“Team + Service = Success”

Volume 3 issue 8

February, 2023

Winter has decided to come to Ohio. Not a fan, I hate the cold!! There is a lot going on this year. Some good changes.

This is copied directly from the Facebook Group “Global Lions Forum”, posted January 22, 2023:

Hi Lion Sue, Chief Of Technology LCI/LCIF. Lots of questions on the new system conversion date. Here are some answers (which will be added to the website).

The target conversion timeframe is 7/15/2023 – 7/24/2023, subject to change. To make the conversion we need to wait until after the elections of international officers at LCIcon in Boston.

How can clubs help us all stay on track for this date?

- Get your incoming club officers assigned before 6/15/2023. There are several end of Lion year validations and we need to get as much of this work completed ahead of time.

- Make sure any service activity reporting for events before 6/1/2023 is completed before 6/15/2023. Back reporting after 6/1/2023 – to conversion date events, can be entered in the new system after we make the conversion.

Record any club or above donations to LCIF are in the bank with the appropriate supporting documentation for recognitions before 6/15/2023.

Make sure club data is accurate for this year before 6/15/2023. New members and their sponsors, new clubs formed & members, and any associated transfers and any other end of year activities specific to the club are accurately reflected in MyLion/MyLCI.
<end of post

No, I don't know when they will release any "instruction manuals". For now, be sure to check your LCI account to see that everything is ACCURATE, especially your email. If you have a work email account, please consider making a new account outside of work, and maybe just for Lions business. You will not always be able to access that account due to leaving employment, employer closing, retirement, etc..... If you don't have an LCI account, log in now and create one. You will need to know your member number, that's it. THAT EASY. Also check those birthdays. I have seen A LOT of clubs with members born on January 1. I know that isn't correct for 99% of you! We want to be able to get on the new platform when it comes online.

This year's Peace Poster theme was announced: "Dare to Dream". For more information, go to <https://www.lionsclubs.org/.../star.../youth/peace-poster...> It's never too early to get your kit. Try having 2 submissions a year, one from the spring and another from the fall. The district did not have too many to choose from this year, please be sure that the instructor knows ALL the details to enter. Chairman Jim Pickering is here to help, so reach out to him!

Do you have your Convention Registration turned in yet? I am so excited to be able to celebrate the accomplishments our district has achieved. Friday night's Buckeye Bash will be like a tailgate! Euchre and cornhole are just a start, along with the VDG's hospitality "room".

Rumor has it there will be buckeyes too!

I have received one Governor's Excellence Award application. They are due February 28. Please be sure to get yours in!

The Lion's year is only half over. We have lots to do yet. More service, more members, more FUN! Let's finish the 2022-23 year strong!
TEAM + SERVICE =
SUCCESS

Hello Lions of OH 2,
Wow! Another month has come and gone.

I want to report on the Winter Retreat that was held on January 13-15 at Deer Creek State Park, there were 132 registered. We all had a very enjoyable time and we collected \$500 plus dollars for the Ohio

State Blind Band to go to the International Convention in Boston this coming July.

Since I have accepted this role as your 1VDG, I have had the opportunity to tell people that I work with in Ashland and Wooster about Lions and answer questions about our organization. I tell them that Lions Clubs is an International organization. Lions Clubs International is the world's largest service club organization, with a network of 1.4 million men and women in more than 210 countries and geographical locations. We serve where we live, as well as globally, and we have fun doing it. People are surprised that we are so big.

I tell them that we are well known for vision health, buying glasses for those in need and collecting and recycling glasses for third world countries. Lion's service is as diverse as its members. We meet all sorts of needs, from assisting the elderly to helping victims of natural disasters.

Lions give 100 percent of donations to our causes. We cover all our costs through our dues. Lions make a difference everyday everywhere. Whether by organizing a pancake breakfast fundraiser or building a wheelchair ramp for someone in need, we are a hands-on organization. Since 1917, Lions have met the needs in their communities. As long as there are needs, we will work to meet those needs.

I love telling people about us. The information is out about the District Convention and I hope you are planning to come. I am still seeking Necrology forms.

I still have a few clubs to visit in this Lion's year. My schedule follows.

Thank you all for your service; you are truly living my theme, "GIFTS"!

Thanking you so kindly,
1VDG Julianne Zody

My Fellow Lions,

As we move into February, we can all give a sigh of relief that we made it through the holidays (especially the nice weather we had on Christmas Eve), the new year's celebration and I am sure we are all doing wonderful with our new years resolutions.

