Gifts “Going In First To Serve”

Volun 4 Issue 9

March, 2024

WOW! What a Whirlwind!

Hello OH2 Lions,

PDG Dana and I have had an awesome time visiting your clubs and we thank you kindly for the wonderful hospitality you have shown us. It is amazing how much ground we have covered and how quickly the time is passing, as of today there are 50 days until convention/celebration/ party. If you missed the deadline for registration (March 1, 2024) you may still register and pay the late fee of \$5.00. Feel free to call Convention chair Marj Pond if you have questions.

I want to congratulate the Hayesville Lions for their 75 years of service which they celebrated February 24, 2024. I wish them many more years of serving their community.

It is time for your clubs to be electing new officers and reporting your PU-101 to LCI and to Leadership chair Ann Miller before April 27, 2024 in perpetration for Officer training on May 4, 2024. This year Tail twisting will be added back to the schedule and we will have a session on forming Leo Clubs and also in the treasurer's session there will be some info about credit card readers.

Officer's training why should I go? Been there done that! LCI is changing all the time, you might be surprised what new things you will learn. Please plan to attend this year.

I would like you to continue with the “Change for Change” project giving the sum to whatever cause you wish to support. The latest project is “Spreading Kindness”. (You will see an article in the pages to come). The Global Service Team is collecting Peanut butter and jelly for the Buckeye Food Alliance which serves the Ohio State students who are food insecure. PCC Kerry says, if you would like to participate and are close to the Mansfield Branch of OSU you can take it there, just send PCC Kerry a picture documenting how many jars so she can report at the State Convention.

Just a thought! Could be a great Zone project!!

**Thank you all for doing your
Service Reporting. 100%
WOW!!**

**Thank you all for being
awesome Lions that truly love
to serve.**

**I am looking forward to
seeing you at the convention.**

**It has been my honor to serve
you. DG Julianne "GIFTS"**

If you log onto the LCI
website, you will see the words
"We are serving a World in

need" with "One act of kindness
at a time. I think as Lions, you
do not always think of what you
do as acts of kindness. But, as I
visit your clubs and I hear you
discuss your plans for service
projects or discuss how a recent
project went, I hear the acts of
kindness each of you are taking
out into your communities.
There are so many people in the
World that need that kindness
that Lions have to give, so be
proud that you are willing to be
one of those Lions!!

Are you ready to make a
difference in your community
for Earth Day that is coming up
next month? Earth Day is April
22nd. Now is the time to look
around your community and
plan a service project to make it
a little better. Why not plan and
invite your club members,
family, friends, and community
to join in and complete a service
project for Earth Day? Want
some ideas? Plant some trees.
Clean up a park. Organize a
recycling drive and educate the
community on all the things that
can be recycled instead of
ending up in a landfill. Hold a
nature photo contest for kids at
your local school and plant a
tree in honor of the winner.
Collect used cell phones and
donate to those who need them.
The planning may put a little
spring in your step for Spring
and get you through March. It is
always so nice to see the green
come back in the grass and the
leaves come back to the trees.
And the flowers....

February was a busy month
which started with a GAT
Meeting, a Council of
Governors meeting, and a
cabinet meeting. I had an
enjoyable evening with the
Mansfield United Lions and

several zoom meetings with my
incoming group of District
Governors. Tomorrow,
February 24th, I will be helping
at the Leos convention in
Waldo and then attending the
75th Charter night celebration
with Hayesville Lions. I have
been busy working on getting
the District Cabinet positions
filled for 2024-2025. I am also
collaborating with Lion Ann for
Officer Training School and
Zone Chair Training. As I write
this article, I am getting ready
to fly to St. Charles, IL for a
week of District Governor
Training. March and April will
bring MD13 Conventions, as
well as our own OH2
Convention. I hope to see you
there.

March 2VDG Report

In this era of every man for his/herself, kindness is hard to find. There are some folks who think they are “helping” by butting in people’s lives when they don’t know the whole story. And quite frankly, it’s none of their business. Kindness is the key word in this day and age---KINDNESS!

Kindness isn’t hard to practice, and it isn’t difficult to do. Just treat people and talk to people the way you’d like to be treated and talked to. You never know what’s going on in someone’s life or for that matter someone’s day. Your smile or kind words could make all the difference to them.

I know you’re probably thinking “What does this have to do with Lions?” Well, a lot! You go to a meeting and see someone sitting quietly or alone, don’t chastise them. No,

just a nice word, a smile, or an invitation to join the group may be all it takes. That Lion will remember you and your kindness, I guarantee it!
BE KIND!

