or at work, or in your community? The Lions Leadership Institute is the "Ivy League" of leadership training. On November 13 and 14 you can be immersed into developing and improving your leadership skills. This training can help you in your work life, your Lions career, and in your personal life as well. If you have ever considered taking on a Leadership role in your club and beyond, this is the Institute for you! The total focus of the weekend is Leadership at Mohican State Park in Loudonville. Attendance is mandatory for the entire event. While the total cost per participant is over \$300, the MD13 Global Leadership Team has secured grants to reduce your individual cost to \$175. Your only other cost will be your breakfast and transportation to and from. Hotel bill, 2 lunches and 1 dinner will be paid in full by MD13 GLT. There will be 3 levels of training and a maximum of 25 participants per level.

For further information about criteria and qualifications for participating, for application forms, and for any other questions, contact OH-2 GLT Lion Ann Miller or any of our district officers, zone or region chairs. Deadline for submitting an application is September 24 so we suggest you be in touch with one of us soon.

## **Pediatric Cancer Committee**

Lace up your sneakers ....

September is pediatric cancer month and the Lions in our District will be pounding the pavement for Pediatric Cancer. Please participate, whether it's attending the District Walk in Fostoria, participating as a virtual walker, or participating in your community as a group walk. This is a great reason to get out and help. Our district walk will be held in Fostoria on September 19th at 10:00 BUT if your club would like to host a Community/Club walk, please do so. The important factor is that we all participate so that we can support those in need of help. Remember, WE SERVE.

We will be offering a tee shirt and bandana when you register by Saturday, September 4th. DG Kevin has determined to go with a RED, WHITE, and BLUE theme this year so get out your colors.

We are still looking for sponsors so if you or your business would like to be a sponsor, please let me know. Thank you all for your help.

## Lucas Lions

If you are looking for a successful Community Service project, we are willing to share. So read on..

Select a day with comfortable summer temperature, no rain, low humidity and long daylight. Begin with a club whose members work well together and enjoy each other's company.

A month out put a large banner advertising the event above the town's only traffic light.

Add kids' games including a take-home craft provided by the local library.

Find workers skilled in erecting tents and those willing to hang around after the event for take-down.

Select skilled grill people so burgers are tasty and hot dogs are picnic perfect.

Add any picnic foods you would like and ones that appeal to most people.

Finish the meal with a wide variety of delicious home-made cookies.

Be certain all guests are aware the meal is complements of your local Lions

Pre-number a large number of plastic ducks and sell entries to anyone interested.

Mix in a happy group of guests who look forward to the event and enjoy the company of their neighbors and friends.

And also add to the group a number of Lions' Red Jackets who will come to show their support.

Erect a barrier across the stream so no ducks end their journey at Pleasant Hill Dam. Equip "duck catchers" with high boots and baskets for retrieving ducks at the finish line.

Choose reliable people to launch the ducks some distance up stream away from the crowd. Provide bull horn so winners can be announced.

Encourage crowd to be vocal supporters of their entries.

Give the winners of the race their monetary prizes and frankly many will donate their winnings to the club so most of the food costs are covered. Winners are happy to leave with bragging rights.

And honestly one of the most important part of the

success of the Community Picnic/Duck

Race was the cancellation of the 2020 event because of Covid.

You can make lemonade out of lemons, sometimes you just have to try a bit harder.

*Just watchin' ducks go by.*

## Madison Township Lions

Hello Lions

It almost seems we are getting our feet back. We have just completed our Summer Picnic. Which has been our most well attended event to date as we had 19 Lions present. Everyone seemed to have a great time with Steak and Chicken being the main course.

We have just completed our first 2 Game outing with Madison Rams Booster club. This also was well represented by having 6 Lions and 1 Spouse working. Thank You Angie Our Group has also voted to have 2 meetings a month 1<sup>st</sup> and 3<sup>rd</sup> Thursdays. This will start in September. Our Next meeting on September 2<sup>nd</sup> we will be discussing upcoming needs for our annual Beach Party with Phil Dirt, and the Dozers, as well as creating a 3-team roster

for our future concession activities.