Several years ago PDF Kenny Schuck challenged clubs to get a little more healthy and lose some weight as a Diabetes Awareness Project. While my club did not lose much weight, we did have fun with the once a month weigh ins and snack time at meetings even started having more healthy items. Diabetes is a terrible disease that can really effect a person's quality of life. But healthy living now,

every day, can turn back the clock for some of us and bring that dreaded number down next time we have blood work. Here are the latest statistics for diabetes. 37 million people have diabetes. That's about 1 in every 10. Look around your club. If you have 40 people, 4 probably have diabetes. 96 million American, more than 1 in 3 have prediabetes. People who have diabetes have a higher rise of the following serious health complications: Blindness. Stroke. Kidney failure. Heart disease. Loss of toes, feet or legs. So what can you do to prevent diabetes or to move out of the category of prediabetes? Eat healthy. Be more active. Lose weight. Find a partner and start walking. Say no thank you to that cookie or that pie. Let water be your drink of choice. Although there is not a District project anymore, I challenge each club to once again have some programs on Diabetes. Bring in a couple of speakers. Share a healthy recipe each month. Have a weight loss challenge with a prize for the winner. Invite a friend when you have the speakers. Who knows, they may want to become a Lion.

In 2022, I visited 29 Lions Clubs. I have two clubs left to visit as 2VDG and then I will begin my visitations with all the southern clubs. That is 29 evenings learning about service projects and fundraisers; getting to know the Lions in these Clubs and what causes are near and dear to their hearts; and 29 evenings of enjoying the hospitality of these clubs. Every one of you have been a joy to visit with and I thank you

for allowing me to crash your meetings and events.

As I have visited clubs, one thing that I have found is Clubs do not have a good understanding of what happens with the money they donate to the District and State Committees. I am putting together a presentation for Leadership School so they can have a better understanding of how their donations are helping those in our State, Country and around the World. I am also going to highlight grants available that the Clubs can submit for to assist with their local projects.

In January visited with the Lindsey Lions on January 9th; Milan Edison Lions on January 10th; and attended Winter Retreat on January 13-15th. I really enjoyed the winter retreat, meeting and visiting with Lions from around the State, as well as OH2. The food was really good and I always enjoy a stay at a State Lodge. I visited with the Buckeye Central Lions on January 20th and will be attending the GMT on January 29th. I have two clubs yet to visit due to illness, with the dates to be determined.

February will a very busy month with COG on February 11th; Cabinet Mtg (which I host) on February 13th; Crestline Club on February 14th; Zone 7 on February 14th; Zone 4 on February 15th; Zone 6 on February 16th; Zone 5th on February 18; Zone 3 on February 20; Zone 2 on February 21st, and Zone 1 on February 23rd. And then we are on to the District Convention. OH2 is on March 17, 18. I will be assisting with the hospitality room at the convention on

Friday night. On Saturday, I will be on the lookout for people to become Minions and join in on my demonstration for the election to 1st VDG., so let me know if you want to be a Five Minute Minion. Besides our District convention, I am receiving invitations to the conventions for the other Districts 1-7 and will need to decide which ones I will attend.

I will also be attending the State Convention and assisting with Leadership School in May. I hope to see you all there.

Yours in Lionism,
2VDG Patty Moorman

The Buckeye Bash
Friday March 17, 2023; 7:00 p.m.
Mid-Ohio Conference Center

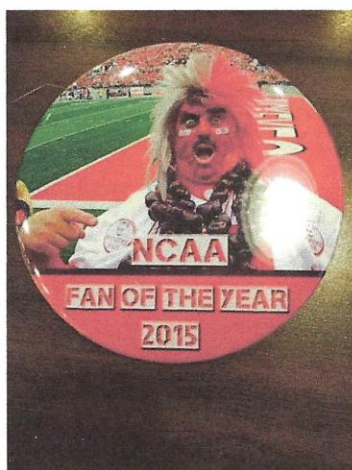

As everyone knows, Governor Cindy is a BIG Ohio State Buckeyes fan. So this year we will kick off the OH2 District Convention with a Buckeye Bash. It will be an evening of partying, socializing, hospitality, games and a little entertainment also.

Most everyone who has ever watched an Ohio State football game on television has seen our guest speaker for the evening. With his scarlet face paint, crazy hair and ever present Buckeye necklaces, Larry Lokai aka: The Buckeyeman is a highly recognizable character in the OSU fan base. He is the 2015 NCAA Fan of the Year. To date Buckeyeman has donated over 46,000 buckeye necklaces to special fans, given away 2,000,000 buckeyes either collected or supplied to him plus given fans and students over 1,800 buckeye seedlings and 55 buckeye wreaths.