March Newsletter From Council Chair Dave Stockum

Where did February go? What a month. We had a successful Council of Governors Meeting in Grove City at which many pressing issues were decided by the District Governors. Foremost, the DG’s approved the language of an issue to be voted on at the MD13 State Convention in May asking the delegates in attendance to decide whether the International Relations Committee remain as part of the MD13 Structure. A second issue approved by the DG’s was the language to consider whether to add in the MD13 Policy Manual an unfunded position of New Voices Coordinator to the Global Action Team. PDG Rob Murry informed the DG’s that he was retiring from his position as Assistant MD13 Treasurer, and the DG’s approved the nomination of PDG Randy Goff to replace Rob beginning July 1, 2024. PDG Rob also announced his intention to step down from the MD13 Liaison Committee, effective the end of June, so DG’s will select a replacement for that position at the State Convention. MD13 Lions and OH3 have been blessed by the leadership and service PDG Rob Murry has provided in these two important offices, as well as the OH3 CST, over many years. Thank you, Lion Rob, thank you.

We are close to moving into positive numbers in membership growth for the first time this century! We are currently only 15 members in the red, if you are familiar with accounting terminology. There are many things we can do to put us in the black. We can embrace the Recruiter’s Passport Program. Lions who have received this handy guide to recruiting new members have been quite enthusiastic about it. We can accept the Council Chair Challenge to finish the year +2 or better in membership in our clubs. We can invite non-Lions to join us in our service projects. We can put our new members to work and make sure they feel welcome and essential to the life of our clubs. We can make sure we have sufficient orientation to both new and longtime members about how our club, our district and our international organization function. We can remind members who have sponsored new Lions that their duty does not end when the new Lions are

installed. We can recognize that not all our members have the same skills and motivations in being part of our organization and work to take advantage of those areas in which they are adept. In other words, growing by adding members is important, but keeping members by following the WE SERVE of Lionism is why we exist.

Best Wishes in the coming months. Plan to attend your District Convention if possible. Spring Ahead (as the Daylight Savings Time folks say) into a season of growth in service.

Craig Wiley
Cabinet Secretary
MD 13 OH2
137 W. Congress Street
Polk, OH 44866-9770

Dear Cabinet Secretary Craig,

It is with pride that I submit my letter of intent to run for the office of District Governor for District 13 OH-2 for the year 2024-2025.

In my years of service in Lions Clubs International, I have been an active member of two clubs in the district. My total years in service is 20.

As Polk Lion, I served as the Club Secretary for three years and received the Lion of the Year award for the Lions Year 2010-2011. As a Crestline Lion, I have served as Club President two times and chaired and served on many committees. On a District Level, I have served as 2nd VDG for OH2, Zone Chair for Zone 5 in 2017-2019; Region B Chairperson for the years 2019-2021; Chairperson for the District Hearing and Speech Committee 2015-2021. I also served as Guiding Lion for a new Club, Galion United Lions, for 2019-2021. I have attended levels 1 and 2 of the Regional Lions Leadership Institute. I currently serve as the 1st Vice District Governor for MD13 OH2.

I have been recognized on a District and International level by receiving two Council of Governors' Award of Merit (2019 and 2021) and in 2020 an International President's Award from International President Dr. Jung-Yul Choi for Distinguished Leadership and an OH2 Leadership Award in 2023.

My partner in service, Lion Bob Moorman, fully supports my serving as District Governor. He is a 27-year member of LCI, serving as a Club President 3 times, as a Zone Chair twice, currently serves as Club Treasurer. On the District level, he chairs the Hearing and Speech Committee and on the Global Leadership Team. On the State level, he serves on the International Relations Committee. He has received two Council of Governor Merit Awards.

I have enjoyed representing Lions of District 13 OH-2 in various capacities and would be honored to continue offering my abilities as your District Governor in 2024-2025.

Yours in Lionism,
Patty Moorman

November 16, 2023

District 13-OH2 Cabinet Secretary Craig Wiley

The Port Clinton Lions Club is proud to present Zone 1 Chairperson, Lion Michael Garber, for the position of Second Vice District Governor for the year 2024-2025. Lion Mike has the support of the Port Clinton Lions Club, and his wife, Lion Lorna.

Lion Mike first joined the Port Clinton Lions Club in 1984 and served as a club director and 3rd Vice President until his job transfer to Chicago in 1989. Returning home after retirement he rejoined the Port Clinton Lions Club in 2018 and held the positions of First Vice President and two years as club President. Other roles he contributed to include that of the Ways and Means Committee Chairman, Disaster Relief Advisory Board Chairperson, and is currently the Membership and Bus Trip Fundraiser Committees Chairperson. On a District Level, he is serving his second year as Zone 1 Chairperson.

Lion Mike's wife, Lion Lorna is also a member of the Port Clinton Lions Club and serves as Public Relations Chairperson.

He retired from USG Corporation after more than 41 years of service as Director, Leadership and Organizational Development. His academic background includes an Undergraduate Degree from the University of Toledo, and an MBA and Ph.D. from Benedictine University in Lisle, IL.

When residing in the Chicago area he served as an adjunct faculty member at Elmhurst College, DePaul University, and Capella University. He is currently Senior Adjunct Faculty member at Adler University teaching courses in their Master's and Ph.D. programs.

We, the Port Clinton Lions Club, ask for your support of Lion Mike Garber, for the office of Second Vice District Governor for the year 2024-2025.