## Marblehead Peninsula Lions

Our club members were busy preparing for the 29th Annual Perch Festival which took place on August 28. It took our whole club to make the event a success. This included selling thousands of raffle tickets as well as 500 pounds of delicious perch! New this year was Bingo. The festival is our club's largest fundraiser and all money raised is given back to individuals and organizations in need in our community. Stay tuned for more information in October.

## North Ridgeville Lions

The North Ridgeville Lions held their annual 5K race and fun run on August 14th. We had beautiful weather and 90 runners registered! The event was held at our High School stadium this year, a new venue for us, and we offered finisher

medals for the first time; we have received very positive feedback. On the 20th we had a fun day of Lions fellowship with a golf outing and lunch. As you can see in our pictures, we welcomed three new members into our club during July and August - Welcome Lion Ed, Lion Lisa and Lion Robb. North Ridgeville's Senior Center has just begun to reopen and our Leo Club is busy working with the center planning ways to serve this very important community organization. We are thrilled to continue to grow and serve.

## Plymouth Lions

The 2021 Silver King Festival is now behind us, and we would like to thank members of the Crestline and Col. Crawford Clubs for assisting us in our food booth. Our train participated in the Shiloh Ox Roast, Plymouth Silver King & Bucyrus Bratwurst parades and will also be in Crestline's Harvest Festival Parade. A \$250 donation was made to the Plymouth/Shiloh FFA Buyers Club to purchase fair animals. Upcoming events include a blood drive in September and our Sweetest Day Rose Sale on October 15 & 16.

## Savannah Lions

We are looking forward to "Serving from the Heart", as we enter into another year of serving Savannah and the surrounding area. One of our biggest fundraisers for our club is the Ashland County Fair Parking project. The Ashland County Fair runs September 19<sup>th</sup> through September 25<sup>th</sup>. Please contact a Savannah Lions member if you can help. "Many hands make light work." Also make sure to watch for our flyers for upcoming pancake breakfasts, which are normally held the first Saturday of the month from October through April.

## Tiffin Lions

The Tiffin Lions Club members and guests manned the gates to the Seneca County Fair on opening day of 26 July 2021. A total of 28 Lions and 15 guests performed this annual project with a total of 238 hours. Lion

Past District Governor Steve Cochie donated two cases of water for those who conquered the heat of the day. Co-chair John Maddox was instrumental in filling out the sign-up sheets and overseeing the gates as the Gate Captain.

Tiffin Lions at Zone 2 BBQ Social August 4<sup>th</sup> in Attica with Attica, Bascom, Bloomville, Fostoria, Old Fort, and Republic Lions kicking off a new year of Lionism. First Zone 2 meeting is to be September 23 hosted by Republic Lions.

On August 11, Lion Paul Reinhart transported 1300 pair of used glasses to SVOSH at the Ohio State University. Lions

Gene and Sue Waltz have collected and packed donated glasses from many sites. Sight Committee approved an eye exam and glasses for a 53 year old Tiffin resident.

Our outstanding Lion Mary Dazey is honored with a reception and award of Outstanding Senior Citizen for Seneca County on August 26 at 10:00 am. Club meeting on September 13 was added to our calendar to finalize plans for Tiffin Seneca County Heritage Festival September 18 and 19.

## Vermillion Lions

At our first meeting of the month it was a Spouse's night. It was held at our property. Hot dogs, hamburgs, and buns were furnished and the rest of the food was a pot luck. There were many delicious dishes. Everyone had an enjoyable time.

Our 3 digit raffle is going on this month. There have been many winners, \$100 each. You must match your 3 digit ticket to the evening 3 digit daily Ohio lottery number.

We finalized our budget for the 2021-2022 Lions year. Due to covid we did not have any fundraisers last year so we had to manage our budget accordingly.