There is however, much more to Mr. Lokai than just being a super fan. Lokai taught at Northwestern-Clark High School from 1967 to 1989 and was named the Ohio Vocational Teacher of the Year in 1985 while the Northwestern-Clark program was selected as the Outstanding Vocational Agriculture Program in 1988 for Ohio and one of the top six in the nation. In the 1990's he also taught at EHOVE JVS and Keystone High School.

Each year Larry serves as a poultry judge at county fairs and specialty shows with an average of judging 20 shows annually. To date he has been the official poultry judge in 84 of the 88 Ohio county fairs plus shows in California, Michigan, Indiana, Kentucky and Pennsylvania. He served as a 30 year 4-H advisor and a 30 year FFA advisor and has been honored by 15 different FFA Chapters as an Honorary Chapter Farmer, plus won the Honorary American FFA Degree in 1967. Since retiring he has coached students in 20 different FFA chapters special CDE contests focusing on the Poultry CDE and Milk Quality & Product CDE. He is married to Elaine Caldwell-Lokai, has four grown children, 17 grandchildren and 7 great grand children.

We are sure you will enjoy the evening and our guest speaker. Join us Friday night for the Buckeye Bash Convention Kickoff!

Please have this form Returned by February 15 for each Lion that has passed since the last District Convention. It is needed for the Necrology service at the District Convention.

Global Leadership Team - Officer Training Pin Dilemma

One of the looked-for highlights of the OH2 Officer Training is the special pin given to attending incoming officers. Through the years, we have provided pins for incoming Presidents (a gavel), First Vice Presidents (a gong), Secretaries (a quill), Treasurers (a money bag), Membership Chairs (an "M"), and when a session is offered for PR/marketing (a microphone) and Tail Twisters (a tail).

Like everything else, costs have significantly risen, and we are being priced out of being able to purchase these when our supply needs replenished. We are exploring an alternate source for these pins. Also we are reaching out to members who have held any of these offices more than once and may have duplicates of those pins. For the May 2023 training, we are especially in need of gongs and "M" pins (or the old clasped hands). If you have duplicates, would you consider getting them to a member of the Leadership team or a district officer to add to our supply. We are especially looking for the gong pin with the pin back. We have a small supply of the gong with a loop to hang from your President gavel and would love to trade.

Diabetes Dilemma! Problem Solving

As presented in past diabetes articles, diabetes is a chronic health condition requiring the use of "tools" for living well with diabetes to promote healthy blood glucose levels, make healthy lifestyle changes, prevent long-term complications, as well as access and utilize the resources that support a person in diabetes self-management. However, you can follow your treatment plan and still not always get the results that you had anticipated. This can certainly cause a dilemma and knowing how to solve a problem can help.

According to the Association of Diabetes Care and Education Specialists, solving diabetes problems involves 3 steps which include:

STEP 1 - IDENTIFY THE PROBLEM

- What has changed? New medicines? Different food? New job? New work schedule? Change in family situation? New insurance plan?
- What is going to change? Traveling? Starting exercise? Long meeting scheduled? Holiday celebration? You can develop a plan to prevent problems by knowing what is about to change. Sometimes an unexpected problem occurs that affects your diabetes. In that case, you must pin down the cause and try to solve it. It may not always be clear what will work. A diabetes care and education specialist can guide and support you through this. This takes you to step 2.

STEP 2 - FIND SOLUTIONS

- Think of ways to correct the problem based on your experience, tools and the support you have available.
- Check with your diabetes care and education specialist and healthcare provider to see if you have misunderstood anything about your treatment plan.
- Let them know if your life situation has changed. Work with them to help you decide what plan fits best for you.
- Share any issues you are experiencing, like not being able to afford all your diabetes supplies or medications.
- Ask them for ideas about new tools that could help.
- Having the right information can help you come up with the right solution for your problem. Then you move to step 3.

STEP 3 - TAKE ACTION

- Choose how to solve the problem once you have options.

- Set a realistic action plan.
- Pick a solution that you can handle; get help if you need it.
- Check to make sure your solution choice works.
- Try something different if one solution doesn't help.

It's Time Again to Order New "International Peace Poster Kit"

As of January 15, 2023 you may now place your order for the Lions International Peace Poster Kit. Price is \$11.95 thru club supplies. The new theme is "DARE TO DREAM". Do this now and you can possibly have the information into the schools to allow the art teacher to make this a second semester project or be prepared over the summer to reach out and do the first semester school year for 2023. Regardless, the drawings need to be in the new district governors hands by November 15, 2023. Let's look at more home schoolers that seem to be cropping up more. This is for 11 to 13 year old children and you can certainly order more than one kit for different groups.