To: Lion Craig Wiley, Cabinet Secretary
From: Lion Mona DiCesare, District OH2 Pediatric Cancer Chairperson
RE: 3 Year Position as OH2 Representative on Ohio Lions Pediatric Cancer Foundation

By means of this letter, I am advising DG Julianne Zody, 1st VDG Patty Moorman, and the Cabinet Members of OH2, that I am interested in maintaining my current position as District OH2 Representative on the Ohio Lions Pediatric Cancer Foundation. I have been in this position for the past 4 years. I am seeking re-election.

This Foundation and the STEPS Walk are my Lion's passion. When 1st VDG Patty asked earlier this year for Lion members to let her know, when or what made you feel that you really are a Lion Member ... Well for me, one of those events is being able to assist families affected by this terrible disease and to help make this unexpected journey of theirs a little easier for them and their family.

Each of the past four years, we as a District, have been able to raise more funds than the prior year. I sincerely hope we can keep this trend going.

Again, I am interested and asking for re-election to this position. Thank you.

Respectfully submitted,
Lion Mona DiCesare
District OH-2 STEPS WALK Chairperson and OLPCF Representative

DISTRICT 13 OH 2 CONVENTION

Convention time will be here before you know it! April 12 -14 at the Best Western Plus in Strongsville is the time and place to be. Past International President Joe Preston and his wife Joni will be our guests for the weekend. We are looking forward to showing them some of the things that make Ohio great.

Friday night will be a time of enjoying each other's company and possibly meet some other Lions. There will be snacks and a euchre tournament for all.

Saturday morning is the business meeting. There are also a host of other learning sessions going on all day. Information about Project Noel, Diabetes, LCIF, Pilot Dogs, and Compliance will be presented. We also have planned a Walkabout for Pediatric Cancer. Bring your comfortable shoes, make a donation, and get some exercise while supporting a great Lion cause. Plus, our service project!! We have a chance to help the Flying Horse Farm which holds camps for terminally ill children. Come and learn how you can help. Don't forget, Blue Frog will be there with Lion's clothing to purchase and a silent auction will go on all day.

We will have elections for new District Governor and vice governors and lots of awards to celebrate. Saturday evening will be our Grand banquet followed by Ice Cream compliments of the Past District Governors.

Sunday will be the necrology service and passing of the gavel to the new District Governor.

****Don't forget your item(s) for the silent auction, banner (and stand) for the Parade of Banners Saturday at lunch. ****

-- Have you turned in the information about any members who have passed this last year to Patty Moorman so they can be honored?

-- Have you turned in your delegate form to Craig Wiley?

-- Have you mailed in your registration for the convention? I will continue to take registration up to March 29th BUT any registrations turned in after March 1st will have an additional charge of \$5 per person.

Looking forward to seeing you at the OH2 convention.

International Lions Peace Poster Theme "Peace Without Limits" 2024/2025

You may order the Peace Poster kit now thru October 1, 2024. Let's try to think of new ways to get kids involved in this art project. One new approach would be to have any child 11-13 years of age meet after school or on Saturday to work on the project. Maybe this would get kids that are interested in art a chance to participate that might not have an opportunity due to school schedules. A parent that has some art ability could be used to oversee the project. Your club could furnish materials. Once the rules are presented, the kids could work on project at home as long as they understand that it has to be their own work. We only have 6 or 7 clubs that can get the school art teacher to participate. Okay, let's see what other ideas you might have. Any questions- call, or e-mail Lion Jim Pickering 419 217 8435 jimdottiep@live.com.

Global Leadership Team

Clubs are looking for members to step into leadership roles. Officer elections are upon us. These officers will begin to set the direction for clubs for 2024-2025. Incoming officer training will be May 4 at Trinity Lutheran Church in Ashland. Please encourage all of your newly elected officers and other interested members to attend. Registration forms are in the hands of your zone chairs and district officers. When you have elected your 2024-2025 officers, enter your pu101 forms to International and send in your registrations for May 4 as soon as possible. March Diabetes Article

Take Charge of Your Diabetes: Healthy Eyes Tips To Keep Your Eyes Healthy

- Get a dilated eye exam at least once a year and share the results with your primary care doctor.
- In this exam, you will get eye drops to make your pupils larger. Pupils are the black circles in the middle of your eyes. The drops are painless and help your eye doctor see inside your eyes to look for signs of health problems.
- A dilated eye exam can help your eye doctor find and treat problems to keep you from losing your vision from diabetes.
- Your eye doctor may take pictures of your eyes with a tool called retinal photography. This tool helps the doctor see your retina, which is at the back part of your eyes.
- Be sure to make and keep your next eye doctor appointment!
- Visit your eye doctor right away if you:
 - See little black lines or spots that don't go away.
 - See any red spots or a red fog.
 - Have a sudden change in how clearly you see.
 - Take longer than usual to adjust to darkness.

Talk with all your health care providers about ways to manage your diabetes.

Ask your health care team to help you set and reach goals to manage your blood sugar, blood pressure, and cholesterol.

