District 13-OH2 Cabinet Secretary Fran Tuttamore

The Port Clinton Lions Club is proud to present First Vice District Governor Lion Michael Garber as our candidate for District Governor for the 2026–2027 Lions year. Lion Mike has the full support of the Port Clinton Lions Club and his wife, Lion Lorna.

Lion Mike first joined the Port Clinton Lions Club in 1984, serving as Club Director and 3rd Vice President until a career transfer took him to Chicago in 1989. Upon returning home after retirement, he rejoined the Port Clinton Lions Club in 2018, where he continued his dedicated service as First Vice President and as Club President for two terms. He has also contributed significantly as Ways and Means Committee Chairperson, Disaster Relief Advisory Board Chair, Membership Chairperson, and Club Director. At the district level, he has served as both 1st and 2nd Vice District Governor and as Zone 1 Chairperson for two years.

His leadership and service have been recognized with several honors, including the International President's Award in 2024 for outstanding service to Lions International, the Lions Key Award in 2022, and Club Certificates of Appreciation in both 2020 and 1986.

Lion Mike's wife, Lion Lorna, is also an active and valued member of the Port Clinton Lions Club, and together they exemplify the spirit of Lionism—service, dedication, and compassion in action.

Professionally, Lion Mike retired from USG Corporation following more than 41 years of service, most recently as Director of Leadership and Organizational Development. He holds an undergraduate degree from the University of Toledo, as well as an MBA and Ph.D. from Benedictine University in Lisle, Illinois. His extensive experience in leadership development, combined with years of service as a Lion, uniquely prepares him to lead our district with excellence, integrity, and vision.

We, the Port Clinton Lions Club, respectfully and enthusiastically ask for your support of Lion Mike Garber for the office of District Governor for the 2026–2027 Lions year.