Got to do better than last year as our OH 2 District only had 6 entries from our 56 clubs.

GLOBAL SERVICE

Currently fifty-three (53) out of fifty-six (56) clubs have reported service on My Lion. Great job! Leo Club service has not been reported yet. Please contact me if I can assist.

REMINDER: Deadline is February 28, 2023. The form must be completed and sent to Debbie Reidy by Feb. 28 via email, text, or regular mail. Service activities must be reported to International on

MyLion. The form is located in the District directory and online:

<http://ohiolionsoh2.com/online-forms/>. Contact info listed below. This is an opportunity for Clubs to be recognized at District Convention.

It is my understanding that our Service Reporting system will be changing this Spring/Summer. MyLion and MyLCI should be integrated. Change is hard... Please try to remain optimistic regarding the new system.

Remember this is a global system in multiple languages! Will there be glitches, I'm sure, but we will figure it out. Challenges are always good for the brain. Details and information will be forthcoming. Hopefully I will have information to share at the Officer Training in May.

Club News Past, Present and to come

Ashland Evening Lions

Several club members represented us at PCC Sharon Parker's calling hours and Lions service on Dec 27. Likewise several members enjoyed attending the Ohio Lions Winter Retreat at Deer Creek Resort on Jan 13-15. We had an enjoyable time even though, because of a power outage, until a huge generator arrived, for the first few hours we had to endure no heat or electricity in our rooms.

Lion Bill Snyder is chairing our "Dash for Gift Cards" fundraiser with Buehler's Market. Tickets are \$5 or 6 for \$25; and prizes are a \$300 gift certificate and 2 x \$100 gift certificates to Buehler's. Drawing will be March 23. Funds generated will support our youth projects.

A January speaker was Ashley Hendershott from The Ashland Bike Co. She manages their Ashland Bike Project with trails at Freer Field and Brookside West. She is involved in electric mountain bike racing and is ranked 10th internationally. Youngsters from 2 through teens are involved in the Ashland program. They also have a Team Wild competition team, who won the latest Division 2 State Championship. She is someone who loves what she is doing and made a dynamic presentation.

Ashland Noon Lions Club

On January 19th, 2023, we had recently-elected State House Representative Melanie Miller present her work as the Director of the Ashland Pregnancy Care Center. Many Lions were in attendance. The Ashland Noon Lions have helped community members with the purchase of eyeglasses in the last month. We have also made a \$500 donation to the Ashland Special Needs Ministry, a local organization whose objective is to assist families with children with disabilities through respite care and other outreach. The Ashland Special Needs Ministry presented to the Ashland Noon Lions club in December 2022.

Attica Lions Club

Attica Lions Donated to the following:
Camp Echoing Hills
LCIF, Lions Pilot Dogs, Ohio Lions Eye Research, Ohio Lions Foundation, Sight and Hearing Diabetes Awareness, Lions International Understanding, District 13 B Hearing and Speech, Wreaths Across America, Attica Fair Board

Our projects included: distributing poinsettias for the holiday, doing our annual New Years Day Bowl college football pool

Our annual Christmas dinner was attended by members and

spouses and a great meal and social time enjoyed by all.

The Attica Lions continue to use our community calendar for local fundraisers and events. If you would like to check it out, or add an event, please go to <https://www.atticalionsohio.com>

Bascom Lions

The Bascom Lions passed out service awards last month; Don Bouillon has 60 years and is a Bascom Lions Charter Member, James Burns has 55, Randy Hoover has 30, and Dexter Tiell has 10 years. Thank you all for your years of service.

We found out we had 30 donors at our last Blood Drive in December, and recently finished selling most of the tickets for our second gun raffle with the club buying back the remainder of tickets. We finished the month with our litter and trash pick-up route on County Road 7 near Bascom.

Donations for the month went to Casa, Hopewell Loudon BBIS program and the senior class trip. Also, we are giving to the Annual Polar Bear Jump at Carmies in support of FACT, and all of the usual state projects.

Bellevue Lions Club

Bellevue Lions welcomed the new Bellevue Schools Superintendent, Troy Roth, at

their January 16, 2023 meeting held at Seybert Methodist Church. He shared that he grew up in Sandusky area and has over 30 years in the education field. His last appointment was superintendent at Findaly Schools. He advised he was able to come to our schools after prior Superintendent , Kim Schubert, and find what a tremendous job she had been doing. The Bellevue Schools are in great shape and putting into place more security measures to keep the students/staff safer. The previous report card from the state showed our school having grade of 93 and in the top 15 % of all districts in the state, plus the top score in Huron County.