- Get regular A1C tests to measure your blood sugar over time because poor blood sugar can make eye problems happen faster.
- Ask about safe ways to be more active each day and foods that are healthy to eat.
- **How Can Diabetes Harm Your Eyes?** Diabetes is the main cause of blindness in adults aged 20 to 74. It is also a major cause of blindness for those aged 75 or older.
- Serious eye problems happen more often among people with diabetes.
- Regular exams help your doctor find and treat eye problems early to protect your vision.

Make an appointment with an ophthalmologist or an optometrist. Both eye doctors can give you a dilated eye exam and check your eyes.

As the weather gets nicer, your clubs may be thinking of getting out into The community. It is never too late to get the District Tent scheduled for your event before someone else takes that date. The new agreement is shown for what is required from you. Email me at lioncindy.beat@outlook.com or call/text me at 419-937-7543 to check if the date you would like to have it is available. I will continue to keep you posted on the new portal. No date has been posted. It is better to wait until the software is fully ready before it is rolled out. (My opinion)

GOVERNORS SERVICE AWARD

Clubs that earned the Governor’s Service Award will be recognized at the District Convention.

MAKE CHANGE

Lions International President Dr. Patti Hill has challenged Lions this year to “Be the Change”. Remember this project is ongoing all year. Suggestions include collecting the spare change that individuals accumulate quarterly to donate to one of the Lions causes or local causes.

I will be collecting data on what causes clubs have used as their Make Change project.

GST Debbie Reidy

MAKE CHANGE

International President Patti Hill has challenged Lions this year to “**Be the Change**”. And it is often the little things we do each day that work *together* to make change happen. *Every* Lion can be part of this change.

Join the Lions of Ohio this year to “Make Change”!

Ask your Lions members to collect their change and turn that collective change into a donation toward an important cause.

Some suggestions for donations...

October – Diabetes

Donate to a Diabetes youth camp or similar program. Donate and team up to help with a local diabetes screening. Check with your local schools and other agencies to help provide equipment or programming to help those living with diabetes.

December – Hunger

Donate to a local food pantry, Holiday food basket program, adopt a family for the holiday or donate to a meal program for January after the holiday food has run out

March – LCIF

Donate to our international foundation for humanitarian causes or to help victims of natural disasters. Add your change toward your club’s next Melvin Jones Fellow.

June – Childhood Cancer

Donate to your District STEPS program, the Ohio Lions Pediatric Cancer Foundation, or a local family or project.

Then, report your donation on the new Lion Portal

Club News Past, Present and to come

Ashland Evening Lions

Long-time member Lion Dick Gordon will be remembered at a Celebration of Life service in mid-March. Dr. Carlos Campo, President of Ashland University, spoke about his experiences in teaching and administration on February 1. We are exploring opportunities for the future with the Ashland County Community Foundation. Craft show fundraiser will be March 23 at Dale-Roy School from 9-3. Officer elections will be April 7. Delivery for our geranium and spring plant sale is May 9.

Ashland Noon Lions

The Ashland Noon Club has had a full slate of weekly meetings. In January, our speakers included Ashland Mayor Matt Miller, Ohio Rep. Melanie Miller, Ashland City School Superintendent Steve Paramore, and Ashland County commissioner Jim Justice so we are well informed on our community! February has included a visit from the AU Stunt Team; and presentations on the upcoming solar eclipse, restoration of old cemeteries, and the Hazel Willis Woods. We took in 1 new member but lost 2 to transfer (they are still

Lions in district 7 clubs!). Our Treasurer disbursed over \$9000 in funds, including \$1,500 to LCIF, \$1000 to pilot dogs, \$500 to OLER, \$500 to OLF, \$1200 in scholarships, \$1000 to United Way, and the rest to worthy local organizations. We hosted 10 members from the Loudonville club, and are planning a visit to them later this month.

Attica Lions Club

The Attica Lions members have many irons in the fire for upcoming events. A blood drive is planned with the Red Cross for Feb. 21. A March Madness pool is getting organized as a fundraiser for LCI. We will be cooking pork chops and chickens for the Sons of the American Legion in March. A Vision Screening is planned for Celeryville Schools in April. Plans are being made to have a presentation from "Echoing Hills" for the community to help support its cause.

The upcoming solar eclipse on April 8th has been getting everyone in our town excited to host visitors! A concession booth for campers at the Attica Fairgrounds is being organized as a fundraiser for our club. We

are hoping for clear skies as we are located in its direct path!

Eclipse Glasses and Sticker / Magnet designs

The LEO Club has been selling Eclipse Glasses, and are getting stickers and magnets ordered to sell as souvenirs. The LEO Club also took valentines to the residents of the Willard

Willows Nursing Home, and are helping to gather used glasses at the school to help the Lions clubs with their Vision quest. They are also collecting new and gently used children's socks for "Pass It On" this month. Installation of Officers and new members will be taking place Feb. 28th for our newly chartered club. Thank you to our local Attica and Republic Lions clubs for their support of our youth!