Our delicious homemade football fries were sold at our first home high school football game. Many bought and enjoyed our fries. This will be done at all of our home high school football games.

On Saturday, August 21 we sold sweet corn on the cob which we roasted right there on the spot. This was held where the Market in the Park takes

place in Victory Park in Vermilion, There were many customers who came back for more delicious sweet corn. We did this for the Main Street Vermilion. That evening the city pool had a movie night. We bought mini ice cream sundaes from Romps Dairy Dock and passed them out to the crowd of adults and children. It was loved by all.

We continue to keep up with Jerry's Garden which is down by the beach on Main Street, in honor of Jerry Massanova.

With Sweetest Day approaching soon we are selling roses for \$17 a dozen. Our Lions members are taking orders now through the end of September.

Our next meeting will be at our property on September 7. It will be a pot luck. Brats and saurkraut will be provided.

Stay cool and hydrated with this summer heat.

That is it from Vermilion.

# 2022 LCI CONVENTION BUS TRIP

## MONTREAL, CANADA, JUNE 24 – 28, 2022

The Districts OH1 and OH2 is planning a joint bus trip to the 2022 Lions Club International Convention in Montreal, Canada. Presently we have a bus company, Bliss Charter, for the north half of Ohio out of Fostoria, Ohio. All Ohio Districts are invited to join us.

First, is there enough Lions interested in going? This is a survey with several options to see if we should continue. Please only respond if you are serious about joining us.

\_\_\_\_\_ **OPTION 1.** The trip would start on June 23, 2022, on the west side of Ohio in Fostoria, Ohio. This trip would be approximately 12 hours and completed in one day. There would be relief drivers in both directions.

There would be a few pick-up points going across Ohio according to where Lions could meet. We would stop for lunch and supper plus some occasional short stops.

This option would cost \$12,475.00 (7 days) with relief drivers. Bliss Charters pays their driver's room in Montreal. Example cost: 40 Lions would cost around \$315 per passenger; 35 Lions would cost around \$360 per passenger.

\_\_\_\_\_ **OPTION 2.** The trip would start on June 22, 2022, on the west side of Ohio in Fostoria, Ohio. This trip would be a total of 9 days going and coming, with travel approximately two 6-hour days. We would stop about halfway at a reasonable rate motel for the night. The same driver would be with us the whole trip.

There would be a few pick-up points going across Ohio according to where Lions could meet.

This option would cost \$11,425.00 (9 days) we would pay for the driver's room on the way out and back. Example cost: 40 Lions would cost around \$290 per passenger; 35 Lions would cost around \$330 per passenger. Layover rooms would depend on how many per room.

\_\_\_\_\_ **OPTION 3.** You would like to make the trip and are willing to go with either option. Either choose option 1 or 2 or mark option 3 if you have no preference. We will go with the majority. We can

have more than one bus if there are enough passengers. Each bus would need at least 35-40 passengers to make the trip affordable.

All coaches are on a first come, first serve basis. In order to reserve a coach, we must have a signed contract with a **\$400 non-refundable deposit paid**. This quote was only valid for 30 days and may fluctuate depending on fuel prices.

The sooner we reach a valid number of passengers the sooner we can reserve our buses.

Each Lion would need a valid passport to enter Canada and back into the US.

Each Lion would need a valid COVID-19 Vaccination Record Card or would possibly need a certificate explaining why not. Requirements change from day to day.

There will be many questions about the trip and the committee will try to answer them. There will be questions better answered once we know we have a full bus.

FOR THOSE WHO ARE SERIOUS ABOUT GOING PLEASE FILL OUT THE SHORT REGISTRATION BELOW.  
WE WILL KEEP YOU UP TO DATE OF ANY CHANGES THAT MIGHT OCCUR.

SEATS WILL BE FIRST COME, FIRST SERVED, SO DON'T DELAY! PLEASE RESPOND BY OCTOBER 1.