Chloe Herrera (L) receives her \$1,000 scholarship check from the Bellevue Lions. The presentation was made by Lions President Melissa Caranfa (C) and Lions Member Ann West (R). Chloe is attending Wittenberg University, in Springfield, OH, and is majoring in Exercise Science with an eye on eventually becoming a Cardio-Pulmonary Rehab Specialist. The Bellevue Lions wish her the best in her future studies!

Bucyrus Lions Club

District Governor Cindy Beat visited the Bucyrus Lions Club on January 11th. She presented a 40-year chevron to Terry

Spiegel and a 25-year chevron to Carol Iiams. The club voted to advertise on the Bucyrus Golf Club scorecards for the coming year. Lion Carol Iiams, the eyeglass chair, has recently turned in 89 pairs of glasses for recycling. Lions Joy Hillis and Carol Iiams volunteered to work at the Backpack Program on February 1st.

1st VDG Julianne Zody visited the club on January 25th accompanied by PDG Dana Zody. Secretary PCC Jeff Hillis notified the club that they had received a member satisfaction award. The members discussed future projects and donations.

Butler Lions Club

At the Meeting January 10 we were visited by Zone chair Jeff Burns. Talking about gaining new members and retaining what we have. Next discussion was starting to collect plastic for a Trex bench. Potential collection points in Butler were discussed. Request was presented to help a person in Butler purchase a Rollator Walker. It was decided to donate \$200.00 for this project. Zone project Valentines for Foster Children was brought up and decided to provide Valentine cards. Club is going to put an ad in the convention booklet.

Fremont Lions

Fremont Lions Club had a very busy December with programs and service in the community. While things slowed down a bit in January, the club enjoyed a speaker to learn about a new program that began a few months ago to be of help to children in the foster care program. Alicia's Closet is meeting that need in Sandusky County and has also helped provide clothing to families outside the county also.

We are looking forward to hosting the February 23 Zone meeting and will welcome all to the meeting at the Victor Center in Fremont at 6 pm for a Taco Buffet followed by the meeting at 7 pm. Donations of items for the men's homeless shelter in Fremont will be appreciated that evening.

Hayesville Lions Club

The Hayesville Lions Club met January 19 at Stone Lutheran Church. We will give \$200 to the Bookcase Project at the JVS and \$100 to the Eagle Scouts.

February 2 will be the Board meeting at Darlene and Kenny Schuck's.

February 14 is the Zone Meeting at the Loudonville Lions Building with Perrysville and Loudonville clubs hosting. February 16 is the dinner meeting at Hayesville United Methodist Church. February 18 our Hayesville Club will hold a Spaghetti Dinner from 4-6:30 by donation at the Hayesville School to help the Womens Fund Child Care Initiative toward building the Day Care Center. Afterwards at 7 p.m., we will have a Euchre Tournament with a \$5.00 fee

and the money will go toward our scholarship fund.

Our club has two \$1,000 scholarships and any senior can apply for one by calling Greg Hess at 419-685-1547.

The District Convention will be held in Mansfield at the Mid Ohio Conference Center and will cost \$70.

Vice District Governor Julianne Zody spoke to our club and presented her theme which is "GIFTS-

Going In First To Serve".

If you know someone to invite to be a new member, let Kenny know and he will invite them.

On April 1, Hayesville Lions Club will host a breakfast with the Easter Bunny at Kendig Park from 8-9:30. The Amvets will have the Easter Egg Hunt at 10:00.

Our club will have a meeting after the breakfast there.

Loudonville Lions Club

On December 30, Lions provided a "Feed the Teams" night for all winter sports athletes and coaches, complete with a taco bar. During the regular January meeting, Lions Bob Keener and Dave Frindt, who are electricians, provided a program on the history and basics of electricity. The Club also started collecting plastic this month for our second TREX bench. Unfortunately, a winter storm forced a cancellation of Mansfield Plumbing Products Retirees Breakfast. On to February, when we will host the Zone Meeting along with Perrysville Lions Club!

Madison Twp Lions

Hello again from, a Colder and Snowier Madison Twp Lions We are currently finishing up the final details of our Lions Club Awareness Dance with Phil Dirt and the Dozers on Saturday February 4th at Fairhaven Hall at the Richland County Fairgrounds in Mansfield.