Bascom Lions Club

The Bascom Lions have 2 fundraisers going on right now that will coincide on April 13th. One is a meat raffle while the other is a pork chop and chicken dinner which will

benefit pediatric cancer. See attached flyers below. For the month of February the Bascom Lions had 2 guests at our meetings. The first was Michelle Hess from CASA. She informed us of the CASA program and the need for volunteers. We also had special guest DG Julianne Zody and her husband PDG Dana Zody. DG Julianne gave an inspiring talk about Lionism and presented 9 Chevon awards to Bascom Lions for years of service. Those receiving the 45 year awards were; David Dundore, Dennis Hohman, Duane King, and John Park. Dave Cramer received a 25 year award and the 10 year awards were passed out to; Dan Brickner, Doug Meier, Gary Miller and Jason Walter. Recent donations were given to send 2 boys and 2 girls to the American Legion Boys and Girls State. Lastly a box of used eyeglasses was shipped to VOSHE.

Bellevue Lions Club

The Bellevue Lions club partnered with Lion and Bellevue Mayor Kevin Strecker to write up a letter of support in order to get LTC Arthur Gorham of Bellevue a Medal of Honor that he rightfully deserves. The Bellevue Lions signed and returned the letter along with a lot of community support letters as well.

The Bellevue Lions club is donating \$250 to the Bellevue Rec. Center to sponsor a youth team for the spring/summer sports programs.

Bucyrus Lions Club

Bucyrus Lions Carol Iiams and Joy Hillis worked at the Backpack Program, packing weekend meals for students. Food and toiletries were given to the Council on Aging's activity program to be handed out to those in need.

PDG Jeff Hillis and Joy Hillis filled out the forms for the Humanitarian and Service Awards and submitted them.

President Joy Hillis attended the Zone 5 meeting on February 6th at Shawshank Tavern in Upper Sandusky. She gave the report on choosing club officers. She handed out lists of Bucyrus's recent club activities to the district officers.

The club has been discussing various fund-raising ideas. They are also looking into radio time with the local station.

Clyde Lions Club

Clyde Lions' speaker for March presented an informative background on a fairly new business to the Downtown of Clyde 'Herbalife Nutrition'. Supplements and exercise programs are included for all ages. Most are low impact movements. Good for any age.

Clyde did host the final Zone meeting February 7 at St, Paul

Lutheran Church which included church women preparing a delicious meal.

Zone Chairman Mike Garber updated all on upcoming events with club members offering opportunities to participate in Lions programs.

Club Members will visit another new business in downtown on March 4. This is an outreach program of Sandco Enterprise of Sandusky County. Candy store and ice cream. Which all sounds yummy.

Elyria Evening Lions Club

The Elyria Evening Lions have turned in their first 100 pounds of plastic recycling to Trex! Our goal is to earn a bench and purchase a matching bench to place two Buddy Benches at Hamilton Elementary School's two new playgrounds.

Hayesville Lions Club

The Hayesville Lions Club held it's 75th Charter Night at Hillsdale High School. Mayor Robin Beasley gave a proclamation and a letter to the club. A wonderful meal was served by the school.

PCC Greg Hess gave protocol.

Lance Tucker, a senior and an Eagle Scout told about the statue "Boots on the Ground" that he presented to the school to serve as a reminder of all veterans and to honor them.

Lion Gene Yeater, 70 year member, told many things about the Hayesville Club.

They were sponsored by the Jeromesville Club in December 1948 and received their charter in February 1949. Don Ritchie is the son of one of the charter members. They decided their motto was "We Serve". He mentioned many ways the club does fundraising. There were pancake breakfasts, spaghetti dinners, Euchre tournaments, sausage sales, gun raffle, & Hayesville Follies.

Gene mentioned service projects such as eye screening, pay for exams and glasses, 1 or 2 scholarships, National Honor Society, projects at Kendig Park, help with the new

concession stand there, had the veteran's memorial refurbished, made a new memorial to all other veterans. We support the district, state, and LGIF, pilot dogs, and are helping with the new Daycare Center, and planted trees.

New members bring a lot into the club and help make it stronger. Gene was 23 years old when he was invited to become a lion by Don Garling and Carl Hubler. Our club serves the zone, district, and state. We have had three district governors from our club, John Strang, Kenny Schuck, and Greg Hess. Bill Harner was secretary for over 30 years.

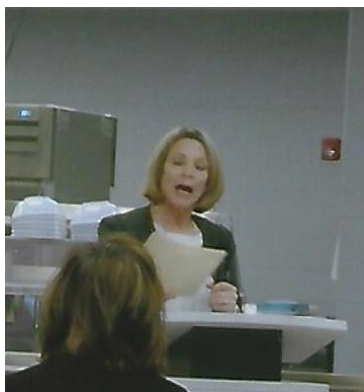

PCC Greg Hess introduced the speaker, Past International Director Steve Thornton who mentioned all the various agencies and foundations for Lions Clubs. Ohio Lions Eye Bank dealing with corneas, Ohio Lions Foundation Eye Research, Youth Agencies, Jim & Betty Coffee deal with violence and drug prevention and life skills. We gave \$50,000 to East Palestine. Ohio Lions Pediatric. Cancer Foundation money goes to hospitals. Camp Echoing Hills in Coshocton County for handicapped children. Ohio State School for the Blind Marching Band was at the Rose Bowl and went to Boston. Pilot Dogs since 1960 is one of thirteen training facilities in the USA. Ohio Lions have given seven million to Pilot Dogs. We gave \$29,000 for the Kentucky Tornado.

Eyeglasses go to Ohio State or VOSH in Pandora to be refurbished. They have given 6370 glasses since 2018 to Central American countries.

Lion Kenny Schuck gave Steve Thornton a gift from the club. District Governor Julianne Zody congratulated the club on 75 years and presented a chevron for 70 years to Gene Yeater. Council Chair Dave Stockum thought it was wonderful having Kenny and Greg active in the district and club and having 42 members in the club. The 50/50 was won by Dave Hunter and the silent auction ended. The wooden stamp roll holders were made by Gene Yeater. Pres. Darlene Schuck thanked all who came and Keith Yeater ended with prayer. Kenny Schuck had all members stand and repeat the questions as they did when they became a member.

LaGrange Lions Club

We are hard at work on these fish dinners. We also have a Big 50/50 going on at \$5 per ticket. These tickets will be sold up to and including March 29 and the winner will be drawn on the 29th. For those interested, we are also selling gun raffle tickets for an event scheduled for Sept. 14, 2024. Tickets are \$20 each or 6 tickets for \$100. We will have an early bird drawing on May 14 at our regular Lions meeting. I have included a flyer for this also. Anyone interested in any of our tickets, please feel free to call or text me at 440-315-4278 or email at: aries53@windstream.net and I can make that happen.

Loudonville Lions Club

Loudonville Lions held their first Fish Fry of the new year. Thanks to our loyal community, it was a sell out, even with a big snow storm.

Lion Ann Miller and DG Julianne Zody joined us that evening to share awareness of Project Lifesaver. Thanks to our Boy Scouts and Leo's for their help also. Ten Lions visited the Ashland Noon Club this month and enjoyed a presentation on the upcoming eclipse. They will visit with us on February 27. Officers also attended the zone meeting and the Hayesville 75th Charter Night.

Lucas Lions Club

February was a busy month of planning! We are excited to host our third bingo on April 20th. The cost is \$35 a ticket, which includes 1 reusable bingo card and a taco bar dinner. Tickets go on sale March 1. Please see attached flyer for more information.

This year we are also adding a Senior breakfast for the class of 2024. Seniors will enjoy a final breakfast with their classmates and faculty to kick off their graduation weekend. Seniors will also receive a custom class pin as a gift from the Lions. We hope to make this an annual event with the pin changing each year.

Madison Township Lions

Hello Lions

We start off the month catching our breath. Our Dance Committee wishes to thank our members and fellow lions for their support of the Lions Awareness dance, with Phil Dirt and the Dozers. It was a true success. With the awesome assistance of Butler Lions selling 50/50 raffle tickets, we were able to get much closer to our goal. The greatest part of this dance was that everyone left

with a smile and plans of attending next year's Beach Party.

Several of our members were able to support The Zone 6 project at the Peoples Pavilion. This was a one-of-a-kind experience. Our next task will be the selection of officers. Then figuring out our concession trailer schedule. Spring not coming soon enough

Marblehead Peninsula Lions Club

Marblehead Peninsula Lions Club has completed the requirements for the Trex recycling program and have received our third bench. Plans are under way for our annual community Easter Egg Hunt on March 23rd, a pancake fundraiser on May 25th, and a membership event on May 23rd.

The club has also qualified for two Melvin Jones Awards. A Committee has been appointed to select the two recipients.

Mansfield United Lions Club

We have lots of activity beginning to pick up in the next coming months as Ohio starts to thaw out. Our biggest announcement is our Free Strides for Diabetes Walk. Join us on Saturday, April 20, 2024, at North Lake Park in Mansfield, Ohio, for a 1-mile walk. Our primary objective is to encourage individuals with prediabetes and diabetes to engage in physical activity by completing a 1-mile walk. Additionally, we welcome family members and friends to join in, demonstrating their

support for loved ones living with diabetes. To further promote healthy living, we will feature a cooking demonstration, with an OhioHealth Diabetes Educators, showcasing a healthy recipe. We are seeking sponsors for this event. If you know a business who would like to sponsor, please see the attached letter and form, they will be highlighted as a sponsor. We would love to have you there with us!

Our Spring Fundraiser is gift cards from Alta West greenhouse here in Mansfield. They are sold in \$10 increments and are good through the end of 2024. What a great gift for the ladies in your life as we get close to Mother's Day and the gift cards can be used for their florist shop and greenhouse.

We're thrilled to announce that the Richland County Children Services (RCCS) and the Mansfield United Lions Club's Valentine Card Drive surpassed last year's total of 4,700 items with this year's collection reaching an impressive 8,156 items. This marks the second year for the project that was created to show foster youths love with Valentine's Day cards. We want to thank everyone who sent in cards this year!!!

What a fantastic turnout from the community.

Our March meeting will be on March 11th, our speaker will be Mansfield United Lions Club member, Dr. Cynthia Dorsey, who specializes in endocrinology and will speak about prediabetes and diabetes. Please note that our April meeting will be moved to Monday, April 15, 2024. As always, our meetings are held at

the pavilion at Burton Park Mansfield, located at 1177 Sunset Blvd.

North Ridgeville Lions Club

The Lions Club of North Ridgeville recently hosted their annual Night at the Races event on January 27. This event was attended by over 280 people and we beat our past record for funds raised! Attendees enjoyed a catered buffet, virtual horse racing, 50/50 sideboards and over 25 raffle baskets. It was a great time full of fun and fellowship and one that we look forward to every year! Coming up next is our Pancake Breakfast on Saturday, April 6. We are requesting a donation of \$10 for eggs, pancakes, and sausage. In addition, we are hopping on the Solar Eclipse excitement and offering free solar eclipse viewing sunglasses (donated by Lion Beth Yoder/North Coast Eye Care), while supplies last.. See flyer at the back of this newsletter for more details! We hope to see you there! A few years ago, in an effort to have more collaboration with our schools, we started the L.E.O (Lions Educational Outreach) fund which funds mini grants for educators at North Ridgeville City Schools. This year we had over 40 grant requests and will be choosing the recipients of grants totaling up to \$3800! Requests range from preschool large motor manipulatives, sheet music for our choral and band directors, STEM materials for science teachers, and much more! We are happy to be able to help our teachers and school staff members with funding for

items they will use with their students

"International Peace Poster Contest"

THE 2023-2024 CONTEST:

"Dare to Dream"

To a young person, a dream isn't just a wish, hope or desire — it's a path, a goal, an ambition. But achieving that dream takes hard work. So this year, we're asking young people to show how they'll turn their dream of a peaceful world into reality.

Sponsored in this area by:

The Ontario Lions Club

Perrysville Lions

The Perrysville Lions continue recycling used eye glasses, aluminum cans and plastic for the Trex benches. We also are donating blood to the Red Cross and changing batteries in the Lifesaver units.

We have our slate of officers ready for 2024-2025.

We served our monthly Swiss steak luncheon and donated \$299 to Project Lifesaver.

Our next luncheon will be March 10, 2024 serving carry out only from 11-1 from the Perrysville Community Center.

As a service project we made and delivered Valentines to area shut-ins.

We will have 4 members attend the Zone 7 meeting.

Polk Lions Club

The Polk Lions have met twice since the last newsletter. We are gearing up for two fundraisers; our 66th Annual Community Birthday Calendar and a Pecan Pie sale.

Our issue of the Gordon Bernard-published calendar runs from July to June, and we canvass the community in March and April for renewals, updates, and new customers. This is our club's longest running fundraiser, generating about \$1500 for local and global projects.

Two years ago we started a new fundraiser, a pie sale based on the mathematical number 3.14, Pi (π) during the week of March 14th. We collaborated with the Polk United Methodist Church and baked most of the pies in their kitchen. It was so successful that we held a second sale later that year for

Thanksgiving. The pecan pies were our best seller, so this time we are selling those exclusively. By the time you read this, the ordering deadline will have passed, but we will try to get word out earlier next time.

We hosted the Zone 7 Governor's Advisory Meeting on February 21 and had a really nice turnout—over 40. The Polk United Women in Faith prepared the meal and received numerous compliments.

Sandusky Lions Club

Sandusky Lions Club will be receiving 1000-1500, Plush (stuffed) Animals from Cedar Point for Donation to multiple hospitals in Northern Ohio. FRMC-Emergency Dept.; Bellevue Hospital; Ohio Lions Pediatric Cancer Foundation; Cleveland Clinic-Children's Hospital; Rainbow Babies Children's Hospital-Cleveland; and the Akron Children's Hospital-Cancer Unit.

We will be getting the animals for transfer in two-three weeks from Cedar Point.

Here is a picture from last year when we were given the same opportunity.

Lion Mike Karniotis was able to make those deliveries.

Savannah Crestview Lions Club

Savannah-Crestview welcomed the Crestview Local School administrators to our dinner meeting in February. It was good to continue hearing what is going on at all the buildings. We also held our first pancake breakfast in the new kitchen and have a fantastic turnout from the community serving more than we have at any breakfast in the last couple of years. Proceeds went to help our local fire company. PCC Kevin Reidy spent time in the 8th grade Social Studies classes at Crestview Middle School presenting Liberty Day booklets to the students. These booklets include a copy of the Declaration of Independence and the Constitution. Unfortunately the bowling tournament planned for Feb 25th was canceled because of a lack of teams participating. On March 2nd we will be hosting another pancake breakfast with proceeds going toward various youth activities we support in the area and Fire Chef Steve Dinsmore will be our speaker at the March dinner meeting.

Shelby United Lions Club

Welcome new members, Carli, Sally, & Desi! What a year we had and what a year coming up! We will be having our first pancake breakfast April 13th at the Dream Center in Shelby. More information to follow! We are also adding Feeding the Community on November 14th. All our tickets sold for our Meat Raffle which means we can serve more in the community! We continue to grow and become a presence in our community.

Tiffin Lions Club

Tiffin Lions are in nominations for 2024-2025 officers. IPP Mike Smith read the list of open offices and called for volunteers. March 4 will be last day for nominations, voting on March 18.

Guest Speaker for Tiffin Lions May 11, 95th Charter Anniversary Celebration is to be Past International Director Steve Thornton and wife, District Governor Becky, members of OH3 Wooster Lions Club.

Tiffin Lions sponsored the February 22, Zone 2 Advisory meeting at Downtown Tiffin Reino's Party Room with members from Attica Lions, Bascom Lions, Bloomville Lions, Fostoria Lions, Old Fort Lions, Republic Lions, and Tiffin Lions.

Vermillion Lions

Our January Student of the Month was Ava Parker. She is very involved in school academics, school activities and community activities as well as some sports.

John Pintur was our speaker at our meeting. He is a retired pilot. He spoke to us about his experiences. Very interesting!

Our food pantry chairman, Dan Dean, collected \$144 from

our members at our first meeting.

Our Annual Reverse Raffle will take place on Saturday, March 16, at German's Villa. Board tickets are \$50 each for a chance at \$1600. Dinner tickets are \$30 each. There will be a buffet dinner, open bar, and music. A chance to buy tickets on sideboards, 50/50 drawing, lottery tree drawing, and silent

auction items will be available. Come and join us to have a fun evening!

The District Convention will be on the weekend of April 12-14 at the Best Western in Strongsville. A few of our members plan to attend.

We helped with bingo at our two local nursing homes. The residents are always so pleased to see us.

Our Leos' project for this month is collecting pop tabs. Plus they also continue to collect used glasses.

Happy St. Patrick's Day to Everyone!

Lions that have Passed this month

Ashland Evening member Lion Richard J. Gordon age 87 of Ashland, passed away on February 16, 2024. Mr. Gordon was a 58 year member of the Ashland Evening Lions club and served as Past President and Membership Chairman; Zone 7 Chairman 1985-1987, District 13B Leadership Chairman and Co-Chairman District 13B Convention 1981 & 2001.

Bellville Lions Member Bill Brook passed away at February 23. He was a 16 year member. Be in prayer for Carolyn and the rest of the family.

Upcoming District Activities

All Lions Clubs that would like to have their activities promoted in the District Newsletter are welcome to do so. This will possible get more lions to them. Please send flyer 2 month before the activity so it can be seen before the activity.

**Seneca County Project Lifesaver
Working Together to Bring Loved Ones Home**

Dear Sir or Madam:

We are contacting you to introduce our organization. Seneca County (Ohio) Project Lifesaver is comprised of the Seneca County Sheriff's Department and the Lions Clubs in Seneca County to locate individuals who wear a special transmitter, which gives off a signal which the Sheriff can locate with their receiver once they are notified that the individual is missing.

We are seeking support for our annual Reverse Raffle. During the raffle, there is a dinner served and we will be selling tickets for the baskets that have items donated by area businesses like you. Some baskets/items will be auctioned by a live auctioneer. We are seeking donations of items for this raffle. The items could be gift certificates to your place of business, home decorations, gift baskets, tools, etc. Your name will be listed on the items. Your donations are tax deductible as Seneca County Project Lifesaver is a 501c3 organization.

Our Raffle will be held on Saturday, March 23, 2024, at the Tiffin Moose Lodge, 1146 North State Route 53, Tiffin. Tickets are \$60 each which includes 2 dinners.

If you have any questions, please feel free to contact one of our committee members:

Dear Potential Sponsor,

The Mansfield United Lions Club is proud to announce our sponsorship of the Strides for Diabetes 1 Mile Walk, taking place in Mansfield on Saturday, April 20, 2024. This event is a vital part of our community education and outreach initiatives, encompassing various aspects aimed at promoting healthier lifestyles.

Our primary objective is to encourage individuals with diabetes to engage in physical activity by completing a 1-mile walk, thereby enhancing their overall physical fitness. Additionally, we welcome family members and friends to join in, demonstrating their support for loved ones living with diabetes. To further promote healthy living, we will feature a cooking demonstration, showcasing nutritious eating habits.

Beyond promoting individual wellness, our event seeks to raise awareness about the prevalence of diabetes in our community. We aim to highlight available resources designed to improve the lives of those affected by this condition.

We are reaching out to invite your support for our cause by becoming a sponsor of the Strides for Diabetes event. A sponsorship contribution of at least \$100 will earn your company or organization recognition in our program, which will be distributed to all participants.

The walk will take place at North Lake Park in Mansfield, Ohio.

To secure your sponsorship and ensure your inclusion in our program, please review and complete the attached form by April 1, 2024.

For any further inquiries or information, please reach out to the club via our Facebook page at <https://www.facebook.com/MansfieldUnitedLions/> or by phone at 419-564-6667.

We sincerely appreciate your time and consideration in supporting our endeavor.

Warm regards,
